What's happening on other fronts

NABC Open Swiss

Bart Bramley, Howard Weinstein, Russ Ekeblad, John Sutherlin and Sidney Lazard led 48 qualifiers into today's two final sessions. They had a 2 Victory Point lead over a multinational team: Eddie Wold of the U.S., George Rosenkranz of Mexico, Magnus Magnusson and Jon Baldursson of Iceland, and Berry Westra and Henri Leufkens of the Netherlands. The event drew 111 teams.

NABC Women's Swiss

The team captained by Gail Greenberg took a 5 VP lead into the final two sessions. The final will consist of 22 teams from the original field of 38. Playing with Greenberg are Sylvia Moss, Linda Perlman, Laurie Vogel and Janice Seamon. Close behind are Kathie Wei-Sender, Juanita Chambers, Stasha Cohen, Jill Levin and Irina Levitina.

NAOP Pairs B

Californians Steve Castellino of Fremont and Edward Lee of San Jose had a narrow lead over A.D. Both and Sun-O Ho of Brookfield WI. Close behind them were Charles Nauen of St. Paul MN and Jonathan Cohen of Prior Lake MN. Twenty-eight pairs representing various ACBL districts will fight it out in today's two-session final.

NAOP Pairs C

Ray Boehne of Monterey CA and Bryan Osborn of King City CA led 28 qualifying pairs into today's two-session final. They had a half-board lead over Tien-Chun Yang of Stanford CA and Fang Wu of San Jose. Charles Forsythe of Wichita KS and Theo Lichtenstein of Goddard KS were third, almost a board behind the leaders.

Mark Lair holds aloft the Vanderbilt Trophy, won by his team last night for the second consecutive year. With him are (from left) teammate Chip Martel, District 16 Director Dan Morse who presented the trophy, and teammates Lew Stansby, team captain Richard Schwartz, Paul Soloway and Bobby Goldman.

Schwartz repeats Vanderbilt victory

The team captained by Richard Schwartz won its second consecutive Vanderbilt Knockout Teams last night 121-101 -- the first repeat victory since George Rosenkranz's teams won in 1975 and 1976.

Schwartz, a hotel developer from East Elmhurst NY, was playing with Mark Lair, Canyon TX; Paul Soloway, Mill Creek WA; Bobby Goldman, Highland Village TX; Chip Martel, Davis CA, and Lew Stansby,

Castro Valley CA.

SCHWARTZ defeated the team captained by Jimmy Cayne for the 2nd straight year. Playing with Cayne, a Wall Street executive who lives in New York, were Chuck Burger, West Bloomfield MI; Mike Passell, Dallas; Michael Seamon, Miami Beach; Larry

Garey has 20,000; his dog has 15

When Garey Hayden of Tucson AZ finished second in the Strati-Flighted Pairs, he joined a select group of players who have won more than 20,000 masterpoints. His partner was Betty Rossman of Portland OR.

Garey remembers his early day in bridge. He entered the University of Arizona in 1962, and during his first semester he had a B+ average as he carried a heavy 18-hour schedule. It was at this time that he was introduced to bridge. He was so fascinated by the game that he passed one course in his second se-

Mori becomes Grand LM

Larry Mori, who has been playing bridge since age 8, has passed the 10,000-masterpoint plateau and is now an ACBL Grand Life Master.

Mori has three NABC wins: the North American Swiss Teams in 1990, Open Pairs I in 1991 and the Mixed Pairs in 1992. He was Intercollegiate Champion in 1976.

Mori, who was born in Connecticut, grew up in Japan and played his first bridge there. His mom taught him to play and he became a *Bridge World* subscriber at 8.

He was educated at Wayne State University and the University of Michigan. Mori is now a professional bridge player who divides his time between Charleston NY and Clearwater FL.

'I'm a believer'

Kitty Munson decided to believe her opponent on this deal from the first final session of the NABC Women's Pairs. Munson and partner Carol Simon were runners-up in the event.

South led the ♣K and Munson won her ace. She led a low heart and South won the 10 and shifted to the ♠4: 3, jack, king.

Munson could not afford to duck another heart - North could win and give her partner a spade ruff - so she ran all her trumps. This was the three-card ending.

Mixed-up Mixed Pair

Elayne Kadis of Brookline MA played East-West in Section VV in the afternoon session of the Mixed Pairs. In the evening she asked her partner where they should go. "Section R," he said. So off they went to Section R.

They had played five rounds without incident, but a pair of women showed up at their table for the sixth round. "What are two women doing playing in the Mixed Pairs?" Elayne asked.

"The Mixed Pairs! This is the Open Pairs."

Elayne contacted a director, and it turned out they were supposed to be at RR, not R.

The series of coincidences that made this possible were quite amazing. First of all, where were the folks who were supposed to be in R? Well, they were no-shows. And didn't the directors running the Mixed Pairs notice that someone was missing? Of course they did, and they instituted a futile search. Finally they decided to run Section R with a bump movement.

When Elayne and her partner finally showed up in Section RR, they took their places and played the final eight rounds.

No, there is no happy ending. Elayne and her partner had a bad game.

Tough bidding, tough play

By Alan Truscott

Some of the most difficult hands to bid are those with borderline game values, no eight-card major-suit fit, and no possibility of playing 3NT. Look at these North-South hands from the Mixed Pairs final:

Dlr: East ♠ K Q 10
 Vul: None ♥ J 10
 ♦ A Q J 10
 ♣ 9 8 7 6

♠ A 9 8 6
 ♥ 5 4
 ♦ 8 7 4
 ♣ A K 10 5

After a pass from East, should South open? Ken Barbour of Scottsdale AZ chose to bid 1♣, liking his three quick tricks. His partner, Carol Simon, had a problem of her own when West overcalled 1♥. Instead of bidding 2♥, suggesting a club fit and at least invitational values, she ventured a negative double ostensibly showing four spades. The bidding staggered on like this:

West	North	East	South
		Pass	1♣
1♥	Dbl	Pass	1♠
Pass	2♥	Pass	2♠
Pass	3♣	Pass	3♦
Pass	3♠	Pass	4* S
		All Pass	

3♦ was an improvisation. 4♠ was the best of a bad job, and West cashed two heart winners. He shifted to the ♣Q, and South won with the ace and tried a diamond finesse. East took the king, perhaps an error, and played his last heart. He thought this would put the defense on top, but not so. After South ruffed in dummy the position was this:

♠ K Q
 ♥ --
 ♦ A Q J
 ♣ 9 8 7

♠ 4 3 ♠ J 7 5 2
 ♥ Q 9 3 ♥ --
 ♦ 6 5 ♦ 9 3
 ♣ J ♣ 4 3

♠ A 9 8 6
 ♥ --
 ♦ 8 7
 ♣ K 10 5

South decided that West would not lead the ♣Q from Q x or a singleton, so he led to the ♣K, collecting the jack. Then he cashed the ♠K-Q and took a club winner. Three rounds of diamonds ruined East, whose trumps were trapped.

When my regular partners do something clever, I wish they would do it when playing with me, not against me.

International Team Trials

The 1998 International Team Trials (ITT) will take place June 14 through June 22 at Sam's Town Hotel and Gambling Hall, Robinsonville MS (just south of Memphis). The ITT will be used to select one of the two teams to represent the United States in the 1999 Bermuda Bowl to be hosted by Bermuda in January 2000.

ACBL will handle all reservation requests. Room rates are \$49 for a single or double, \$59 for a triple and \$69 for a quadruple. Room tax is 9%.

The entry deadline for teams without byes is May 29. Late entries will be considered, but may or may not be accepted. The deadline for applications for teams with byes - in order to assure their bye position -- is April 24.

Magnificent defense

Wafik Abdou and Danny Sprung combined for a magnificent defense against 3NT on Board 9 from the first final session of Open Pairs II.

Abdou could see no good reason for leading a spade -- declarer already had announced he had four, and Abdou had only one possible entry even if spades could be set up. So he decided to try to help his partner -- he led the ♥K. Declarer ducked this but won the continuation with the queen. Of course declarer wondered why North had made such an unusual lead. With a two-way guess for the ♦J, he decided to play North for it, losing to Sprung's jack. Sprung switched to a spade to dummy's singleton king, and declarer decided to go after clubs.

On the low club from dummy, Sprung, knowing partner was short of entries, put in the jack. Declarer ducked this, and Sprung switched back to spades. Declarer won and knocked out the ♦A. But Sprung was able to get out with the KING of clubs. Sprung still had hearts under control, and he had opened a line of communication in the club suit with partner, so declarer was able to take only three spades, two diamonds, two hearts and a club for down one.

1) 12-14 HCP (announced)

2) Promises some values (not Alerted)

The Facts: E/W called for the Director when they discovered North's pass promised some values. This was during the next hand. After that hand was finished, the Director ruled there was not sufficient reason to adjust the score.

The Appeal: E/W appealed. East stated he would not bid 4♥ if he was told North's pass promised values.

The Decision: The Committee decided the table result would stand. East's statement he would not have bid 4♥ if South alerted North's pass did not convince the Committee. East knew South promised 12-14 HCP for his 1NT bid. Even though North's pass was not alerted (promised moderate values), East should not be surprised that North held 6 HCP. His hand was well within East's expectations. The Committee also determined that the N/S agreement allowed North to have zero points with a long minor suit. Finally, East could have protected himself by asking a question. The Committee decided the lack of disclosure about North's pass did not affect the auction.

1) Explained as a transfer to hearts -- actual agreement is waiting

The Facts: E/W called for the Director after finishing the hand. The Director ruled that the misexplanation demonstrably suggested (Law 16A) to North that he bid 3NT over 3♥, rather than 4♥. He changed the contract to 4♥, down 2, E/W +200.

The Appeal: N/S appealed. North stated that South's 3♥ bid showed solid hearts and a good hand. He showed the Committee system notes to prove this. North chose to bid 3NT because the hand would play as well in notrump. He added that 4♥ would probably make.

The Decision: The Committee decided the final contract would be 4♥, down 2, for E/W +200. 3NT, rather than 4♥, is strongly suggested by the unauthorized information. Law 16A ("may not choose from among logical alternative actions one that could demonstrably have been suggested over another") requires the contract be 4♥. The probable club lead would lead to down one or two on most lines of play.

The Committee decided that down two was the most probable result. Because this happened in a Continuous Pairs, the Committee decided to explain to North his obligations under Law 16A rather than consider a procedural penalty.

1) 13-17 (not announced)

2) Single-suited hand (Alerted)

The Facts: Before the opening lead of the ♠7, East asked North about the meaning of South's double. North said they were playing a new system, and he was taking the double as Stayman. E/W called for the Director. Away from the table, East told the Director that she was not satisfied with the explanation. If the double was either Stayman or promised general values, she wanted to lead clubs. If the double promised clubs, however, she would lead a spade.

North said he was taking it as Stayman. When East asked South about the double, he said the partnership had no agreement. The Director ruled there was no violation of Law 40C ("If the Director decides that a side has been damaged through its opponents' failure to explain the full meaning of a call or play, he may award an adjusted score."), and the table result would stand.

The Appeal: E/W appealed. They stated if they were properly informed, then East would have led a club and beaten the contract. North said that 3NT can be made by winning the third round of clubs and playing on hearts.

The Decision: The Committee decided the table result would stand. N/S have an obligation to know their partnership agreements, but this is a relatively rare sequence. The Committee felt N/S were not required to have an agreement for the meaning of South's double. East's assumption that South's double was based on a club suit was the key factor in E/W's poor result. The Committee felt that as this double is normally played as either Stayman or general values, North's explanation of the double was adequate. There was no violation of Law 40C.

- 1) Artificial and forcing

- 3) 16-19
- 4) Stayman, does not promise a major suit
- 5) Natural

The Facts: N/S did not Alert South's 3♦ bid as not promising a major suit. East led a spade. After the play was done, E/W called for the Director. He ruled that N/S did not make it clear that on this auction South did not promise a major suit. With full disclosure, East would lead a heart. Therefore, the result was changed to 3NT, down one, E/W +100.

The Appeal: N/S appealed. They stated their only way to invite game in notrump was first to bid Stayman. It was also the only way for them to show a maximum negative hand with a diamond suit. North was not aware that a rebid of 2NT on this auction required an alert.

The Decision: The Committee decided the table result would stand, and assessed N/S a 1/8th board penalty for failing to properly alert the 3♦ bid. The Committee decided that West had the means to show both major suits over South's 1♦ response. West's failure to show his heart suit was the reason East led the ♠4, not North's failure to explain that South might or might not have a heart suit.

Counting pays dividends

The auction should go this way (it didn't at our table and we played 4♠-but never mind). The task is to make nine tricks on the ♦Q lead to the ace and a low club shift. I ran this around to East's king and a club return reassured me that the suit was 3-3.

I led a heart to the king with some optimism but West won the ace and returned the suit. The defense played three rounds of hearts by which time West had shown three clubs, three hearts and six diamonds. This was the ending:

♠ K 9 5

It was easy enough to play the ♠K and the 9. The best defense is for this to be covered all round, but now I can take a heart ruff and lead the ♦K (pitching the ♣Q from dummy). The ♠J leaves me in hand for the trump coup.

Padding the lead

Bjorn Fallenius and Mike Moss had a slim lead going into the last round of Open Pairs II, and their 89% effort on Boards 3 and 4 sealed the victory.

Fallenius cashed three clubs. "The opponents pitched enough hearts that it was safe to take the spade finesse," he said. Plus 430 was worth 60 of 64 matchpoints.

Slipping away

Alice Kinningham, directing in the Intermediate/Novice game, was all set to score the game when she realized she didn't have the scoreslips for the final round from tables 4 and 10.

A search of the playing area revealed an immaculate surface and Kinningham realized that the Hilton's cleaning crew had been at work. The players had already left, so Kinningham called on fellow director Martin Ware for help.

Ware enlisted Hilton staffer Joe Hittner and the two went out to the dumpster. They were able to narrow their search to a few bags and Ware soon emerged with two soggy and dirty -- but legible -- scoreslips.

Open Swiss Teams revives fond memories

The North American Open Swiss Teams revives memories of Dallas 1997 and the last NABC win for bridge legends Edgar Kaplan and Norman Kay.

Kaplan and Kay -- with teammates Brian Glubok, Walter Schafer, Bart Bramley and Geir Helgemo -- hit their stride on the final day of competition, scoring three blitzes and a near-blitz to claim the title.

Their victory was probably the most popular among bridge players since Kaplan, Kay, Bill Root and Richard Pavlicek added an ailing Oswald Jacoby to their squad and won the 1983 Reisinger Board-a-Match Teams. Jacoby died the following year.

The win remained Kaplan's greatest thrill in bridge. His career spanned six decades and covered every aspect of bridge. He was a champion player, editor and publisher of *The Bridge World*, expert vugraph commentator, theorist and the authority on the laws of the game.

Kaplan died in September after a two and a half-year battle against cancer. He was 72.

Kay, Kaplan's regular partner and close friend for more than 50 years, has retired from competition.

'A present for Edgar'

In Dallas, Kaplan played seven of the last eight matches -- including one round with Helgemo, the young Norwegian star who has already won a silver medal in the Bermuda Bowl.

This was Helgemo's first North American championship and this now-famous 6♦ contract was "a present for Edgar."

East-West put pressure on Helgemo with their preemptive action, so he bid what he thought he could make with his monster hand.

Helgemo ruffed the opening heart lead and drew trumps in one round. If the opposing spades divided 3-3, he could cash two high spades and give up a spade. His fourth spade would be good and he could pitch dummy's losing club, ruff a club and come to 12 tricks.

Helgemo reasoned, however, that spades were not likely to be so friendly and he catered to the probability of -- at best -- a 4-2 split.

At trick three, Helgemo led a low spade from his hand. When East played low, Helgemo called for dummy's ♠7. West falsecarded by winning with the jack and challenged Helgemo by returning the ♠5.

Backing his judgment -- he had planned to enter dummy and play the ♠9, smothering the 8 and setting up a finesse position against West's other spade honor -- Helgemo followed with his ♠6 which rode to dummy's 9.

Helgemo then cashed the top spades, pitching dummy's losing club, cashed the ♣A and ruffed a club for plus 1370 and a 16-IMP gain.

"Six diamonds was a popular contract," noted teammate Bramley. "In fact, it was played all over the room, but Helgemo is the only one I know who

got it right."

At Bramley's table, 6♦ was also the contract, and declarer -- despite Bramley's bidding hearts and clubs and showing up with a singleton diamond -- played spades from the top and duly went one down.

Jacoby Trophy

The Jacoby Trophy goes to the winners. The trophy is named for Oswald and Jim Jacoby -- one of the premier father-son pairs in ACBL history -- the first father-son combination to win a national championship and the first father-son combination to be elected to the ACBL Bridge Hall of Fame.

The senior Jacoby (1902-1984) won his first major title -- the National Team Championship of the American Whist League -- in 1929 and his last major title -- the Reisinger Board-a-Match Teams -- in 1983.

In between, he won the *McKenney Trophy* (now the *Barry Crane Top 500*) four times. He was the first player to win 1000 masterpoints in a single year and the first player to earn 10,000 masterpoints.

Jacoby won seven Spingolds, seven Vanderbilts, two Reisingers and more than a dozen other major titles. He was named to the ACBL Bridge Hall of Fame in 1965.

He and son Jim are the co-authors of Jacoby Transfer Bids, Jacoby 2NT and other bidding ideas. Together, they won the Reisinger in 1955 -- when Jim was 22 -- and the Vanderbilt in 1965.

Jim Jacoby (1933-1991), elected to the Hall of Fame last year, won the Bermuda Bowl in 1970 and 1971, the World Mixed Teams in 1972 and the World Team Olympiad in 1988. He won more than 14 NABC titles and captured the *Barry Crane Top 500* in 1988 -- the same year he won the Olympiad title.

He is one of only three players to win the masterpoint title and a world championship in the same year -- Charles Goren won the Bermuda Bowl and the McKenney in 1950 while Barry Crane won the World Mixed Pairs and the McKenney in 1978.

One-armed bandit

By now everyone knows that Bob Ryder won the George Burns Senior Trophy as the Senior who won the most masterpoints in Senior events last year.

At a reception honoring that achievement, Zeke Jabbour toasted his friend. He began his toast with, "I never dreamed that I would cross a continent to, of all places, Reno Nevada, to pay tribute to a one-armed bandit." Ryder has only one arm.

Celebrate silver in Vancouver '99

When Vancouver, British Columbia kicks off the 1999 Spring NABC, we'll be celebrating silver -- the 25-year anniversary of the city's first North American Bridge Championships.

Here's a trip down memory lane -- back to March 22-31, 1974.

The tournament was held in the landmark Hotel Vancouver (unlike the 1999 event which will be held in the more recently built Pan Pacific Hotel-Trade and Convention Center complex). Back then we had Nationals rather than the politically correct North American Bridge Championships!

In his "Diary of the Spring Nationals" (May 1974 *Bulletin*), Henry Francis wrote, "The beauty of the city overpowered us as we drove in from the airport. Vancouver is framed by mountains, and the various inlets and bays are all a sparkling blue."

Since those early days we have developed into a major Pacific Rim gateway with a population approaching three million people. Despite rapid urban growth, our city is clean and safe. Also, Henry and other previous

visitors will be glad to know that Vancouver's beauty is still unparalleled!

At the bridge tables Barry Crane won yet another matchpoint title: this time the Open Pairs playing with his usual partner, Dr. John Fisher. Henry wrote, "What more can you say about Crane and Fisher? Not only did they win the Open, they walked away with it. Their margin of victory exceeded three boards."

At that time Crane had more than 16,000 masterpoints. How many would he have today, one wonders?

In 1974 we had the not-so-politically correct Men's Teams, now no longer run. The Precision Team of Ron Andersen-Hugh MacLean-Mark Feldman-Merle Tom-Steve Goldstein scored an impressive win to put C.C. Wei's newly invented system in the headlines.

In the similarly defunct Men's Pairs, our neighbors from Washington State, George Steiner-George Slemmons, nipped Steve Robinson-Kit Woolsey to take their first North American title and give the locals something to cheer about.

In the Women's Teams, the easy winners were Marilyn Johnson-Dorothy Truscott-Jacqui

Mitchell-Gail Moss-Mary Jane Farrell-Emma Jean Hawes.

Victory in the Women's Pairs went to Pat Leary and Jan Martel (then Stansby).

The premier event, the Vanderbilt Knockout Teams, featured major upsets with all four seeded teams eliminated in the quarter finals. The final had some Canadian content pitting Joey Silver's squad (Joey Silver-Eric Kokish and the Crossley brothers) against Kathie Wei's Precision Team (Ron Andersen, Steve Goldstein-Merle Tom-Mark Feldman).

Henry Francis' first diary entry read, "As we flew over the Coastal Range into Vancouver, we wondered how much of an attraction a Nationals in British Columbia would prove to be."

ACBL needn't have worried. Total attendance was 8329 tables, about 1300 bigger than any previous National in the Pacific Northwest. With the great success of our area's most recent NABC in mind (Fall 1993 in Seattle), we invite you all to visit us in 1999 and once again set a new Pacific Northwest attendance mark!

It's your call!

By David Berkowitz

There are always hands that cause problems. Check out this deal from a recent Vanderbilt match. Your hand is:

♠ Q 9 5 3 ♥ A K 10 5 3 ♦ A Q J ♣ 3

Your plan is to open 1♥, but what do you do if your partner responds with a forcing 1NT? 2♠ is a bit much, so you must plan to rebid 2♦. Of course you have to make your plan early so that you can bid in tempo.

My partnership with Larry Cohen had a different problem. Although I could open a strong club, I too would have to get to 2♠ to show this hand. I decided on a little white lie by opening 1♥. South overcalled 1♠, Larry made a negative double and North passed. What now?

1NT? That was the bid at the other table. 2NT? Maybe, but it didn't feel right. 2♦? Or maybe 3♦? Both could easily be right.

Have you figured out the hand pattern yet? If we give our partner at most two hearts, it seems that 2-2-4-5 or 2-2-5-4 are the most probable distributions he can hold. Our bidding indicates dummy will be bereft of high cards. So I went for the throat -- I passed 1♠ doubled for penalties with only queen-9-fourth -- a record low for me. This was the full hand:

Larry led his high heart, I led a club, and Larry led his second heart. I cashed two diamonds to prevent declarer from doing any pitching before I led a third heart. Larry's luscious 10-6 of spades produced +800 for us.

Did you pass?

David Lindop of Toronto drew an unusual inference to bring home a slam on this deal from the Mixed Pairs.

David (South) was playing with Sheri Winestock against JoAnn Sprung and Paul Marston.

Perhaps the 4♣ bid should have persuaded North there were wasted values -- but then we'd have no story.

West led a club and David won the ace and drew trumps. He played a spade and Sprung won her ace and returned a club. David cashed all his black-suit winners. When he noticed that JoAnn was 6-5, he decided that without the ♦K she would have preempted 3♠ at her first turn.

He laid down the ♦A and turned a bottom into a top.

New Diamond Life Master

Carol Dahl of Northridge CA went over the 5000 mark in masterpoints in the Mixed Pairs. He was playing with his wife Marie.

Carl, who has won a lot of regionals, teaches and directs Junior games at the Bridge Academy in Tarzana. He also teaches bridge at Beverly Hills High School.

Partnership trust

Judi Radin and Valerie Westheimer, winners of the NABC Women's Pairs, collected all the matchpoints on this deal from the second final session.

Radin led the ♠K and declarer won with dummy's ace. She cashed the ♥A K, noting the fall of Westheimer's jack.

Now making a matchpoint play, declarer played the ♦A K. Radin ruffed the second diamond and underled her ♠Q to Westheimer's jack. Now a club through declarer's holding let Radin cash two club tricks for down one.

New Life Master

Regina Singer of Foster City CA needed 6.75 points of any color when she entered yesterday's knockout team event -- bracket 3. Her team won both matches and will play in the semifinals today. But merely getting to the semifinal was worth 8.83, more than enough. Her partner was her husband Ralf, and their teammates were Victor and Betty Szeinbaum of San Mateo CA.

NAOP winners to get Baldwin Trophy

The finals of the North American Open Pairs Flight B, a grassroots event limited to players with 0-1500 masterpoints, will take place today.

The first stage is conducted at the local club level and qualifiers advance to unit competition. Those qualifiers then advance to the district finals where two pairs qualify for the North American final.

The winners will have their names inscribed on the Baldwin Memorial Trophy and will also receive a certificate of recognition.

The trophy is presented in memory of Col. Russell J. Baldwin (1889-1969), army officer and expert on tournament procedure who was ACBL *Honorary Member of the Year* in 1943.

One of the leading American bridge personalities, he was active as an organizer from the earliest days of contract bridge and became a director and treasurer of the American Bridge League shortly after its foundation in 1927.

A member of the ACBL Laws Commission from its foundation in 1933, Baldwin was primarily responsible for the first Duplicate Code issued in 1935. He played a considerable part in formulating subsequent codes.

He was the author of the McKenney-Baldwin schedules for Howell movements and constructed other movements.

His contributions to tournament procedure include the official ACBL method of dealing with fouled boards.

Baldwin was active as a tournament director from 1927 until 1941. After service in World War II, he was ACBL business manager from 1946 until 1951.

He was recalled to military service at the outbreak of the Korean War and retired from the U. S. Army in 1957. He rejoined ACBL in 1958 and was in charge of tournament scheduling until his retirement in 1963.

East led the ♣2 and Sternlicht (North) ruffed in dummy. He ruffed a diamond to his hand and led a club. East ruffed with the ♥Q and Sternlicht pitched a low spade from dummy. East returned his last heart, won with dummy's 8.

We need 613 tables

The record for a Spring NABC will fall when the 613th table of the day is sold today.

That will bring Reno 1998 to 13,008 tables. The record, set right here in Reno in 1989, is 13,807.5. Our chances to top 14,000 are still reasonable.

Reno co-chairs laud District-wide NABC

Reno's three co-chairs credit the NABC's success to District-wide involvement -- and to choosing good committee people "and letting them do their jobs."

Diane Cullen of Beaverton OR, Barbara Dunn of Vancouver WA and Sheila Wimer of Reno mutually agreed to share the workload for the NABC.

Cullen, co-chair of the Portland NABC in 1986, concentrated on pre-tournament publicity and promotions. "I worked really hard for four years and now I'm playing," said Cullen. "It's been fun.

"The key to being a good tournament chairman," she added, "is to choose good people and let them do their jobs."

She singled out Linda Eggers and Nancy de Atley, who took a week's vacation to man the Registration Desk. Eggers, said Dunn, "basically never plays. She is really dedicated. Sometimes she even opens after the evening session. I've been impressed."

Dunn has also been impressed with the efforts of Entertainment Chairman Elaine Arthur of Portland OR and her charity bowling event. "I have to say nobody thought it would be a success except Elaine. She is totally responsible for that one," said Dunn. The charity bowling event, where players formed teams and played with bridge pros, drew 30 teams and raised \$750 for District 20 charities.

Other committee chairmen earning praise from the three co-chairs were Bob and Sally Lix, Partnerships, and the Quiggles, I/N Partnerships.

Cullen says another factor in the NABC's success is that the committee "may hold the record for holding the fewest meetings. We could have used up most of our budget flying back and forth for meetings. Instead, we made lots of phone calls."

Dunn thinks the key to Reno's success was the city's "really wonderful rates. I'm sure that had tons to do with it."

Wimer, who took a month's leave of absence from her job, predicted from the outset that the NABC would do well. At the present rate, Reno '98 seems certain to overtake the record set by Reno '89 -- 13,808 tables.

"Nancy (Foy, ACBL Meeting Planner) wants to come back in five years," said Wimer, "and I think that's great. I'll be there."

Vanderbilt

Cohen, Boca Raton FL, and David Berkowitz, Old Tappan NJ.

Schwartz, Lair, Soloway and Goldman were all on the team that won last year and Cayne, Burger, Passell and Seamon were all members of last year's runner-up team.

CAYNE won the first session 35-30 -- their only lead -- but SCHWARTZ answered with a 46-18 second session to lead 75-53 at the halfway mark. The Schwartz team never trailed after that.

SCHWARTZ also won the third session 36-12 and led 112-65 going into the final session. CAYNE refused to go quietly, however, and won the final session 36-9. That was not enough and SCHWARTZ had the win.

CAYNE gained on several swing hands in the fourth quarter -- they played 5♥ at one table and 4♠ at the other. Both made for a swing of 1300 points and 14 IMPs to CAYNE.

Both Soloway-Goldman and Cohen-Berkowitz

took a 6♠ sacrifice against a 6♥ contract that might have been beaten -- 6NT was also cold. Soloway went down three for minus 500 while Berkowitz was down two for minus 300. CAYNE gained 5 IMPs but it might have been more.

Both pairs missed a slam -- 17 opposite 10 but a singleton club opposite A-x-x-x -- for a push.

The key to victory? "The second and third quarters," said Schwartz. "We went from five down to 23 up and then 47 up."

This was the last game for Soloway and Goldman as partners. They'll continue to play in regionals and in regional events at NABCs but Soloway will play with Bob Hamman on the Nick Nickell team in nationally rated events. Goldman has not announced his plans as yet.

The team will, however, remain intact for the International Team Trials, scheduled in Tunica MS (near Memphis) in June.

Between them they have 81 years of tournament directing experience. Max Hardy, left, started 37 years ago, and Stan Tench has been doing this kind of work for 44 years.

Garey Hayden

continued from page 1

mester -- and that was with a D. He didn't even need four players, he spent many a night playing honeymoon bridge, a strange form of the game that can be played by two players. Later on he struggled to handle studies and bridge -- in fact he got all A's one semester. But bridge had exerted its magic power on his psyche.

He joined the ACBL in 1969 and over the years has become one of the most successful bridge pros in the business. Yes, he's tried other lines of work -- 10 years owning a computer company, 10 years in travel work and five years with tropical fish. But bridge was almost foremost through all those years.

Well, yes, he does have another hobby -- he and Cookie, his wife of 22 years, thoroughly enjoy showing dogs. In fact, while Garey was here in Reno, his wife showed Lisa in a very tough competition. Dogs get points just like people -- for dogs it's majors, for people it's masterpoints.

People need 300 points to become a Life Master. Dogs need 15 majors to become a champion. Well, Lisa won five points -- the maximum -- at the show this week, and that was just enough for her to become a champion. Garey definitely was more excited about Lisa's achievement that he was about getting his 20,000th masterpoint.

No story like this is complete without a list of the star's achievements, and Garey has many. His North American victories include the Men's Teams, Men's Pairs, Open Pairs, Board-a-Match Teams and three Swisses. In addition he has had seconds in the two toughest pair games, the Blue Ribbon and the Life Masters. As recently as St. Louis last fall, he had a second in the Open Pairs in partnership with Dennis Kasle.

Active Ethics

On the final board of the third session of Open Pairs II, Paul Munafo of Huntsville AL trumped my good diamond at trick nine, and I conceded a tump. We scored the contract as 2♥ down two -- minus 100.

We then left to see our scores. Paul searched me out to go over the hand and revealed that he actually had a diamond at the time he ruffed in. The score was changed to +110, and we gained 30 matchpoints. While this didn't change our result (we were second in the section with or without the revoke), I would like to commend him.

Flight C NAOP Pairs battle for Mac Nab Trophy

The finals of the North American Non-Life Master Pairs, a grassroots event limited to players who have not yet become Life Masters, will take place today. The winners will earn the Mac Nab Trophy, donated in memory of the 1965 ACBL president, Robin Mac Nab.

The competition began last summer at the local club level and qualifiers then advanced to unit competition. Those qualifiers advanced to the district finals and two pairs from each district qualified for the North American final.

The Mac Nab Trophy was originally presented to the winners of the Grand National Teams Flight B. It was redesignated for the Flight C NAOP in 1995 by the ACBL Board of Directors.

Robin Mac Nab (1915-85) was a member of the ACBL Board of Directors 1956-81 and a past president of the Western Conference. He served on the World Bridge Federation executive council 1965-73.

A graduate of Cornell University, Mac Nab was a member of the U.S. Olympic track and field squad in 1936.

A calming remark

Marie Dahl of Northridge CA was having a problem that caused her to hesitate when she was playing in the Mixed Pairs. A bit of a commotion erupted as a result of this, and Marie's female opponent said, "This is the most ridiculous conversation I've ever heard."

"You haven't heard my jokes," said Carl Dahl, Marie's husband and partner.

The opponent looked at him, laughed, and chalked up a point for him. The commotion was over.

Raffle winners

John Pringle of Rio Verde AZ won the charity raffle's grand prize -- round trip airfare for two and 10 nights at the Chicago Hilton during the Summer NABC -- in a drawing yesterday.

Nellie Burroughs of Reno won the second prize: a 14 karet gold and pearl bracelet.

The raffle raised \$1514 for two District 20 organizations: CASA (Court Appointed Special Advocates), a Portland OR child advocacy program, and the Assistance League of Reno/Sparks.

Just one slip

By Barry Rigal

JoAnna Stansby exploited her opponents' slip on the following deal to turn a good board into a great one.

(1) Preemptive
When JoAnna made a takeout double, I decided to play for all the marbles by hoping to find JoAnna with a five-card major. If she did not have one, I could see that she would get tapped out in a 4-3 fit and go down like a stone. But all was well: North found the best lead of the ♣A and played a second club to tap her.

But he led a low club at trick two and South made the slight error of putting up the king. JoAnna ruffed this, carefully led a low diamond to the king and ace and drew trumps. Now she cashed off the diamonds to catch North in a strip squeeze.

When North reduced to the ♠K 10 and the ♣Q, JoAnna threw him in with a club to concede the last two tricks in spades.

Heading for No. 81

Nick Gregorio of Reading MA, a regular at NABCs, will be celebrating his 81st birthday in a few days. He is thoroughly enjoying Reno, and he's doing OK at the card tables, too. Last night he had a section top with a 65% game.
