ACBL to ban electronic devices in national events

Leave those cell phones, iPods and PDAs at home - or at least in your hotel room: The ACBL Board of Directors approved a sweeping ban on electronic devices at their recently completed meetings at the Spring NABC in Detroit. The policy goes into effect July 1, 2008.

"This policy is designed to prevent problems and protect the integrity of our top-tier events," said Rick Beye, ACBL Chief Tournament Director.

The electronics ban will apply to all NABC (national-level) events, but not to regional or Intermediate-Newcomer contests.

The text of the policy reads as follows:

Electronic devices, excluding health-related equipment, capable of sending or receiving communication, including but not limited to, headphones, earphones, cellular phones and minicomputers: (1) shall not be allowed in the playing areas, adjacent hallways, restrooms or accessible break areas; and (2) shall not be used during a session.

These restrictions shall apply to all pairs, team members, captains, coaches, recorders and kibitzers and shall apply throughout any actual playing session or segment.

A violation of this policy shall result in a disciplinary penalty of one full board (or 12 IMPs at that form of scoring) for the first offense. A second offense shall result in disqualification from the event for the pair/team.

Kibitzers violating this policy shall be removed from the playing area for the remainder of the session.

The Summer North American Bridge Championships in Las Vegas will be the first NABC impacted by the new policy.

Participants in nationally rated events (which include not only the top-level NABC+ games but also masterpoint-restricted contests such as the Mini-Spingolds, Mini-Blue Ribbon Pairs, National 199er and 99er Pairs and lower flights of the North American Pairs and Grand National Teams) will be reminded not to approach the playing area with a personal electronic device in their possession, even if

Lebi, Jacob take Silodor Pairs title

Detroit, Michigan

Canadians Robert Lebi and Dan Jacob scored two 60% games in the final sessions of the Silodor Open Pairs to win the event by less than a board. It was the third NABC title for Lebi, of Toronto, (the others were the Fast Pairs in 2006 and the Blue Ribbon Pairs in 1989) but the first for Jacob, of Vancouver.

The winners posted a 59.74% score in the afternoon, and had a 61.59% game in the evening. Their total score (with carryover) was 2598.74. (Top in the final was 77).

In second with 2545.09 was Ralph Buchalter of South Orange NJ and Migry Zur-Campanile of East Palo Alto CA.

In third with 2461.42 were GS Jade Barrett of Elk Point SD and Jim Kirkham

of San Bernadino CA. Lebi and Jacob were 17th after Friday's qualifying round, but had moved into third place

after the first final session.

They won the Silodor Open Pairs: Robert Lebi and Dan Jacob.

Because the champs live far from each other, they frequently practice online. Lebi is a retired systems analyst for the Royal Bank of Canada. Jacob reviews construction engineering projects for the Canadian government.

Passell is MP leader with 60,000

Mike Passell of Las Vegas NV has topped the 60,000masterpoint level. He is number two on the all-time list, trailing the late Paul Soloway by a little more than 5000 masterpoints. In third place is Jeff Meckstroth who has about 58,900 masterpoints.

Passell is a perennial contender in the Barry Crane Top 500 (previously called the McKenney Trophy), winning it in 1976. He has been the leading

in 2001. Passell finished second in the World Teams Championships twice — in Valkenburg, Netherlands, in 1980 and in Manila in 1977.

He has won 21 NABC championships. Passell is one of a few players who has won all three major NABC team championships. His squad won the Reisinger Teams in 1976. 1988 and 1992; the Vanderbilt Knockout Teams in 1978 and 1982; and the Spingold Knockout

Teams in 1978, 1986 and 1987.

the device is turned off.

The new policy will be extensively publicized in upcoming issues of the Daily Bulletins, the Bridge Bulletin and the ACBL web site.

masterpoint winner at NABCs on three occasions.

Passell is a full-time player who is a WBF World Grand Master and an ACBL Grand Master. He won the World Open Team championship in Rio De Janeiro in1979 and the Transnational Teams in Paris

Passell and his wife, Nancy, are one of only a handful of couples who are both world champions. He was recently elected to the ACBL Bridge Hall of Fame.

The upcoming year will be an exciting one for Junior players. The United States Bridge Federation will send three Junior teams to championships in Beijing, China, and two to Poland. The USBF held a reception for Junior players yesterday, hosted by Rose Meltzer. Attending were USBF President Jan Martel, Justin Lall, ACBL President Dan Morse and Dana Berkowitz.

Spring forward!

Goodwill Message

Many players are now in the good habit of saying "Caddy, please" when calling a caddy. Do your part in fostering a spirit of courtesy and respect by remembering to say, "Please."

Caddymaster Jackie Matthews says, "We all answer to 'caddy,' but we prefer to answer to our last name: Please."

In many bid boxes, you can find a blue Alert card or stick. Take it out and show it to the opponents as you say "Alert." Say *only* the word Alert. Do not explain the call unless an opponent asks you to.

A blue box on your convention card means that if the bid comes up, you must make an Announcement. For example, if partner opens 1NT, you are obliged to Announce the high-card point range, *e.g.*, "Fifteen to seventeen."

Other examples are a forcing or semi-forcing 1NT response to an opening bid of one of a major, major-suit transfer bids over notrump openings and overcalls – and the possibility that your 1.4 opening could be shorter than three.

From the other side of the table, there is protocol for inquiring about an opponent's bid or Alert. Don't ask unless you need to know to make a bidding decision immediately. If you know what you plan to do anyway, don't ask! It interferes

with the flow of the bidding, and an improper question could inhibit your partner's defensive actions. Ask only at your turn to bid. Don't ask to wake your partner up. That's unethical. If you are in the pass-out seat, though it's legal to ask, usually it's better to wait until partner has made a face-down lead.

hand (the pits), signs off at $3 \bigstar$.

Defensive commentary: West cashes three hearts and shifts to the $\blacklozenge J$.

Play commentary: As South, you see that West, a passed hand, has already turned up with 10 HCP, so East must have both black kings. There is still a chance. Win the $\diamond Q$, cash the $\diamond A$, continue with the $\diamond A$ and $\diamond K$, stripping that suit, and exit a spade. On a good day, East will have started with a doubleton

Bidding commentary: West's passed-hand takeout double shows 9-11 high-card points, plus support for the unbid suits. In addition, West is likely to have four hearts, the unbid major. North's jump to 2NT is conventional. It is the equivalent of a limit raise, because a jump to 3 s after a takeout double is considered weak and preemptive. South, with a minimum and balanced

Bidding skill propels Yang, Shi to NAP win

On Thursday evening, the District 13 duo of David Yang and Xiaodong Shi won the Baldwin North American Pairs Flight A. Yang and Shi, of the Chicago area, used excellent judgment in the bidding on these two deals from final to help them to the victory.

A little luck was needed on the first deal, but when you're hot, you're hot:

Yang credits the success of this deal to Shi's 4 ♦ bid which set diamonds as trumps and expressed slam interest.

On the opening lead of a low club, Yang won dummy's ace, cashed the $\checkmark A K$ and ruffed a heart (East discarding). Declarer reentered dummy with the $\diamond J$ and ruffed another heart. Yang drew trumps and led a spade dummy's king. The defense could not prevent declarer from getting to the dummy to discard his losing spades on the established hearts.

Plus 920 was good for 13 out of 13 matchpoints.

After passing originally, South overcalled $1 \checkmark$ with his rather meager values, undeterred by the unfavorable vulnerability. Shi rebid $1 \blacktriangle$ and North raised hearts. Yang, who had enough values to force to game, but lacked clear direction, doubled to get more information from West. Shi, however, had no good options either and decided to convert the double to penalty.

The defense scored seven obvious tricks to defeat the contract two tricks. Plus 500 was worth 13 out 13 matchpoints. Note that even if the vulnerability had been equal, the decision to convert the double would have still been correct since East-West can't make 3NT despite holding a combined 26 HCP. ★ A 10

What was West to do? If he pitched a spade, he would be endplayed in one red suit to lead the other. If he pitched a heart, declarer would take his two heart winners. And if, as he did, he threw a diamond, Leong would lead a low diamond from his hand for his ninth trick.

The defenders have two ways to do better. When East wins the A, he can lead a diamond through, or he can play the A, to remain on lead for the J switch if declarer ducks. Note that if Leong has to win the second spade, West can unblock the A in the ending to break up the position.

Parking? Two Great Deals!

Park in the **Beaubien Place Parking Garage** at amazingly low rates: \$8 per day on weekdays and just \$1 per day on weekends. **You must present a discount coupon to get these rates.** (Standard rates are \$12 and \$5.) These coupons are available at the Tournament Information Desk (Level 4, West Foyer).

The Beaubien Place Parking Garage is attached directly to the RenCen via an interior, covered walkway. You don't have to go outside to get to the playing site.

When you enter the garage, pull the parking ticket. When you exit, present the ticket and the coupon to the cashier to receive the discounted price, which is also good for multiple night stays. Please note that there is a handy map on the back of each coupon.

The least expensive parking during the week is at the **GM Lot** along the river. This is a very large surface lot near the Marriott. It costs only \$3 per day. On weekdays, you will not find a less expensive place to park.

Both of these parking facilities are located east of the RenCen.

The issue is whether declarer brings home plus 170 or plus 140. At our table, the $\bigstar J$ to the ace saw East shift to a diamond, and declarer had an easy plus 170 for 17 out of 24 matchpoints.

What if the defense tries repeated spade leads instead? Maybe declarer can ruff the fourth spade in dummy, but that means he can't draw trump.

Imagine South ruffs the second spade to lead a club. West carefully rises with the queen (else at double-dummy play, declarer can put in dummy's jack!), and when dealer ducks he plays a third spade. Declarer ruffs and plays the A and another club – and West pitches the fourth spade. That lets East lead another spade, and this time, there is a trump promotion.

Minus 140 would have earned the defenders 14 out of 24 matchpoints.

Bridge Festival for women

The World Bridge Federation, in cooperation with Bridge Base Online, will host a Women's Bridge Festival to be organized on the Internet, April 7-13, 2008. Four 10-board tournaments (pairs and individual, alternating) will be offered daily, for a period of seven days. All the tournaments are limited exclusively to women players. Advanced registration is required, no later than one week before the start of the Festival. In order to participate, competitors must also have the (free) BBO software installed on their computer. The entry fee is \$1 per session, the standard fee for most BBO "pay" tournaments. Women interested in participating in this new and exciting event should go to www.worldbridge.org for all the relevant information, which is available in many languages in the Women's section of the WBF website.

bid. When I'm a Life Master, will you be my Life Mistress?"

3. Your relatives gasp and ask, "Who is that man getting into the honeymoon car with them?" and your mother explains that, "He's the Best Man, Bruce Gowdy. He's our son's partner in the Men's Pairs."

4. You overhear your five-year old daughter say to her three-year old brother, "Let's play house, you be the daddy." Your son climbs into daddy's chair and says, "You've got five spades to the King, Queen."

5. Two hours into the 10-hour ride home from the Summer NABC in Boston, your now 11-year-old son, who has just served as a caddy for the first time asks, "What do other people DO when they go on vacation?"

6. To celebrate your 50th wedding anniversary, your daughter buys a brick in your names for the River Walk at the GM Renaissance Center in front of the Underground Railway Statue. It reads: ACBL LM Zerrene and Dorsey Brooks. I was West. Not being psychic, I led the 410 to the ace. I won the diamond play at trick two to lead a club to the 8 and queen. Declarer threw a diamond. Now to get our six tricks, partner Eric Leong found the neat play of a low heart to the queen and ace, for a low heart back to the jack. This way, at least, we held declarer to plus 90, critical since there were quite a few plus 110s for North-South. Matchpoints: 17 out of 24.

Check cashing

You can cash a check or purchase bridge bucks each day at 12:00 p.m. at the Renaissance Foyer on Level 4.

The Vanderbilt k

The Vanderbilt champs in 1950 (holding an unidentified trophy) were John Crawford, Sidney Silodor, George Rapee, Howard Schenken and Sam Stayman.

The 1964 winners were Eddie Kantar, Bob Hamman, Lew Mathe, Howard Schenken, Peter Leventritt and Don Krauss. This picture, taken the following year, is a shot of the defending champs, but with a change in the roster. (Standing) Kantar, Hamman; (seated) Mathe, Schenken and Marshall Miles.

The premier event of the Spring North American Championships is the Vanderbilt Knockout Teams. The history of the prestigious contest stretches back to 1928 when the man who invented contract bridge, Harold S. Vanderbilt, put the trophy bearing his name into play.

The winners list is a who's who of bridge, a parade of the titans of the game. As part of the ACBL's ongoing archiving project, photos of some of the winners are included with this history.

The Vanderbilt Trophy

The Vanderbilt Trophy for the Vanderbilt Knockout Teams was donated in 1928 by Harold S. Vanderbilt, who won the event in 1932 and 1940.

The Vanderbilt was contested annually in New York — as a separate championship — until 1958 when it became part of the Spring North American Championships.

Vanderbilt winners receive replicas of the trophy —- a practice initiated by Vanderbilt from the first running of the event and perpetuated by a \$100,000 trust fund administered by ACBL under the terms of Vanderbilt's will.

On display at ACBL Headquarters in Memphis are replicas donated by the families of Caroline Taylor, who won the Vanderbilt in 1928, and Helen Sobel Smith, a Vanderbilt winner in 1944 and 1945.

Monitoring

At this and future North American championships, ACBL will be monitoring NABC+ events with visible, real-time cameras. The images will be recorded and will be available for later official inspection and review.

By general monitoring of the session and participants' behavior, ACBL has another source of information that may be useful in determining facts and settling issues arising from some types of ethical and behavioral complaints or actions. This procedure is intended to assure everyone that the playing field is level and that misbehavior will not be tolerated.

Slow Play

Slow play, as opposed to careful or thoughtful play, is discourteous to your opponents — and to all other competitors as well. Players and pairs who take more than their allotted time are subject to penalty.

In general, pairs who are rarely late will be warned while pairs who are habitually tardy and/or pay no attention to time limits will be penalized.

Bid Box Alerts and Announcements

When using bid boxes, ACBL suggests that players tap the Alert strip and say "Alert" at the same time.

When making an Announcement, use the Announcement word (such as "transfer") and tap the Alert strip at the same time.

A player who Alerts or Announces a bid should make sure his opponents are aware that an Alert or Announcement has been made.

Convention card reminder

Each player is required to have a convention card filled out legibly and on the table throughout a session. Both cards of a partnership must be identical and include the first and last names of each member of the partnership.

If a director determines that neither player has a substantially completed card, the partnership may play only the Standard American Yellow Card and may use only standard carding. This restriction may be lifted only at the beginning of a subsequent round after convention cards have been properly prepared and approved by the director. Further, the partnership will receive a 1/6 board matchpoint penalty for each board played, commencing with the next round and continuing until the restriction is lifted. In IMP team games, penalties shall be at the discretion of the director.

If the director determines the partnership has at least one substantially completed convention card but has not fully complied with ACBL regulations, the director may give warnings or assign such penalties as he deems to be appropriate under the circumstances.

The objective of these warnings and penalties is the encouragement of full compliance with ACBL regulations.

Masterpoint disclaimer

Scores as reported in the Daily Bulletin are subject to change because of score changes or corrections.

Therefore, the masterpoint awards as shown are also subject to change.

Today's Sponsorships and Memorials

This event and the Partnership Desk are named in the memory of **Dottie Morochnick.** Dottie was a Gold Life Master with more than 3,000 masterpoints. She served on the board of the Michigan Bridge Association. She is best known, however, for making a career of being in charge of the partnership desk at MBA sectionals and regionals for what seemed to be forever! She took great pride in putting together successful matches. She was simply a nice person who left people feeling good about bridge and life in general. This event is sponsored by her three daughters and their families and many of Dottie's friends.

The Bridge Connection, located at 20300 W. 12 Mile Road in Southfield MI (a Detroit suburb), has been welcoming players since the summer of 1992. We pride ourselves in being the only full-time bridge club in the greater Detroit area. We hold games seven days a week and are blessed with dedicated and competent directors who have kept our club active and welcoming all of these years. We are constantly striving to make duplicate bridge a fun, yet competitive, event. what were, at the time, extraordinarily well-attended semi-annual Pro-Am events in the Detroit area. When she heard about this sponsorship, in her usual selfeffacing manner, she declined to have her name associated with it, but instead, wanted to recognize the many area "pros" who donated their time and experience to the events. Thank You, Sandy!

Clarice Gordon (1915-97) and **Jack Gordon** (1903-91) were instrumental members of the thriving Detroit-area bridge community for more than 25 years, from the Fifties until the Eighties.

Clarice became a Life Master in 1965 and was an early member of the American Bridge Teachers Association. She taught bridge for the city of Livonia for more than 20 years. She also served as president of the Michigan Bridge Association.

Jack was recruited by Tom Weeks and became a Regional Tournament Director during the 1960s. He always stood out because of his snappy attire and long cigars. Jack became a Life Master in dramatic fashion in 1970 by winning the very first regional event he played in after retiring as a TD (playing with Clarice, of course). The Gordons both loved seeing young people involved in bridge, including son, Robb. But Jack was also quick with a sharp rebuke when some of those young people would become rambunctious (including son Robb!). They were fortunate to be active during a time when bridge was popular among young people and they did their part to contribute to that trend. chief engineer for RCA at age 26. He opened a company, Electronic Sound Engineering, where he designed intercoms and sound systems for church and parochial schools. The first multi-TV cable he invented for high-rise residences is still in use in Chicago. His prized project was safety phones on Chicago's Sears and Twin Prudential Towers. He had patents in 10 countries. In poor health, he left for Las Vegas where about a year later he became an engineer at the Reynolds Missile Base, Henderson NV. He was a good family man, but you could never interrupt him while the "Lone Ranger" was on.

Lotte Lee was born in Berlin and Wayne Lee was born in Lockney TX. Lotte held a B.A. in Political Science and was City Clerk in Richmond IN for several years. Wayne received an MBA from the University of Cincinnati and was a retired Lt. Colonel in the U.S. Air Force. They married in 1972 and were active participants in the Detroit bridge community. They died in 2007 within three months of each other. This event is sponsored by Rosella G and James A. Moody, best friends of the Lees for many years.

We now have newcomer programs that we are expanding, along with teachers who are bringing in new players continuously.

We wish to thank all of our players for their continued support. Please visit our web site at Mibridgeconnection.com. If you have any questions, e-mail us at Mibridgeconn@aol.com or call 248-356-6254. *Linda and Art Golumbia and Betty and Woody Ott.*

Thanks to the Pro-Am Pros. This event is sponsored by an anonymous donor whose original intent was to honor Sandy Goller. Sandy (with the help of Dave Buskirk and the generosity of The Bridge Connection) devoted countless hours to promoting Clarice and Jack are survived by their son Cary and daughter-in-law Dr. Judy Kann of Los Angeles as well as son Robb and daughter-in-law Linda Rokeach Gordon of Sedona AZ.

Harry W. Becker (1913-1990) was the father of Detroit's Rosanne Winokur, Willie Winokur's wife. Becker started out at age 16 fixing radios and became Advance Capital Management is the sponsor of the Schedule and Restaurant Guide found in your registration packet. It is a Michigan-based investment advisory firm that specializes in retirement planning and manages their own family of no-load mutual funds. CEO Bob Cappelli is an ACBL member who, like many of our members, took time off from bridge to grow his business. Bob is the co-chair of the Information Committee for our NABC and when reading the job description that said, "the information chair must know everything" was ingloriously told by his wife that "you finally found a job that matches what you have been telling me for thirty years!"
