# **Meet Your TDs**

This is part of a series of profiles of tournament directors work at the NABCs.

Lots of people like their jobs. Peter Marcus, one of the tournament directors working at the Fall NABC *loves* his – really, truly loves it.

The proof, in part at least, is in how far he

will go to get to work.

For five years until June of this year, Marcus commuted from London – yes, the one in England – to make his TD assignments at tournaments in New England. As of June, when he and wife Gail moved to Dallas, he has been commuting from Texas`to TD jobs on the East Coast. He is paid mileage only from the home he owns in Connecticut, but he doesn't care.

"I like my job," says Marcus, a computer expert who has been responsible for equipment and computer functions at NABCs since 1991. Also, he says, "I have lots of frequent flyer miles."

Marcus was born in Queens NY and attended Wesleyan University in Middletown CT, carrying a double major in math and English. In 1979, he earned a masters degree in computer science from Penn State University.

Right out of college, he went to work for Sikorsky Aircraft in Stratford CT and later for Digital Equipment Corp. As it happened, Digital was located in New Hampshire, and Marcus drove 97 miles each way to and from that job. The pattern was established.

Bridge came into Marcus's life while he was at Wesleyan. One of his housemates was Matt

## Important note

In 2007, Marriott hotels will host each of the NABCs, in St. Louis, Nashville and San Francisco. Smoking is not permitted inside any of these hotels, including guest rooms.

# Goodwill message

As we prepare to leave this wonderful Honolulu NABC, let's all take an extra moment to say "thank you" to our hosts. The hospitality and entertainment have been spectacular.

I look forward to seeing you at the Spring NABC in St. Louis. Aileen Osofsky, Chairman National Goodwill Committee

# 8141 tables in play

The table count of the Fall NABC is 8141 going into Saturday evening's play. The figure after Sunday's events is expected to be about 8500 tables.

# **Aloha**

"I bid you Aloha and have a safe trip home." This is the wish of Tournament Chair Busaba Williams. "Thank you for coming, we wish a good holiday season and we hope to see you in St. Louis in March," she said.

"Planning and working to bring the NABC to Hawaii has given us an opportunity to work together and make new friends," Williams said. "I've never seen an organization like the ACBL that can pull so many volunteers who join together for the love of the game."

There are too many people to list who contributed to make this tournament a success, according to Williams.

"I'm so thankful for the committee chairs and their committee members and all the volunteers," she said.

# Casen, Krekorian lead Herman race

Drew Casen and Jim Krekorian held a small lead in the race for the Herman Trophy, awarded to the player who wins the most masterpoints at the Fall NABC.

Six of the top 10 contenders for the trophy will play today in the Reisinger Board-a-Match Teams, the richest source of masterpoints left in the tournament.

At the end of play on Thursday, Casen and Krekorian had amassed 259.13 masterpoints, putting them just head of Michael Rosenberg (243.06) and Zia Mahmood (232.13). The rest of the top 10 are Claudio Nunes, 221.71; Fulvio Fantoni, 220.92; Ralph Katz, 195.56; Bobby Levin, 195.13; John Onstott, 194.08, and George Jacobs, 181.85.

# Ekeblad takes lead in Reisinger BAM

Ten squads will fight it out today in the two final sessions of arguably the toughest event on the ACBL calendar—the Reisinger Board-a-Match Teams.

Leading the field with two sessions to go was Russ Ekeblad, Chip Martel, Lew Stansby, Fred Gitelman and Brad Moss.

With a carryover of 2.75, they held a one-board lead over the team led by James Cayne: Michael Seamon, Claudio Nunes, Fulvio Fantoni, Lorenzo Lauria and Alfredo Versace.

Nick Nickell and company, winners of the last two Reisingers, were 1.65 boards off the pace.

# Lynch still leading field in NA Swiss

The team captained by Carolyn Lynch, leading after the first day of play, will begin play today with a carryover of 40 victory points, more than a match ahead of second place.

Lynch's team is Dennis Dawson, Eddie Wold, Mike Passell, David Berkowitz and Larry Cohen.

The event concludes with two final sessions today.

In second place, with 19.86 VPs (20-point scale) are Lynn and Dale Johannsen and Marty and Ellasue Chaitt. Only .16 behind them are Jeff Schuett, Dick Bruno, Jeff Fang and David Yang.

# Young Norwegian star has busy life, full plate

If there's one thing Boye Brogeland has learned to do over the past few years, it's manage his time. He has had

Not only is the 33-year-old Norwegian a full-time player—a member of Norway's international team for a decade and a regular at NABCs—but he is also the owner and editor of a bridge magazine back home, and a husband and new father.

The magazine – *Bridge in Norway* – is a full-time job in itself. "It's too much," he says, when you add in the tournament play and the family obligations. He plans to hire an assistant soon to help with the production of the magazine.

The baby-faced Brogeland – he admits to being carded a lot in the U.S. – brought the family – wife Tonje and 18-month-old son Anders – with him to Hawaii, and they enjoyed a break on Saturday.

Brogeland took over the bridge magazine, established in 1975, about seven years ago. It has a circulation of about 2800 and is published six times

a year. Many of the top players in Norway contribute articles to the publication, whose format is similar to that of the Bridge World in the U.S.

Brogeland learned bridge at the age of eight, taught by his grandparents. "I just loved it from the very beginning." He started playing a lot and improved by leaps and bounds. "I just really got the concept," he says.

Ginsberg, a bridge player who later created the highly rated GIB program for playing bridge.

"There were always bridge games in the house," says Marcus, "and I decided to learn."

For many college students, taking up bridge coincides with the end of studying. Not for Marucs. "I was too far along at that point," he

After learning bridge, Marcus realized that he would never be a great player, "but I wanted to be involved in the game, so I concentrated on directing."

Marcus didn't take any courses in directing. He just showed up at a tournament in New England and told the TDs he wanted to learn about what they did. Two of the TDs who helped him initially, he recalls, were Jack Hudgins and Buddy Spiegel.

Finally, after he had absorbed enough directing knowledge, Marcus started getting assignments. Today, he is an associate national director with extended part-time status (working about 220 sessions a year).

All the moving around is because of his wife's job. Gail is the CEO of Caris Diagnostics, a medical pathology company.

When the two of them moved to London, Marcus figured his options were to quit working as a director or figure out a way to be available. "I like what I'm doing enough that the commute is worth it," he says.

Neither he nor Gail plays much – "I think she has .56 masterpoints," Peter says – but he loves the tournament scene, especially the other directors. "They are a great crowd of people, and I like being part of that family."

# Entry fees

Players must be ACBL members whose service fees or dues are current in order to compete in any of the following nationally ranked events: Nail Life Master Open Pairs, Smith Life Master Women's Pairs, Reisinger Board-a-Match Teams, Keohane North American Swiss Teams, Kaplan Blue Ribbon Pairs, Mitchell Open Boarda-Match Teams, Marsha May Sternberg Women's Board-a-Match Teams and the Senior Knockouts. The entry fees for these contests are \$18 per player per session.

Players must also be current ACBL members to play in the Mini-Blue Ribbon Pairs, Miles Non-Life Master Pairs or National 99er Pairs. The entry fee is \$16.50 per player per session.

Regional championships are \$15.50 per player per session for ACBL members, \$17.50 for nonmembers.

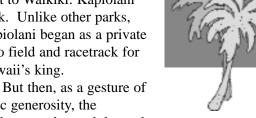

All other events are \$14.50 per player per session for ACBL members, \$16.50 for nonmembers.

# Reisinger final on Vugraph

Plan to watch the finals of the Reisinger Board-a-Match Teams today on Vugraph with expert guest commentary. The event will be held in the Honolulu Suites at 12 noon and 6:30 p.m. It will also be broadcast on the Internet by Bridgebase Online at www.bridgebase.com.

#### Hawaii for Dummies

One of the most beautiful parks in Honolulu is right next to Waikiki: Kapiolani Park. Unlike other parks, Kapiolani began as a private polo field and racetrack for Hawaii's king.

civic generosity, the landowners donated the park to the city in trust for the people of Honolulu. The only proviso was to prohibit any commercial use of the park.

Nevertheless, you will see there the zoo — a very good one, even though you must pay to visit it, and the Waikiki Shell, an outdoor amphitheatre. Not exactly a "free" use, either, but nothing can beat the view of Diamond Head and beautiful, 100-year-old trees.

#### **New Life Masters**

Susan Savage of Sacramento CA earned her gold card in the Friday-Saturday Compact Knockout Teams. Her partner was husband Art, and their teammates were Myrna Laubach and Virginia Bail of Kailua HI.

Nataly Goldin of Auburndale MA is now a Gold Life Master (2500 masterpoints), thanks to her team's win in the Friday-Saturday Compact KO, Bracket 1. Her partner was Lloyd Arvedon of Bedford MA. Their teammates were Stephen Gladyszak of Chelsea MA and Ljudmila Kamenova of Stony Brook NY.

Dr. John Claubaugh of Kaneohe HI earned his gold card in a knockout teams consolation round. He was playing with his wife, Karla, and teammates Jack and Carita Miller of Kailua.

David Logan of Palmetto FL earned enough masterpoints in the bracketed knockout teams to become a Bronze Life Master. He was playing with Dennis Kovach, also of Palmetto. Their teammates were Richard Slater and Susan L'Heureux of Alexnadria VA.

Another new gold-card carrier is **Brian** Smither of Honolulu. He became a Life Master playing on an all-Honolulu team in the bracketed knockouts. His partner was Per Skullestad, and their teammates were Barbara Kim and Marian McLaren.

# **ZT Update**

#### By Paul Cronin

As Recorder for both Unit 166 and District 2, it is an absolute pleasure for me to say that the Zero Tolerance policy, which originated in 1995 here in Ontario, Canada, has had a tremendously positive effect on player behaviour at the club, sectional, regional and national levels of the ACBL, and in many other areas of the world as

Duplicate bridge players now firmly believe that they are entitled to enjoy their game and will not hesitate to call the director to report any behavior that interferes with that enjoyment. In turn, directors who determine that a player=s actions have violated the ZT policy will not hesitate to assign a MP penalty of one-quarter of a board for a first offense, expulsion from the event for a second offense and a disciplinary committee hearing for a third offense.

Can more be done? Of course! And to that end I urge all of you as you play each day in this tournament to make sure that every player treats you with the courtesy and respect due to you, and that you treat others the same way.

When you sit down at a table and say "hello," make sure your opponents say "hello" to you. If they ignore you and continue to discuss a previous hand, interject politely that you would appreciate being recognized.

Don't tolerate criticism or gloating of any kind at the table. Go out of your way to praise the bidding and play of your opponents (but not your partner, as that could be construed as gloating). Don't allow any form of rudeness, and don't give, or tolerate, uncalled for bridge lessons or hand analyses at the table.

"Be nice," says it all, but "do unto others as you would have them do unto you" isn't bad either. Now go do the right thing!

# Handling a bad trump split

Shen Wan and Yihan Xiong bid to an excellent slam and negotiated a 4—1 trump split to help them win the National 99er Pairs on Friday. The deal was from the final session and the hands are rotated.

The 3. bid was a help suit game try. After Xiong heard her partner jump to 4♠, she was able to bid 6 after first checking on aces with Blackwood.

West led the ♥10. Xiong tested the trump suit by playing the AK and then the ace. Making the slam would be easy if trumps split. When they didn't, she had to maneuver a diamond ruff in her hand with the ▲10, finesse for the ▲J and draw the last trump. That was 12 tricks via five spades, three hearts, one diamond and three clubs.

Only two other pairs bid and made 6 so this was worth 6 matchpoints on a 7 top.

# JUST FOR NEW PLAYERS

# Put pressure on your opponents!

By Pat Harrington

Most players can reach their best spot in a non-competitive auction. Competitive auctions are more difficult. There might not be enough room to tell partner everything you have to say. You could end up at the wrong level or even in the wrong suit. So it is to your advantage to put as much pressure on your opponents as possible and to take up as much bidding room as you safely can when you believe that they have more strength than you do. Partner's preempts offer you an opportunity to cause your opponents extra grief.

A preempt is a blocking bid designed to make it difficult for the opponents to communicate. The law of total tricks suggests competing for as many tricks as your side has trumps. With a weak hand, preemptor's partner can apply "the law" to further the preempt and make it even harder on the opponents.

Your partner opens a first-seat weak 2♥, not vulnerable against vulnerable, and the next player passes. Here are two weak hands that you might hold:

**♦**5 ♥9 7 6 2 ♦J 10 9 8 ♣O J 7 6

Believe it or not, I want you to bid 4♥! Partner preempted. Just imagine what your opponents can make. They have a big spade fit and surely have game, and probably slam. Make it hard for them to communicate. You can count on partner for six hearts, and your four bring you up to 10 total trumps, so compete for 10 tricks. You don't mind going down if you can foul up the opponents, and the penalty you pay should be less than what they can make – especially at this favorable vulnerability. Nobody will know if you are bidding 4♥ to make or to steal. It doesn't matter. Partner's preempt put you in charge. Partner is done bidding and cannot be confused. If the opponents are confused, so much the better!

**♦**96 ♥K43 ♦9763 **♣**A764

With only three-card support for partner's six-card suit, you can afford to further the preempt to 3♥, competing for nine tricks. This is not a game invitation. We use 2NT to explore for game after a weak two-bid. You are making it more difficult for your left-hand opponent, who probably has a good hand, to enter the bidding. A weak two is a good start, but it often doesn't take up enough room to cramp the opponents' auction. Your 3♥ raise might do the trick.

You can further the preempt after any level preempt partner makes whether it's an opening bid or a preemptive jump overcall. Just add the number of trumps you hold to the number of trumps your partner's preempt shows (six for a weak two, seven for a three-level preempt, etc.) It's the big trump fit that makes raising partner's preempt safe with a weak hand. Be a little more cautious if you are vulnerable and even more so at unfavorable vulnerability – when your side is vulnerable and the opponents are not – because they might be able to double you and score more than their game is worth.

Here's an example of furthering the preempt in action. What would you do with South's hand? Both sides are vulnerable.

South is probably tempted to bid  $5 \spadesuit$ , but that contract is doomed to fail. The winning call is 4♠, but how could South know that?

less than the

value of a 4 a game for North-South. If East had not furthered the preempt, South could make a forcing 4♦ bid and North could rebid 4♠, no problem.

After you further partner's preempt, your opponents must guess. Sometimes they will guess correctly; sometimes they will guess incorrectly. Just hope that you have done your damage and leave them wherever they land. There is no need to double. It's not your hand.

It's hard to believe the time has come to say farewell to this beautiful island. I hope you had the time of your life! Aloha a hui hou – until we meet again . . .

#### Opening lead: AQ.

**Bidding commentary:** South is not strong enough to bid clubs and North is not strong enough to bid again after South responds 1NT.

**Lead commentary:** Clear cut. The queen is led from suits headed by the Q-J-10 or Q-J-9. If the third card is lower than the 9, fourth highest is led. As an aside, when the response to  $1 \spadesuit$  is 1NT, responder frequently has long clubs.

Play commentary: As declarer, looking only at spades (a big mistake), the proper spade play is to win the first trick with the king and later lead low to the 10 to garner three spade tricks. But at what price?

By going for three spade tricks, you have put the club suit to rest! If West wins the second club, taking dummy's last club with the ace, you cannot get back to your hand to cash your three

winning clubs. You wind up with one club trick instead of four! Best is to win the A and lead the &K.

Even if West expertly wins the second club, you still have the  $\blacktriangle K$  to get back to your precious clubs. Playing properly, you score four clubs, two spades and the top diamonds for eight tricks. If you win the ♠K at trick one and West wins the second club, six tricks!

**Defensive commentary:** When declarer tries to set up a suit in the closed hand (clubs), and dummy has two cards in that suit, a strong defender holding the ace or king does best to win the second round. This may make it difficult for declarer to return to the closed hand to take winning tricks.

# **Boye Brogeland**

Continued from page 1

He has multiple Junior titles in Europe and was rated as the top Junior player in the world from 1996 to 1999. Since 1996, he and Erik Saelensminde, another young player, have been a regular partnership on the team Norway sends to the world championships. They came close to a title in 2001, losing to the Rose Meltzer squad in the Bermuda Bowl in Paris.

Brogeland has played with Australian star Ishmael Del Monte at the Fall NABC.

Last year, Boye and Tonje teamed with Tor Helness and his wife, Gunn, plus Espen Erichsen and his wife, Helen, to field an all-Norway squad in the Mixed Teams at the 2nd Open European Bridge Championships in Tenerife, Canary Islands.

Brogeland says they were all blown away when they finished first. "We had no ambitions," he says. "It was just for fun."

It might have been a lark, but Brogeland says the same sextet will be heading for Antalya, Turkey, next summer to defend their title at the 3rd Open European Bridge Championships.

Back home, the Brogelands live in Flekkefjord, on the south coast of Norway. Tonje, an elementary school teacher, plays bridge online a lot, Boye says, but he prefers to do battle in person. There are lots of weekend tournaments in Norway and about 500 bridge clubs.

The Norwegian Bridge Federation has about 11,000 members in a nation with a population of about 4.5 million. If the ACBL could get the same penetration in the U.S. alone, membership would be well above 600,000.

Brogeland has a college degree in economics, but he can't see himself doing anything but bridge: "I couldn't dream of a better job."

Zia Mahmood and NABC Chair Busaba Williams pose after she drew three names in the raffle for a chance to play with Zia some time next year. Raffle tickets were sold to help raise funds to build a new school in an earthquake-damaged area of Pakistan. The first names selected were, in order, Tommy Latham, White House TN; Barbara Boswell, Cincinnati, and Henri Barki, Westmount QC.

#### Child care

Child care is available daily at the 2006 Fall NABC – from 12:30 p.m. to 5:30 p.m. and from 7:30 p.m. to 12:30 a.m.

There are field trips, pizza parties and sleepovers.

In the second final of the Open BAM, John Lusky of Portland OR, playing with Randy Pickett, used a compound squeeze to validate the rule that "where there's 12 tricks, there's 13." Had this been an IMP game, Lusky would no doubt have settled for 7.4, where the 4K allows East to discard a spade so that a spade can be ruffed, dropping the queen — that extra chance is not available in notrump, but at B-A-M, Lusky was afraid that 7. might lose the board 2140 to 2220.

**Pass** 

5♦

As a sidebar, note how, in the bidding, both East and West were properly aggressive because each was "primed out" — all their side values were aces and kings.

West received the ♥J opening lead; it was natural to win this in the West hand, because that is the hand that must make the most discards, and cannot subject itself to a three-suit squeeze. Now declarer started on the clubs, everyone following to two rounds. Both West and South can easily make two discards — South knows declarer must have 12 tricks not to have claimed, which must be two spades, two hearts, two diamonds and six clubs (if West has four spades including the queen, the 3-3 break will eventually reveal itself; if West has A—Q—x of spades only, West cannot have the ♦ K, as that would be 13 tricks also). So South can afford to throw one diamond and one heart, while West also can spare one diamond and one spade. On the fourth club, North can painlessly throw one diamond.

For fans of Clyde Love's classic Squeeze Play, a compound squeeze is one in which both opponents guard three suits (or might — here, if West discards a second spade at some point, South's \$\delta 10\$ becomes a potential winner). And it is always the next to last "free winner" that forces one opponent to release a guard in one of those three suits ahead of either declarer or dummy, and thus to commit the defense.

Sure enough, here it is the fifth club that puts the screws to South. At the table, South threw a spade, leaving North with the sole spade guard; that allowed declarer to also throw a spade.

North now also had to commit; forced to guard spades, North had to abandon either hearts or diamonds. Based on South's encouraging heart signal, North pitched a heart.

Declarer now must not cash the last club, but play two rounds of spades, leaving North with the high  $\blacktriangle 8$  and dummy with the  $\blacktriangle 4$  as the last two spades in play. Now the last club forces South to yield his guard in one of the red suits; South chose to throw a diamond, allowing West to release a heart; North could afford only his remaining heart at this point in the hand.

As North alone now guards diamonds and spades, the play of the ♥A finishes him off. To avoid making dummy's A4 a winner, North threw a second diamond, and after the top two diamonds were played, the  $\diamond 9$  won the thirteenth trick.

Had the opening lead been a club, there was no defense, because declarer's entry position would have remained intact; as long as declarer understands that the fifth club is the one that forces South to commit, careful play would always produce 13 tricks. But after the heart lead, it turns out declarer actually committed himself at trick one by choosing which hand won the heart. South had to guard spades and hearts, sitting over dummy, and needed to throw a second diamond on the fifth club, while declarer had no good discard; North sits over the diamond length and the AJ. In fact, that is the defense Peter Friedland and I (against only 6NT) were using to hold our opponent to 12 tricks (our opponent actually played the hand less well and made it easy). Deep Finesse agrees: had the ♥10 and 8 been switched. 7NT would be unbeatable.

(1) Explained as a relay to  $3 \clubsuit$ .

**Facts:** The result at the table was 3♥ by West making three after the opening lead of the A. E-W play 2NT as a limit raise or better in hearts. West confused two auctions and provided a mistaken explanation of 2NT without having been asked. The partnership agreement of the 34 bid is that it is a long-suit game try.

**Director's Ruling:** The director found that there was unauthorized information (UI) arising from the incorrect explanation of the agreement. After consulting several players, the director decided that bidding 4♥ was a less successful logical alternative (LA) for East, rather than bidding 3♥, which was demonstrably suggested by the UI. In accordance with Laws 16 A and 12 C.2, an adjustment was made to 4♥ by East, down one for a score of E-W minus 50.

The Appeal: East said that West opened all 11 point hands. 3♣ suggested 12—13 high-card points, since with more, West would have accepted the limit raise. South suggested that East's club fillers made his hand worth a raise to  $4 \heartsuit$ .

The Decision: The committee determined that West's misexplanation constituted UI under Law 16. Since East possessed information suggesting that West might not have a game invitation,  $3 \checkmark$ , as opposed to 4♥, was made more attractive given the form of scoring. So the questions to be answered at this point were whether there was a logical alternative to bidding 3♥ and whether there were any other calls, such as 3♦ or 3NT, to consider as LAs. The panel considered a minimum

**♦**Ax ♥KQ10xx ♦xx **♣**Kxxx where the game would depend on a club finesse. The panel also noted that changing one of the kings to an ace or adding the ◆J would make 4♥ an excellent game. Therefore, the committee deemed 4♥a LA to 3♥.

The Committee: Jeff Goldsmith (chair), Darwin Afdahl, Joann Sprung, Peggy Sutherlin and Jim Thurtell.

**Facts:** The final contract was 5♣ doubled making seven for an E-W score of plus 1150 after the ♥K opening lead. E-W play that the negative double of 1♥ is for takeout and denies four

**Director's Ruling:** The table director, after consultation with other tournament directors, decided that this use of a negative double is not Alertable, per ACBL regulations. If it is not Alertable, then the failure to Alert it is not an infraction, and there is no misinformation (MI).

The Appeal: N-S appealed on the basis that they believed that this interpretation of the regulations was incorrect.

**The Decision:** It is not normally within a committee's scope of authority to interpret the Laws and Regulations. However, Laws 92 and 93 required the committee to consider the appeal. The committee believed that its options were to (1) agree with the director's interpretation, or (2) to resubmit the issue to the tournament directors for reconsideration of their previously stated interpretation.

The majority of the committee concluded that the ACBL regulations do not require Alerts for this negative double. The wording of the regulation suggests that an Alert is only required for highly unusual meanings of a double. The committee majority decided that this was not a highly unusual meaning of the negative double of  $1 \, \mathbf{v}$ . Accordingly, the committee did not resubmit the issue to the directors, but merely affirmed the decision that there had been no infraction.

The committee also felt that this was an appropriate matter to forward to the ACBL for a definitive statement.

Committee Members: Jeff Goldsmith (chair), Darwin Afdahl, Joann Sprung, Peggy Sutherlin and Jim Thurtell.

This deal was played in the semifinal of a Bracketed Knockout Team game. Your opponents are world-class players Geir Helgemo and Tor Helness. They both pass the first round of bidding, and then they bid to  $4 \blacktriangle$  after a competitive auction.

You lead the ♥A and see the West hand as dummy. At the table, South switched to the ♦A and led another diamond won by the king as declarer discarded a heart. A low spade was led from dummy to the queen, king and it's your play. Would you win or would you duck?

That's a trick question because it's too late – the contract can no longer be defeated. If you win or duck, declarer has a choice of plays to make the contract.

South realized later that he could set the contract by continuing with a heart at trick two. Declarer has to ruff it in dummy and when South regains the lead, he can lead a third round of hearts. This establishes his  $\blacktriangle 9$  as the setting trick. How would you have defended?

West led the ♠6, which Kovachev ran to his contract. He played a heart to the 10 and jack, and back came a trump to the queen. Kovachev led a second heart to the queen and ace, West discarding a club—surely indicating longer clubs than diamonds and the clue to the winning play. East switched to a diamond, the queen winning. Kovachev cashed the ♠A, then played the ♣A and ruffed a club to remove East's exit card. Now he cashed the last trump.

East, down to  $\forall 8 6 5$  and  $\bigstar K 9$ , was squeezed. If he pitched a heart, declarer could play the ♥K and another heart, win the diamond return and cash the established heart. So East pitched a diamond. Kovachev then cashed the ♦A and exited with a low heart. East won but had to lead from the ♥8 6 into declarer's ♥K 7 to give the contract. Nicely done.

# NABC Diary

Jerry Helms and Ed Schulte were playing in the Fast Open Pairs the other day. That's the game with 11 minutes per round - and penalties for slow play.

At one point in their

game, Helms and Schulte got behind, arriving at their next table in a rather frazzled state.

A woman at the table looked at the two harried players and said, "Boys, this is the Fast Pairs, not the Frantic Pairs."

#### Birthday, the movie

On the day of a significant birthday, a wellliked tournament director awakens in Punxsutawney PA, where his ruling at the table in a break-in-tempo case is overturned by an appeals committee day after day after day. Starring Arnold Schwarzenegger as Rick the TD, Sylvester Stallone as the appeals committee chair and Don Rickles as the appellant. Directed by Ed Wood.

#### The phone call

Meeting Planner Jeff Johnston answered his cell phone on Saturday. On the other end, a woman was speaking.

"Did you know," she inquired," that on the second Thursday of the NABC, families out in the real world get together for a big meal - and the next day everyone goes out to the malls for lots of shopping? It's amazing."

So who was that caller? It was former Meeting Planner Nancy Foy, who enjoyed Thanksgiving Day at home with her family for the first time in many, many years.

#### Overdressed

Two couples visited the concierge at the Hilton Hawaiian Village for some dinner recommendations. The young woman listed a few choices, and was asked about how one should dress for the restaurant that sounded best.

The concierge looked over the guys, both wearing sports shirts, casual slacks and running

"In Hawaii," she said, "you're good for a formal dinner."

#### One to go

Linda C. Wong of Poughkeepsie NY is in Hawaii playing bridge at the NABC. Friends know that Wong is on a quest to play bridge in each of

the 50 states. She has been to Hawaii many times, so the visit to the NABC was not part of her mission. In fact, there is only one state – South Dakota –left on her list, and she intends to play in a tournament there next year.

#### **Aussies in Hawaii**

About 30 Australians are playing in Hawaii, encouraged by the cheaper air fares and shorter traveling time. Among them are five partnerships sponsored by OzOne, a scheme funded by an Australian bridge player who has made a highly successful career from gambling.

The five OzOne partnerships are Sartaj Hans-Tony Nunn, Paul Marston-Mike Prescott, Zoli Nagy-Bob Richman, Kieran Dyke-David Wiltsire and Peter Gill-Paul Gosney, with captain Paul Lavings.

OzOne has a special group called OzKids, allowing younger players to receive coaching and support, take part in many of the training and practice activities, and play on team with OzOne partnerships.

#### An Aussie revisits Hawaii

Paul Lavings was in Hawaii in 1983. At the time, he ran a weekly Thursday night youth game, featuring a short talk then a bridge game, with \$2 table fees. The young players' bank account built up nicely and the New South Wales Bridge Association matched the funds dollar for dollar to send a team of six young players to Hawaii. They had the time of their lives.

On this visit, the U.S. Customs officer asked Lavings a lot of questions about his occupation. The U.S. government is using a new technology to fingerprint all visitors, but there was a problem with Lavings. He has no fingerprints. A lifetime of playing bridge and sending many thousands of emails in his second-hand bridge book business has smoothed out his finger tips.

#### Clarification

The following was attached to a deal written up by Allan Falk the other day:

"In Thursday's Daily Bulletin, my lovely wife was quoted as saying she is thankful for me (among others). The cognoscenti surely realize that the editor, out of Thanksgiving kindness (for which I am indeed thankful), beneficently declined to insert (?!?)."

For the record, it never occurred to the editors to do so. If Jacqui likes Allan, that's good enough for the editors.

# It's a Teddy!

The Japanese Contract Bridge League has provided a number of teddy bear key chains for the tournament. If you visit the Partnership Desk and are matched up with someone - and the two of you scratch in your event, go back to the Partnership Desk, and each of you will receive a key chain.

# Section tops

Prizes are given to players who top their section or win events. These can be picked up at the section top desk, manned by Dick Towne and his group of volunteers. The desk is open 11:30 a.m. until 12:30 p.m. and again at 6:30 p.m. to 7:30 p.m. The prize desk is located outside the Coral Ballroom near the escalators to the IN area. ## Cold slam?

On this deal from the first qualifying session of the Reisinger Board-a-Match Teams, South plays 6♠ after East has made a weak jump overcall in hearts. Declarer ruffs West's lead of the ♥A. At both tables, declarer played two rounds of trumps. One declarer bizarrely ruffed another heart, took the club finesse and was forced to ruff a third heart – down one as West now had a trump trick.

♦ KQ974 ♣ J86

John Armstrong took a losing club finesse, and back came a club. It was easy then to draw trumps and cash winners for plus 1430 and a winning board.

A more challenging defense would be for East to play the ♥K after winning the ♣K, forcing declarer to ruff. He is down to the ♠J facing the  $\triangle Q$ , and West has the  $\triangle 10$  4. No worries – all the winners stand up. Declarer may cash the A, then run diamonds through West, or he may just cash the ♥Q and two clubs, then play diamonds. Everything works.

If West could find a low heart lead, declarer would go down if he drew two rounds of trumps – now he can be forced without establishing the ♥Q as a winner.

If declarer cashed two clubs before playing on diamonds, West ruffs the fourth diamond and, though that is overruffed, declarer has no way back to hand without losing a trump trick. If declarer retained the \*J in hand, West pitches a club on the fourth diamond, ruffs the fifth diamond, and again makes the  $\blacktriangle 10$  at the end.

Declarer can succeed by drawing only one trump (the king or queen) before losing the club finesse. Now he can ruff the heart return, cash the A and run diamonds through West. He can overruff, then get back to hand in trumps to draw the last spade and cash his remaining winners.

So the slam is cold – if West is allowed to find the low heart lead, declarer is allowed to play only one trump. Fair enough?

#### Monitoring

At this and future North American Championships, ACBL will be monitoring NABC+ events with visible, real-time cameras. The images will be recorded and will be available for later official inspection and review.

By general monitoring of the session and participants' behavior, ACBL has another source of information that may be useful in determining facts and settling issues arising from some types of ethical and behavioral complaints or actions. Please summon a director if a problem occurs at the table.

This procedure is intended to assure everyone that the playing field is level and that misbehavior will not be tolerated.

Declarer went up with the king, Mizel dropping the queen, and played a spade.

declarer chickened out of the first-round finesse. She won the ace and played the  $\mathbf{AQ}$  – low, low, king. West cashed the ♦J, then played a club to the jack and ace, and I played the ◆A to put declarer in hand as West discarded a club. That would have been good enough had declarer been 5=2=2=4, but as it was, a club to the 10 provide an entry for the trump finesse.

Both defenders missed a chance. East followed to the first club with the 2, showing an odd number, so West could have ducked the \*K, won the next round and returned a club to the ace. Now the ♦A ensures three down. But I could also have saved the day. After West had won the first I should duck the \$J, win declarer's club exit and play the ♦A for down three.

# **NAP/GNT** conditions of contest

The North American Pairs and Grand National Teams were created initially with the expectation that players would play in and represent the districts in which they lived. They were to be "grass roots" events.

Over the past several years, implementation of this original intent has become increasingly difficult. This is especially true in the top flight of the GNT as expert partnerships are established over increasingly large geographical distances.

Partnerships in all flights were also affected mostly where districts abut one another.

In an effort to restore the integrity of the original intent to these two great events, the ACBL Board of Directors, after lengthy and extended deliberations over two years, has approved for implementation the following

Effective July 1, 2006 for the GNT 2006/2007

Effective April 1, 2007 for the NAP 2007/2008 event.

**GNT:** A member's principal physical residence as of Sept. 1 of the year prior to the National Final shall establish the district in which said member is eligible to participate beyond the club qualifying stage, if any.

**NAP:** A member's principal residence as of June 1 of the year prior to the National Final shall establish the district in which the member is eligible to participate beyond the club level, if

In order to ensure that each participant at the unit or district level understands that a participant is affirming his or her eligibility, entry forms for unit and district finals should include the following statement: "By entering this event, I hereby certify, subject to penalties provided in the Conditions of Contest for the event and the ACBL Code of Disciplinary Regulations, that I am eligible to play in this event in this district."

It is expected that there will be virtually no exceptions to the residence requirements for participants in this event. A player seeking an exception must obtain permission in writing from the ACBL District Director representing the district in which the member has a principal residence and from the ACBL District Director representing the district in which the member wishes to play.

Both District Directors must approve the request for the exception to be granted. The player must begin this process by April 1 of the year prior to the National Final for the NAP and by July 1 of the year prior to the National Final for the GNT.

An ACBL Credentials Committee (CC), composed of ACBL Board members, has been established to clarify in which district a player is allowed to participate when said player's eligibility is in question. When a challenge to one's eligibility from a unit final stage or later stage has been made, the CC may request documentary evidence from the member whose eligibility is in question. If a member is unable to verify to the CC's satisfaction that he or she is playing in the district of principal residence, the CC shall automatically disqualify the member and his or her partner and teammates (if the event is

When a member is disqualified by the CC, the CC may refer the matter to the ACBL President. Upon such referral, the ACBL President may make charges to the ACBL Disciplinary Committee in accordance with section 2.2.3 (d) of the ACBL Code of Disciplinary Regulations.

The ACBL recognizes that implementation of these measures may inconvenience some members who were granted exceptions for previous events. The general consensus, however, is that implementation and

strict interpretation of these measures is necessary to restore the initial intention ("grass roots") and, therefore, integrity of application of the conditions of these events.

The shuttle to the Ala Moana Shopping Center run from 5:30 p.m. to 7:30 p.m. Wednesday. It departs from Tapa Tower

at the Hilton Hawaiian Village bus loading area.
