Zero Tolerance helps ACBL Online to grow

Kent Burghard, ACBL online program manager, displays a screen that shows how online bridge is presented during play.

The ACBL online program is making great strides. IMP and matchpoint games are offered every day, special events are in the works and masterpoints are awarded at the same rate as club games.

Kent Burghard, ACBL online program manager, believes that policies involving Zero Tolerance and cheating have had much to do with the early success of the program.

"There have been lots of comments about rudeness and bad behavior on online services," said Burghard. "On ACBL online, you call the director when someone is rude. Almost all our directors are regular ACBL tournament directors, and they know how to handle situations like these. Misbehaving players are given a warning the first time. If the bad acting continues, they can lose masterpoints and possibly even be ejected from the game. The ultimate penalty is loss of membership with no return of membership fee."

What about online cheating? There's been a lot of talk about this ever since online bridge started.

"We haven't had any complaints yet," said Burghard. "Perhaps that's because all our tournament hands are played only once and everybody plays them at the same time. However, we investigate any results we feel are too unusual to let go by, whether there are complaints or not. If we find something that seems questionable, we bring it to the attention of some experts who check, the situation. If we ever find

Time to sign up for WBF Transnational

Here's your chance to play in a world championship event, watch the best players in the world compete in the Bermuda Bowl and the Venice Cup and see one of the most beautiful places in the world all at the same time. Sign up for the Lippo Bank 3rd Annual World Transnational Open Teams that will take place in Bali from October 28 to November 2, 2001. There is no quota.

This event starts out in a Swiss Teams format. After 15 matches over four days, the top four teams move into the knockout phase, playing semifinals and a final to determine a champion.

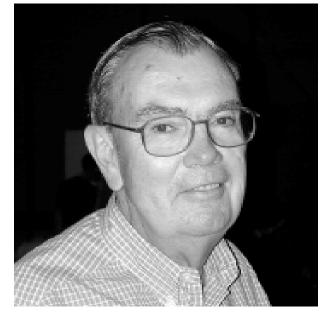

The Transnational is open to teams nominated by their national bridge organization and approved by the WBF Credentials Committee. ACBL members should apply to their national organization and also contact Rena Hetzer at ACBL Headquarters. Rena can be reached by snailmail (2990 Airways Blvd., Memphis TN 38116), by email (rena.hetzer@acbl.org), by phone (1-901-332-5586, ext. 307) and by fax (1-901-398-7754). Applicants should include the names of the players on the team plus their ACBL numbers, home addresses and phone numbers.

Bali is a delight as will be attested by anyone who was lucky enough to attend the World Junior Team Championships there in 1995. There is so much to see – it could take as many as four days to see most of the island's fascinating sights, like the cave temple that is filled with bats, the monkeys that come right up to you and grab whatever food you have in your hand and the women with huge baskets of fruit balanced on their heads.

The championships will be held at the Bali International Convention Center in Nusa Dua, which is on the southern tip of the island. Many five-star hotels are located nearby. Also nearby are good restaurants, an excellent shopping area, a championship golf course, entertainment and other recreational activities.

Air transportation from North America is available on several airlines. Flights go directly to Denpasar .

Ryder tops 10,000

Robert Ryder of Caldwell NJ became an ACBL Grand Life Master when he topped the 10,000-masterpoint mark by coming in eighth overall in Wednesday's regional Open Pairs.

Ryder, a retired consulting actuary, has two North American championships to his credit: the Open Pairs in 1969 and the Senior Knockout Teams in 2000. He won the 1997 *Senior Player of the Year* contest and earned the George Burns Senior Trophy.

At a reception in Ryder's honor during the Spring NABC in Reno in 1998, Zeke Jabbour offered this tribute to his friend: "I never dreamed that I would cross a continent to, of all places, Reno NV, to pay tribute to a one-armed bandit." Ryder has only one arm.

Garner-Weinstein lead

Steve Garner and Howard Weinstein have a lead of slightly more than two boards going into today's two final sessions of Open Pairs II. Oddly enough, the top five scores were posted by East-West players. Garner-Weinstein earned 2204.21 matchpoints, followed by David Lehman-Dick Melson, 2080.00; Martin Fleisher-Debbie Rosenberg, 2070.90; Brad Moss-Fred Gitelman, 2048.62, and Geoff Hampson-Eric Greco, 2042.36.

Vanderbilt matches end in wee hours

What a night! Two Vanderbilt quarterfinal matches finished just barely in time to make our Daily Bulletin deadline.

What happened? The boards were distributed to the wrong tables for the third quarter in both the Jacobs-Rosenkranz and the Nickell-Meltzer matches. All four tables played the 16 boards and then the teams got together to compare results. They soon discovered that each pair had played a different set of boards.

What happens then? Well, there's no way those boards can be salvaged, so all four teams had to sit down at about 11:00 and replay the third quarter. The fourth quarter got under way just before 1:30 a.m.

Great! But who won?

The Russian-Polish team captained by Aleksander Grumov had to come from far behind (down 56 after 16 boards) to oust Billy Eisenberg, 183-165. Gromov closed to within 18 at the half and cut the margin to just 2 IMPs going into the final 16 deals.

The Andrew Robson team, which is really the Rita Shugart squad, led all the way against Steve Robinson, winning 154-93. Robson was named non-playing captain after he was severely injured in a fall over a Continued on page 6

Sanborn-McCallum lead Women's Pairs

Kerri Sanborn and Karen McCallum, renewing a partnership that won three world women's titles and several North American championships, have a half-board lead going into today's two final sessions of the Women's Pairs.

Sanborn-McCallum won the Venice Cup in 1989 and 1993 and the World Women's Pairs in 1990. They tallied 1647.80 matchpoints in Thursday's qualifying sessions and were closely followed by Sylvia Moss-Judi Radin with 1625.97, Hjordis Eythorsdottir-Valerie Westheimer, 1599.67; Susan Wexler-Margie Gwozdzinsky, 1551.72, and Cynthia Balderson-Carole Miner, 1541.04.

anyone to be guilty, we will notify the ACBL Club Department and the player's home unit."

ACBL online offers three to five masterpoint games per day – some IMP and some matchpoint. So far the average game draws about 20 tables.

Burghard feels the convention card facility is "short of where we want to be. Adjustments are being made. We are always looking for what's not up to par and taking steps to make it better."

The North American Online College Championship this spring will be the first use of the team software. An e-Bridge major pair championship is in the works. Another plan for the future is to allow online competitors to play the same hands at the same time as players at an NABC.

At present there are approximately 1000 members playing online – about half from ACBL and about half from e-Bridge. Because of the increased interest, additional directors are being trained to handle the games. Also planned for the near future are limited masterpoint games to be run at the same time as open pair games.

The points awarded for online games are unpigmented. There is no limit on the number of points that can be earned online. However, only one-third of the points required for the next level may come from points earned online.

See you online soon.

Back in 1980 he was a winner in the North American <u>Swiss</u>

What's your strategy?

You're playing in the Vanderbilt against a good team, it's the final quarter and you're down by 22. Along come these three hands, all of which are potential swings. How do you take advantage of your chances to make some big gains?

Attendance report

A strange phenomenon has occurred in connection with attendance at Kansas City 2001. The table count has risen each day.

Here are the day-by-day totals: Thursday 281.5, Friday 838, Saturday 967, Sunday 968.5, Monday 971, Tuesday 976, Wednesday 1005, Thursday 1016.5. If a few more folks drop in for some weekend bridge, we still may make it to the 10,000 mark.

The total to date is 7023.5 tables, still well behind Kansas City 1993, which was at 7464 after Thursday.

Honor your partner

Bv Mark Horton

Mark Horton is an English bridge journalist who discussed "How to be a good partner" at the World Junior Bridge Camp in the Czech Republic.

Consider your partner to be a friend. Treat your partner well, even (especially) if you are playing together for the first time. Always offer your partner a drink -- tea or coffee is a good starting point. This will lead to a relaxed atmosphere, enabling you both to play your best. By the way, always be a pleasant and cour-

Tolerate errors. Never go on about partner's mistakes -- just forget about them and move on to the next deal. You may be able to make a constructive comment at the end of the session. Your partner will surely show you the same consideration.

Be encouraging. Always be prepared to support your partner -- "well played" always goes down well and a "thank you" for the dummy does not go amiss. In one of my partnerships, if dummy was exactly what was needed, "mille grazie" would let partner in on the good news!

Keep a straight face. Never make the mistake of pulling a face or raising an eyebrow. Apart from hurting your partner's feelings, being deadpan does not let your opponents know that something may have gone

Win or lose, always stay calm at the end of the session and thank partner for the game. This is especially important if things have not gone so well. In my most successful international partnership, the first time we played together was absolutely hopeless but we

Coping with disaster: The best way to cope with the inevitable disasters is to laugh them off. This tends to disconcert even the best opponents who are used to seeing their opponents argue.

Conventions: Stick to the ones you both feel comfortable with. A player trying to remember some convention he is not familiar with will make errors in other departments.

I recently played in a tournament in the Netherlands with a strange partner. We would have won but for a couple of expensive mistakes when I forgot a couple of things because we were playing some conventions I was not familiar with.

Who's the boss? In most partnerships, one player tends to be regarded as the boss. If you are the stronger player, go out of your way to make life easy for your partner: make easy-to-understand bids, leads and signals. Don't land your partner in a tough contract -- well, not on purpose.

Have fun! You are both out to enjoy yourselves. If your partner leaves the table feeling happy, you have done your job. Of course you want to win but that objective should not mean spoiling the game for your partner or the opponents.

Victors in the 0-2000 Knockout Teams, left to right, were Ahmed Sorathia, Jim Glickman, Marc Glickman, Howard Einberg and Subba Ravipudi.

A family affair

Marc Glickman of Los Angeles learned bridge from his mother, later got some good advice from his older brother Steven and still later picked up some pointers from his younger brother Robert. He also learned a lot by reading Alfred Sheinwold's *Five Weeks to Winning Bridge*. That all led up to playing on a team with his father and winning the 0-2000 Knockout Teams here Wednesday.

Marc just turned 18, but he already has a bridge

history. He was fifth in the Rookie of the Year race last year and he is a national head caddy.

He's 18 and he got pointers from his *younger* brother? That's right. Those who have seen Robert play say that he's got a chance to be one of the greats. He apparently has great natural talent.

In addition to his father Jim, Marc's teammates were Ahmed Sorathia, Howard Einberg and Subba Ravipudi, all of Los Angeles.

Keith Garber had a spade stopper, so he bid 3NT. Actually 12 top tricks are available, but few pairs found a way to bid the slam. So it all came down to trying for the 13th trick. Not surprisingly the opening lead was a spade to Keith's ace. He ran the clubs and carefully pitched two hearts from his hand after getting rid of his other two spades. This kept open the possibility that diamonds would break 3-3.

But look what running the clubs did to North. He was forced to come down to six cards. He had to keep all four of his diamonds, so he had to discard two hearts. Since he held both the $\P Q$ and the $\P 10$, dummy's $\P 9$ suddenly became Keith's 13^{th} trick..

Larry Cohen, right, and Patron Member Howard Einberg of Los Angeles came in third in their section in the opening night Educational Foundation Stratified Pairs. Einberg, who won the drawing for a game with Cohen, commented, "He had all the tough hands—I seemed not to have the decisions to make. Playing with Larry was one of the good things about being a Patron Member. The reservations and (delivery of) Daily Bulletins are nice but they're not the reason I joined. I like supporting the ACBL."

Once again, NABC is truly international

As usual, players from many countries have traveled here to take part in the North American Bridge Championships. At the latest count, 21 countries besides the basic four that make up North America are represented here.

The countries: Japan, Sweden, Italy, England, Trinidad, the Netherlands, Norway, Russia, India, Pakistan, Poland, Korea, Germany, France, China, Australia, Austria, Switzerland, Iceland, Jamaica and Israel. Strangely enough, so far we've discovered no players from South America.

A little luck

Joan Jackson had a three-loser hand and needed only a little help from partner Petra Hamman to score up a vulnerable game.

(1) Jackson-Hamman play four-card majors, so a 4-4 heart fit is unlikely.

The contract can be beaten off the top $- \clubsuit A$, $\bigvee A$ K. In fact, underleading the $\bigvee A$ would result in a two-trick set.

South, however, led the \triangle A and Jackson ruffed. She drew one round of trumps and led a low club. "I was trying to do everything before they had a chance to signal," she said. South hopped up with the \triangle A and returned the \triangle 10. Even if she had cashed the \triangle 4, North would perforce have played the \triangle 2 and South might not have continued the suit.

As it was, Jackson won dummy's \$\,\delta J\,\delta\text{drew the last trumps and ran her clubs, pitching hearts from dummy.} She lost the \$\,\delta A\ \and \$\varphi A\ for plus 600 and 47.5 out of a possible 51 matchpoints.

A little later, both players were able to appreciate the power of a long, strong suit.

Once again, the contract could have been set off the top but North led a club. Hamman won dummy's ace, cashed two top diamonds (pitching her losing hearts) and gave up a club. She won the trump return, ruffed a club and cashed the \mathbf{Q} , pitching her last club. Plus 980 was good for 39 out of 51 matchpoints.

6NT by East is arguably a better contract and any non-spade lead gives East her 12th trick -- a club lead gives her two club tricks, a diamond lead gives her four diamond tricks and a heart lead sets up her ♥K.

On a spade lead, East has 11 top tricks – seven spades, three diamonds and a club -- and chances for a 12th in any one of three suits.

West North East South $3 \stackrel{\clubsuit}{\bullet}$ $3 \stackrel{\blacktriangledown}{\lor}$ Pass ?

Bobby Wolff was somewhat conservative over the preempt, bidding only 3♥. At this point, Wolff figured the opening bidder had seven clubs and opener's partner probably had three. Since he had two, that left only one for his partner. So he went on to 6♥. Wrong! This was partner's hand:

- ↑ J 5 ▼ A Q 6 4 ↑ K J 6 5 3 ↑ 6 2
- The defense had no problem cashing two clubs to set the slam one trick.
- 2. Your partner opens the bidding with $1 \spadesuit$ and you hold:
 - ↑ –♥ Q 7† A J 9 5 4† A K Q J 6 2

Wolff thought the chances were good that partner's hand would fit his – and he also thought a grand slam might make even if his side was off the ♥A. If the opponents led a non-heart, the clubs would provide a parking place for hearts. So he bid 7♦. Wrong! His partner had a nice hand:

↑ A Q 8 2 ♥ A K 6 4 ↑ Q 10 8 3

Clearly everything depended on the location of the trump king. It was offside. Down one.

- 3. Wolff was going to be on opening lead, and this was his hand:
 - ↑ J 6 3 2 ▼ K 10 ↑ 3

♦ 986432

This was the auction, with Wolff sitting West:

			1NT
Pass	2♣	Pass	2♦
Pass	3NT	All Pass	
337 10	C.1 1, 1	.11 1	41 4 44

Wolff thought about clubs, but he saw that it was necessary for partner to have three with the remaining clubs 2-2 with declarer and dummy. So clubs was not a likely source of tricks. The best shot appeared to be hearts, where he had a couple of cards that could help partner. So he led the \(\nabla K\). Wrong! This was the full deal:

↑ K 10 8 5 ♥ Q J 9 4 ↑ A 9 7 3 ↑ J 6 3 2 ♥ K 10 ↑ 3 ↑ 9 8 6 4 3 2 ↑ Q 9 4 ♥ A 7 6 ↑ K Q 10 8 2 ↑ K Q

On the heart lead, declarer had five diamonds, four hearts, a club and a spade for 11 tricks. On a club lead, partner Joe Chorush can win the ace and continue the suit, setting up clubs. The defense wll get in with either the $\P K$ or the A and run the clubs.

Wolff went wrong on all three and lost 42 IMPs. How did you do? Did you tighten up the match, or did you fall further behind the way Wolff (and your editor if he had been playing) did?

The result in the match was that Wolff and his teammates were looking for different games to play in the next day.

For I/N director Alice Kinningham of Denver, the North American Bridge Championships are literally a family affair. She is shown here visiting with her brother, Wayne Weaver (left), and husband, Wayne Kinningham, who are playing in the I/N games.

The Facts: 3♠ went down two, +200 for N/S. The opening lead was the ♣K. The Director was called at the end of play when the 2NT bid was described as natural. N/S said that there was no agreement that the bid showed the minors. South said that he knew the agreement was natural, but that he could always bid minors later if he needed to. West said that he would not have bid 3♠ if he had known that South had the minors. The Director allowed the table result to stand.

The Appeal: E/W appealed the Director's ruling. North did not attend the hearing. West thought 2NT was natural, so spades would have been onside. If he had suspected that 2NT was minors, he would fear that any missing spades were over him and would not have bid 3.4. South knew that 2NT was supposed to be natural, but he didn't care. He thought that nothing bad could happen; he planned to run to clubs if doubling started. South said that 1.4 - 2.4 - 2.4 - Dbl was responsive.

The Committee Decision: The Committee decided that N/S had no agreement that 2NT showed the minors and that South had taken it upon himself to bid 2NT with this particular hand. Therefore there was no misinformation. The Committee also observed that West had an automatic 3♠ bid no matter what 2NT showed. Even if 2NT was minors, there didn't have to be a trump stack behind West. No good player (which West was) could possibly sell out to 2NT or three of a minor with this particular hand, containing a known nine-plus-card spade fit, not to mention a prime opening bid. The Committee therefore allowed the table result to stand. N/S were told that if this sort of thing happened again it would constitute an implicit agreement requiring an Alert. Since West had such a clear 3♠ bid, he should not have come to Committee to try to get something to which he clearly was not entitled. E/W were each assessed an Appeal Without Merit Warning

Appeals Case 4

Subject: Tempo

Event: NABC Open Pairs I, March 16, First Quali-

fying Session Bd: 12 Zeke Jabbour Dlr: West **♦** Q Vul: N/S **♥** J 9 8 5 2 ♦ K9653 **♣** K 6 Bill Pollack Mark Feldman **♦** K 8 **♦** J 6 4 3 **♥** 10 7 6 3 **♥** Q 4 **♦** 10 7 4 **♦**82 ♣ QJ92 87543 Don Rumelhart **↑** A 10 9 7 5 2 ♥ A K ♦ A Q J ♣ A 10 West North East South Pass Pass 2***** Pass Pass 2 (1) **Pass** 2**♦** Pass **4♥**(2) Pass 3♥ Pass 4NT **Pass** 6♥

(1) Alerted; no questions asked, showed an ace or a king or three queens. 2♥ would have denied as much (2) Break in tempo

The Facts: 6♥ made six, +1430 for N/S. The opening lead was the \blacklozenge 8. The Director was called after play ended. E/W said there had been a break in tempo before the 4♥ bid. When asked, South agreed that the break had occurred. The Director ruled that the hesitation had suggested further bidding and that pass was a logical alternative. The contract was changed to 4Ψ made six, +680 for N/S.

The Appeal: N/S appealed the Director's ruling and were the only players to attend the hearing. South had taken about 5-6 seconds to bid 4♥. Since North held 6 HCP more than he had shown, including second-round control of both unbid suits and the queen of the strong 2♣ opener's primary suit, they considered it automatic for North to continue over 4♥.

According to the N/S agreement, the initial $2 \blacklozenge$ response was automatic showing at least a king and forcing to game. $2 \blacktriangledown$ would have been negative, 2NT balanced and $3 \spadesuit$ or $3 \blacktriangledown$ would have promised at least two of the top three honors. South bid $6 \blacktriangledown$ over 4NT because he did not want to risk the possibility of North's passing a $5 \blacktriangledown$ response, which would have shown two or five keycards.

The Committee Decision: The Committee was divided upon whether South's taking 5 or 6 seconds to bid over 3♥ constituted a break in tempo for this auction. South could not be expected to plan his third bid over all likely responses to 2♣. Nearly every hand containing the great strength for a 2♣ opening is likely to need to take at least a few seconds more than the "normal" 2 to 3 seconds before making what might be the last bid in the auction.

However, even if it was accepted that South broke tempo before bidding 4♥, the hesitation did not demonstrably suggest that North bid on. South would often be thinking about what strain to suggest. 3♠ and 3NT would have been very common alternatives to the 4♥ bid that South chose. On this actual hand, South was considering whether to bid 3NT.

The Committee agreed with N/S that the North hand contained substantial undisclosed values and that passing 4Ψ was not a logical alternative. The Committee restored the table result of 6Ψ made six, +1430 for N/S.

Attendance report

A strange phenomenon has occurred in connection with attendance at Kansas City 2001. The table count has risen each day.

Here are the day-by-day totals: Thursday 281.5, Friday 838, Saturday 967, Sunday 968.5, Monday 971, Tuesday 976, Wednesday 1005, Thursday 1016.5. If a few more folks drop in for some weekend bridge, we still may make it to the 10,000 mark.

The total to date is 7023.5 tables, still well behind Kansas City 1993, which was at 7464 after Thursday.

Bull picks 6 teams for Final Four

In a bizarre organizational accident (which hasn't happened in the United States since the 1994 Alburquerque Rosenblum), the boards were intertwined between the Nickell v. Meltzer and the Jacobs v. Rosenkranz matches in the third quarter of the quarterfinal of the Vanderbilt The players were asked to replay 16 boards, so play did not finish until after 3:30 am. Last night the Bull questioned whether Bridge could survive the war between its various level administrators. Tonight the Bull is truly saddened -- he had thought he should be worried about problems more complex than passing out the boards.

The Bull ambled off to Plaza III for a wonderful vegetarian dinner while he tried to properly digest the problem that confronted him --- how to pick the Vanderbilt semifinals when the quarterfinals weren't over yet. Faced with an apparently insoluble dilemma, the Bull was 2-0 with two rain delays in the quarterfinals as the Bulletin went to press. In a last-ditch attempt to go 4-0 prognosticating the quarterfinals, the Bull decided to go with the information he had. So in an unusual Final Four, the Bull is picking six teams to play the semifinal.

Original #12, now #4 Gromov v. either #1 Nickell or original #8 Meltzer

Gromov did not stay on the free agent market for long as another American sponsor turns foreign in the Toronto Spingold. The great Red Bears Gromov-Petrunin, and the double world champions from Poland, Balicki-Zmudzinski, continue their roll to the final. Meckwell, HamWay (used to be Wolff in there somewhere) and Nicky'n'Dickie have the best record in the history of the American Majors all-time. But today it's a Bear Market as Nickell is upset by 1 by Gromov. It's the same upset story if it's Gromov v. Meltzer as Kyle Larsen-Rose Meltzer, and Stansby-Martel with Retro Sontag-Weichsel grab a quarterfinal bye in the 2001 U.S. Team Trials. But they bow out to the Red Hot Eastern Europeans by 2.

#3 Robson v. either #2 Jacobs or original #10, now #2 Rosenkranz.

The Bull feels confident that a captain named George will face Rita Shugart who truly has an amazing record, this time without her fave pard Andy, but always with the Helgy-Forrester partnership which has shown the world how incredibly great they play. A double snort to Bruce Ferguson on showing the world he can play straight down the road. If Shugart plays Rosenkranz, Dr. Jorge-Mohan-Lev, and Gawry-Pszczola, then the extra quarter takes its toll as Shugart beats Rosenkranz. It's the opposite if the World Champion Italians and Jacobs-Katz play Shugart as Versace-Lauria and Bocci-Duboin defeat maybe the world's best female player. Jacobs over Shugart by 6.

New Life Master

NANCY GORDON of Penn Valley CA had been trying for months to get that elusive last half a gold point. Yesterday was her day - she and Roger Keely of Los Molinos CA had 63.6% in the first session of the Senior Pairs, and that was worth two and a half golds. Nancy is here because she and Roger qualified to play in Flight C of the North American Pairs this weekend. Nancy's team also is a finalist in the District 20 Grand National Teams competition. Nancy and Roger live two hours apart, but they play together twice a week. On Tuesdays she drives an hour and a half and he a half hour to Chico. On Fridays Roger does the long drive to a different club.

cliff in England and became too incapacitated to come to Kansas City.

Now the late matches. In the battle of the Georges, Rosenkranz came from behind (down 5 with 16 boards to play) to defeat Jacobs, 120-118. It was a strange ending – both teams thought they lost and congratulated each other. The Kansas City recount showed Rosenkranz on top.

Nick Nickell and Co. had a rough time against Rose Meltzer but finally made their way to the semifinal, 135 - 125.5
