Aileen Osofsky congratulates Zeke Jabbour.

Goodwill honors Jabbour, Mahaffey

"Good will is important," said Zeke Jabbour as he was honored last night at the Goodwill Committee get-together. "I think good will is crucial to the future of bridge – yes, even to the future of the world." Jabbour earned his kudos with his achievements, his personality, his goodwill.

Jim Mahaffey, who has done much for the Junior program and for bridge in general, also was honored – he was made an honorary member of the Goodwill Committee by Goodwill Committee Chairman Aileen Osofsky.

Committee members paid tribute to the memories of Harry Lampert and Peter Mollemet, who died recently. Malcolm Brachman, who will celebrate his 78th birthday soon, is not well, and the committee has sent him a Get Well message. On a much more positive not, Hugh Ross has let us know that he is doing well, although he may not return to the bridge table.

Jordan named Goodwill Member of the Year

The National Goodwill Committee yesterday honored Harold Jordan of Wilmington DE as the Goodwill Member of the Year. Unfortunately Jordan had a previous commitment – he was running a major charity event last night – so he couldn't be present to accept the honor. But there was still a major celebration in his honor. The local folks who attended last night's game threw a big party for him at precisely the same time that Goodwill Chairman Aileen Osofsky was making the announcement here.

"I cannot express how humbled I am by my selection for this honor," said Jordan." I wish I could have been with you in Orlando, but I have a 36-table charity event to take care of tonight."

The Delaware State Bridge Association (Unit 190) has made tremendous gains since Jordan was elected president six years ago. The driving force behind all initiatives has been Jordan, according to Kurt Engleman, current unit president. The unit has the distinction of having the greatest membership growth in the ACBL last year.

"Jordan quickly recognized that our unit was

Winners of the Victor Mitchell Open Board-a-Match Teams: seated, Peter Bertheau, Christal Henner-Welland, Fredrik Nystrom; standing, Mike Kamil, Fulvio Fantoni, Claudio Nunes.

Bertheau squad rides huge set to BAM win

With a session to go in the Open Board-a-Match Teams, the sextet captained by Peter Bertheau was well off the pace, lying in 22nd place. Thanks to a massive final set – they scored 21 out of a possible 26 – the team emerged as winners, edging the Roy Welland squad on the last round. The final margin was less than half a board.

The winners are Christal Henner-Welland and Mike Kamil, Swedish stars Bertheau and Fredrik Nystrom and Fulvio Fantoni-Claudio Nunes, members of the winning Italian team in the justcompleted World Bridge Team Olympiad in Istanbul.

In second place was the team that included Henner-Welland's husband, Roy Welland. His teammates were Bjorn Fallenius, Zia Mahmood, Michael Rosenberg and Polish stars Adam Zmudzinski and Cezary Balicki.

With a round to go, the Welland team was in first place by .30 points, just ahead of the Joe Grue squad. Bertheau was in third place, .52 out of first.

Jim Sternberg, center, presents the Marsha May Sternberg Trophy to the winners of the Women's Board-a-Match Teams named in his late wife's honor. With Sternberg are, from left, Jill Levin, Debbie Rosenberg, JoAnna Stansby, Hansa Narasimhan, Sue Picus and Irina Levitina.

Narasimhan squad tops Women's BAM

Captain Hansa Narasimhan of Los Altos Hills CA led five established stars to a strong victory in the Marsha May Sternberg Women's Board-a-Match Teams championship. Narasimhan's teammates were Irina Levitina of Fair Lawn NJ, Debbie Rosenberg of New Rochelle NY, JoAnna Stansby of Castro Valley CA, Jill Levin of Bronx NY and Susan Picus of New York City.

They were in front by almost two and a half boards. In second place were JoAnn Sprung of Philadelphia, Pam Wittes of Venice CA, Renee Mancuso of Los Angeles, Kathleen Sulgrove of Twinsburg OH, Peggy Sutherlin of Dallas and Karen Allison of Las Vegas.

Another board and a half back in third place were Valerie Westheimer and Judi Radin of New York City, Shawn Quinn of Richmond TX, Mildred Breed of Austin TX, Stasha Cohen of Glen Ridge NJ and Cheri Bjerkan of Elmhurst IL.

Narasimhan learned bridge in India, and her team won the India women's championship just before she moved to the United States 15 years ago. She played with Levitina, whom she terms "a great player." They trained regularly on BBO online, carefully going over each hand after each session. They did this three or four times a week. She also practiced with Stansby, who called Narasimhan "a natural for the game. She has shown rapid improvement."

Stansby and Rosenberg partners as were Levin and Picus.

All five of Narasimhan's teammates have long histories of triumphs at the world and North American levels.

Attendance hits 7900

So far we have had 7900 tables in play at this tournament, and there are still six days to go.

Play or defend?

By Michael Rosenberg

I was having dinner with a friend after the second Board-a-Match qualifying session, and we were going over the hands. "Board 23 was a dull push for us," he said. "Four spades making in both rooms."

"I guess it was no problem after a heart lead," I said. Then quickly covering the Deep Finesse analysis result, I asked, "Would you rather play or defend four spades?"

He thought a little and replied, "Play, obviously. Even on a trump lead, declarer wins the second trump and runs diamonds to pitch a heart."

This is the deal:

Board 23	♠ A Q J	
Dlr: South	♥ A Q J 10 8	3
Vul: Both	♦ J 3	
	♣ Q J	
↑ 7 5 3		♠ K 8 6 4 2

♣ A K 10 8		4 7 2
	▲ 10 9	
	♥ K 7 4 2	
	♦ Q 9	
	♣ 96543	

"And what if North ducks the first trump?" I asked.

"Oh! You're right! I guess I defend."

"But did you notice the club position?" I went on. "Declarer can cash clubs to discard a heart while North is ruffing with a trump trick."

"Oh! You're right! I guess I play."

"Unfortunately you go down.," I said. "North ruffs the club, then underleads his heart to partner who gives him another club ruff with the ace. Then the spade 10 is the setting trick."

"Oh, so you can't make," he said.

"Are you kidding?" I exclaimed. "Four spades is cold!"

"But how?" he asked in exasperation.

"All East has to do is duck the king of spades. Now the defense is left without recourse."

Of course, if North's spades were the ace-king-jack, then North could always defeat four spades – by playing the AJ at trick one. But how many players would think of that?

Suit preference

By Barry Rigal

Using a suit preference signal can make a difference in your matchpoint score. Watch what happens on this deal from the second final session of the Life Master Open Pairs as Mark Aquino and Jonathan Green defend a doubled contract. Aquino and Green finished second in the event.

Green led the ♣A and Aquino followed with the jack. Green got the message and underled his ♥A-Q to Aquino's king. That unblocked the suit. Aquino returned a heart to the queen and Green cashed his ♥A as Aquino pitched a club. When Green led his last heart, declarer called for dummy's trump 8, but Aquino was able to overruff with the 9. Declarer guessed the spade situation correctly, but plus 300 still was worth 81 out of a possible 90 matchpoints

Junior shines

When Richard Pavlicek and Rich Pavlicek Jr. won the Life Master Open Pairs, they became the first father-son duo ever to achieve the feat.

As expected, when asked for key deals from the event, Dad focused on young Rich. Here are two examples of the fine play by the younger Pavlicek that contributed significantly to the victory. Both come from the first final session.

West led the ♣2 - "attitude" - and Rich took the queen with his king. At trick two, he played a spade to dummy's jack, then called for the ♠Q, covered by the king and ace as West tossed a low heart. A spade to the king was followed by the ♠8, 10, jack, ♣5. Now came the ♥K, a heart to the ace and a diamond to the 6 as West, clearly in trouble, tossed another club. On Rich's last diamond winner, West threw yet another club. Reading the situation accurately, Rich exited with the ♣10 to West's jack. After cashing the ♣A, West had to lead from his ♠Q into Rich's tenace. Plus 660 was a tie for top.

Two boards later, Rich had a chance to shine on defense – and he took it.

East-West can make slam in three denominations — clubs, diamonds and notrump — but the play is not trivial. In the slam bid against the Pavliceks, Rich made a play that caused declarer to take his eye off the ball, with fatal consequences.

Rich led the ♣6, taken in dummy with the ace. Declarer immediately played a diamond to the queen – and Rich ducked. With a peek at all the cards, declarer would simply have cashed the ◆A and exited with a third round of the suit. He would then have had ample entries to dummy to ruff the clubs good and claim his slam.

When the ◆Q held, declarer reentered dummy by playing the ▲10 to the queen, and when he played a diamond to the jack, Rich won the king and exited with the ▲8. That was it for the slam. Communication between the East-West hands was completely messed up, and the best declarer could do from there was two down.

On the Excellent Qualities of Zeke Jabbour, Bridge Player

(with no apologies whatsoever to W.S. Gilbert)

If you want a receipt for that popular mystery Known to the world as that fellow, Jabbour Take all the remarkable players in history Total them up and then add a few more.

The pluck of the Vanderbilt changing the scoring, The genius of Watson divining a hand. The wisdom of Woodson that all are ignoring. The play of Goren so carefully planned.

The pride of Passell, and the reasoning of Robinson, Coolness of Kasle, the wonder of Wold, The greatness of partnerships, Meckstroth and Rodwell, And Soloway resolute chasing the gold.

Take Crawford whose bids were too much for the layman, Add Easley Blackwood and Gerber and Stayman;

Then throw in the ladies, especially the best of them, Mary Jane Farell and all of the rest of them. Sweetness of Temper, distill and refine: Josephine, Helen and Sylvia Stein.

Take of the greatest the best that is feasible; Melt it down in a pipkin or crucible Set it to simmer and take off the scum, And a man named Jabbour is the residuum.

If you want a receipt for that bridge-playing paragon, Get at the judgment of Crane if you can; The glory of Spaniards when playing for Aragon Humor of Omar devising a plan.

Take Kaplan and Sheinwold, and Fry on finesses, The class of Mark Lair and the ring of a Bell; And Moyse who could almost eliminate guesses, And Hayden and Seamon, the flair of Weichsel.

The grace of a Hamman, whom no one displeases; And Ely and Oswald and Clyde Love on squeezes.

The style of a Rosenkranz, Schenken a touch of him Little of Coffin, but not very much of him Mark Itabashi and Phileas Fogg; Hamilton, Baze and the Hideous Hog!

Take of these elements all that is fusible; Melt them all down in a pipkin or crucible. Set them to simmer and take off the scum; And a man named Jabbour is the residuum!

suffering from the plight of an aging membership, few new members and stagnant games," said Engleman "Jordan used his creativity, knowledge of the game and technical expertise to address these issues."

Jordan's initial efforts focused on improving the quality of local games. He first authorized the acquisition of a Duplimate machine to pre-duplicate boards for every game. Then together with National Tournament Directors Millard Nachtwey and Doug Grove, he devised web movements for every number of tables possible. These movements create greater board duplication when there is a large number of tables – thus the results are more representative. Now everyone plays the same 26 boards and gets hand records. The game averages 30 tables a week plus a newcomer section of from eight to 10 tables.

The newcomer section is another story. When Jordan became president, there were no Intermediate/Novice sections at the local games. So Jordan asked Tom and Alexis Cicontes to teach beginner bridge. He found a good location for the teaching, and he convinced the unit to underwrite athe initiative by supplying bidding boxes, cards, tables, compensation, etc. Jordan also provided technical support with ACBLscore and he posted scores on the website. He even baked banana bread for the students.

As a result of Jordan's leadership, the unit has supported 300 students, roughly half of whom have become ACBL members.

Jordan didn't stop at the unit level. He and Susan Corbett were tournament chairs for the Wilmington Regional.

His technological expertise and creativity know no bounds. He designed and maintains the Unit 190 and the Bridge Studio websites.

Jim Mahaffey accepts his Goodwill honor. He is flanked by Jayne Thomas, left, and Aileen Osofsky.

Zeke Jabbour

Don Rumelhard, a friend and partner for 30 years, recalled his first meeting with Jabbour. Barry Breakey asked Rumelhard to play with this new partner. "Who is they guy?" asked Breakey.

"Don't worry, he can play," said Rumelhard.

"Where's he from?"

"Ann Arbor."

"Ann Arbor! I know everybody who can follow suit in Ann Arbor, and I've never seen this guy before."

"Don't worry, he can play."

Rumelhard then added, "Well, after 30,000 masterpoints, a first place in the Barry Crane competition and numerous national and regional victories, including two world medals, the jury is in – he can play."

Rumelhard further pointed out that Jabbour has other talents – creative home builder, organizer and performer in the theater and an active politician who was known as the kingmaker.

Brent Manley, executive editor of The Bridge Bulletin, said that one of his pleasures as editor was to be the first to read each of Jabbour's submissions.

Suddenly attention was directed to the back of the room where Kojak, aka Bill Schoder, retired national tournament director, was at the piano. He played a few bars, and then Gersh Morningstar, who used to work with Jabbour in the theater, started singing. It was a song he wrote just for Jabbour – you can find the lyrics in the column on the left.

Jabbour's wife Sharon said that lots of people call her Lucky – "Zeke's the reason for that," she said. "Zeke puts a smile on the face of bridge."

When Jabbour took the podium, he was quick to say, "Lucky! You know who's the lucky one in this family." He told he how overwhelmed he felt at receiving this honor.

Jim Mahaffey

Mark Lair told about his first "game" with Mahaffey.

"Tom Mahaffey, Jim's father, thought his son and I would make a good partnership. We had a great dinner and then we spent four hours going over our conventions and agreements. Then on the day of the game we spent another 90 minutes refreshing our understandings.

"Then I went across the street to buy the entry – it was a little before one o'clock. When I got to the playing area, I was informed that the game started at 12:30. I pleaded with them to let us play, but it was no go. So we played in a couple of side games.

"But Jim had a problem – he couldn't understand how a pro could forget to buy an entry."

Back in the Eighties, Mahaffey noticed the dearth of young players, Paul Soloway pointed out. "Jim funded a scholarship foundation and then kick-started our Educational Foundation."

Goodwill Message

How pleasant it is to hear a player call, "Director, please" — instead of an anguished "DIRECTOR!" Why not extend that courtesy to our caddies? Don't you think "Caddy,

please" has a rather nice sound.

Remember that Orlando is the first NABC for some of our players — and it's also the first NABC

for many of our caddies.

Perseverence pays off

By Lynn Berg

On a day when the Daily Bulletin showed the champions of the Life Master Pairs winning 125 Masterpoints, Jerry and Rochelle Goldstein were thrilled to win their very first point.

The Wellington FL couple have gone to some trouble to get here: Jerry has a motorized scooter and has trouble getting around. They played Friday and Saturday in the 0-20, Bridge Plus+ and 0-5/20 games without scratching, but they love the game and stayed on.

the game and stayed on.
On Sunday, they
attended Marti Ronemus' Easybridge! class with 63 others, and then stayed for the 7.5-table game that followed. Patience and perseverance paid off: the Goldsteins won a point.
And ACBL benefited, too. Jerry was already a member, and Rochelle was so excited by their success that she joined, too.

Rochelle told TD Judy Cotterman that they had to go home "just when we started a winning streak," but they were trying to figure out how to stay or to come back again. That's as big a success for ACBL as that 125 points won elsewhere in the building.

Using bid boxes

The use of bid boxes at clubs and tournaments has become quite standard, but if you're new to duplicate, bid boxes may also be new to you.

Here are some tips:

- Decide on your call before you touch a bid card. Don't think with your fingers decide whether you're going to bid 2♠ or 3♠ before you reach for that bid card.
- Look at the bid card before pulling it completely out of the box. You'd find it hard to convince a director that you inadvertently pulled the "Pass" card when you meant to bid $6 \spadesuit$.
- Display your bid cards neatly left to right in front of you. If all four players do this, a complete record of the auction is displayed.
- Conclude the auction properly by placing your "Pass" card on the table.
- Even when the auction has concluded, don't rush to gather up your bid cards and place them back in the box. Many players find it helpful to let all bid cards remain on the table until North has recorded the final contract and the opening lead has been made.
- Try to avoid inadvertent calls. What is normally a clear situation with spoken bidding becomes somewhat hazy when bid boxes are used.

The Laws reads: "Until his partner makes a call, a player may substitute his intended call for an inadvertent call but only if he does so, or attempts to do so, without pause for thought."

An inadvertent call is inadvertent if — and only if — it was a "slip of the fingers," the bid box equivalent of a "slip of the tongue." You reached for the 3 & card but the 3 \(\ \) card accidentally came out.

In these situations, the correct call may be substituted without penalty. A player who calls attention to the inadvertent bid as soon as he notices what he actually pulled from the bid box has done so without pause for thought, even if some time has elapsed.

This is the "oops" rule: with spoken bidding — you would have said, "Three clubs — oops, I meant three diamonds." With bid boxes, you may say, "Oops" and substitute the 3♣ bid card for the 3♠ bid card.

West leads the A. Plan your defense as East.

The bidding was normal. West showed his two five-card suits but was outbid by the opponents.

Sitting East (it's hard to believe that you are going to be the hero on this deal, isn't it?), you start a high-low in spades to show your doubleton. Partner cashes the **AK** and leads the **AJ** which you ruff.

It may be tempting to return a club, a suit partner has bid, but partner has warned you not to lead a club. His return of the AJ, an unusually high card in a suit where he had a choice of spades to lead, is a suit preference play.

Partner is asking you to return the higher-ranking side suit (diamonds). Alternatively, the return of a low spade would ask you to return the lower-ranking side suit, clubs.

It is not for you to reason why, it is for you to do or die. When you return a diamond, partner ruffs and you are a hero.

Point to remember: When giving partner a ruff, you will have a choice of cards to lead. The card you select will be interpreted as suit preference.

A good partner will return the suit you ask for. Therefore, do yourself a favor and ask yourself which suit you really want returned. If you don't and things go wrong, it's on your head.

Actor in new role as tournament director

By Lynn Berg

Pass Phil Gillis in the hall or a playing room, and you might assume you are seeing a tournament director or some other bridge notable. Tall, dignified, carefully turned out in a blue blazer, starched shirt and hand-tied bow

tie, Phil has considerable presence.

Look again and make eye contact, and you realize that you are meeting someone keenly interested in people and curious about how things work.

Which explains why a 79-year-old retired lawyer and actor is here in Orlando to take the club director course as well as the Teacher Accreditation Program (TAP). Phil and his wife, Teresa, came from Detroit, she to play bridge and Phil to attend courses.

Phil learned to play the game 70 years ago. He was ill, confined to bed, and a friend of his father gave him an Autobridge set. Four years later, still intrigued with the game, he played with his father at a high school bridge party.

Sixty-five years later, Phil remembers the first hand he and his father bid. It seems Dad was a proponent of the "Boulder Dam System," a quicktrick, counting approach with lots of jump bids.

Phil went on to practice law in Detroit and began making commercials and local-set movies in the Detroit and Pontiac areas. Eventually he played small parts in movies in Hollywood. His interest in bridge while on location in New Zealand for a movie about Hercules led him to play in a dozen different New Zealand clubs.

In Orlando, Phil is "impressed with the ACBL materials" of the courses he attended as well as with the "high quality of service and careful work of the ACBL professionals."

He capped a busy day of course work with observation and going on the floor as a director for part of the afternoon session in the 0-300 games.

Suit combinations

By Barry Rigal

Some suit combinations don't seem to offer much scope for machination. Look at Board 3 from the second qualifying session of the Board-a-Match Teams.

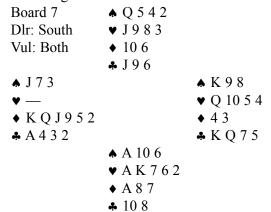

Board 3 **A** A 9 4 Dlr: South ♥ Q J 4 **♦** 10 5 Vul: E-W ♣ A K Q 3 2 **♠** J 5 3 2 ♠ Q 8 7 6 **♥** A 7 **♥** K 9 6 5 3 **♦** 9 4 2 ♦ A 8 6 ***** 8654 ***** 9 **∧** K 10 **♥** 10 8 2 ♦ KQJ73 ♣ J 10 7

You play 3NT as North. The Q-J-4 opposite the 10-8-2 looks as if it is worth one trick however you slice it: yes or no?

At some tables the contract was 3NT. East led a heart to the ace and 4. Back came a heart to the queen and king and hearts were cleared. Declarer cashed a bunch of side-suit tricks, and eventually the defense took the •A. Yawn?

Well, consider what happens if North smoothly deposits the queen and jack under the king and ace. Now East has to weigh up whether West has ♥ A-7-4 or ♥ A-7 and a key control in either clubs or diamonds – in which case he should duck. If he falls for the bait and ducks, declarer has an 11th trick – together with a board-a-match win and an aggravated opponent!

Here's another interesting deal from the same session along the same lines:

How many spade losers do East-West have in their diamond contract? Well, it looks as if you have two if you are a good guesser, three if you are not. This was the bidding:

West North East South

1NT

3 ◆ Pass Pass Pass
On the ♥8 lead to the king, ruffed, declarer led a top diamond, ducked. South won the next diamond and carefully exited in diamonds.

Declarer won and cashed three clubs, ending in

hand to reach this ending:

A Q 5 4 2 ▼ J 9 ◆ — ♣ — A J 7 3 ▼ — ◆ 9 5 ♣ 2 A A 10 6 ▼ A 7 6 ◆ —

Now declarer led a low spade toward the dummy, intending to put in the 8. Declarer knew South would be endplayed. So did North, who hoped his partner held A-J-10, in which case he would be a hero by playing the queen. No such luck – declarer covered the queen with the king and lost only one spade trick. South had to lead a spade back to the 9 or play a top heart, letting declarer ruff and cross to dummy in clubs for a spade discard on the Ψ Q.

Blue Ribbon Pairs: a prestigious event

Last year first-time partners Michael Seamon and Geir Helgemo led the Edgar Kaplan Blue Ribbon Pairs after the semifinal round and again when it counted: at the end of the final round.

The pair's 1825.36 matchpoints was almost two full boards (51 was top) ahead of runners-up Eric Greco and Geoff Hampson, who posted 1730.30.

The Edgar Kaplan Blue Ribbon Pairs ranks with the Life Master Pairs as one of the most prestigious — and toughest — pair events on the ACBL calendar. Like the LM Pairs, the Blue Ribbon Pairs is played over three days and includes two qualifying, two semifinal and two final sessions.

Entry is restricted to winners and runners-up in regional championships — plus high finishers in North American championships, members of current Grand National district championship teams, members of current official teams representing ACBL and the top 100 lifetime masterpoint holders.

The Blue Ribbon Pairs was renamed the Edgar Kaplan Blue Ribbon Pairs in 1999 to honor one of bridge's all-time great players, writers, administrators and the authority on the laws of the game.

Kaplan (1925-1997) won his first North American championship in 1953 — the Vanderbilt — and his last in 1997 — the Open Swiss Teams at the Spring NABC in Dallas.

Kaplan was recognized as the world's foremost authority on the laws of duplicate and rubber bridge. He became co-chairman of the ACBL Laws Commission in 1978 and was co-chairman of the WBF Laws Commission at the time of his death.

He was named ACBL Honorary Member in 1993. In 1995 he was inducted into the ACBL Bridge Hall of Fame and the WBF Hall of Fame.

The trophy

The event is contested for the Cavendish Trophy, awarded for the National Open Pair Championship and donated by the Cavendish Club of New York in 1928. Since 1963, the trophy has been awarded to winners of the Blue Ribbon Pairs.

TOURNAMENT APPEALS

In order to keep the bridge public informed of appeals results in a timely fashion, the NABC Daily Bulletin staff publishes write-ups. Every effort is

made to ensure that these reports are accurate and complete. However, before they are published in the NABC Appeals Casebook revisions may be made.

(1) Agreed-upon break in tempo.

Facts: The director, who was called after the 5 ♦ bid, determined that the double was preceded by an extended break in tempo of about 25 seconds. The STOP card had been used prior to the 3 ♣ bid. North-South play 15-17 1NT. North-South had not discussed whether 3 ♥ was forcing, but both treated it as highly constructive. East-West play DONT over opponent's 1NT opening bids.

Director's Ruling: The director ruled that the break in tempo suggested doubt about the double of 5♣, which in turn suggested that 5♠ would be a more attractive alternative for South, as pass is a logical alternative to bidding 5♠. Hence, the result was adjusted to 5♣ doubled, plus 750 for East-West.

The Appeal: South disagreed with the director's finding that pass was a logical alternative – especially against top-level players.

The Decision: The committee considered many typical North hands and estimated that pulling the double would produce a better result than passing a little more than half the time. However, this clearly did not make passing an illogical alternative. Since the slowness of tempo suggested that bidding was more attractive than passing, the committee determined that South must pass. The play in 5♣ would easily achieve 11 tricks and no more. Therefore, the adjustment of the board's result to plus 750 East-West was made.

The committee determined that North-South were experienced players and should have been familiar with Law 16, Unauthorized Information, which governs situations such as this. The committee decided that the appeal was without merit

Facts: The last four cards in declarer's (West's) hand were ♣K Q 8 and ♦6. The ♦6 was the only remaining diamond in play. South still held three clubs and the \$10 and North held the \$A. The play had gone: ♥J led and won, heart to the ace, ruffed. ◆Q, losing to the king. ♥K, winning, declarer pitching his \$9. Another heart, ruffed by the \$5, ♣9 and ♣J. Declarer played a diamond to South's ace. North ruffed a diamond and played another heart, ruffed by the A. At this point, West put the ♣K and ♣Q on the table, and after a brief pause placed the \bullet 6 and the \bullet 8 on the table sequentially. Declarer did not immediately make a statement and a discussion arose. The director was summoned. West told the director that the diamond was good and that he would know about the bad club break when North failed to follow, in which case he would be unable to pick up the trump.

Director's Ruling: The director ruled that under Law 70D, which governs contested claims, the play of the ♣8 before the ♦6 would have been careless or inferior, but not irrational for a declarer who had made no statement about trumps. Therefore, the declarer awarded the final two tricks to North-South by forcing the lead of the ♣8 at trick 12. Down four, minus 800 for East-West.

The Appeal: East-West said that when declarer put his cards on the table, South kept stating that the losing club had to be played first and did not give West a chance to state the order of play. So, the East-West appeal was based on their perception that South had deprived West of the opportunity to make a timely statement and on their belief that the order in which West placed his cards on the table manifested his intent to play them in that order.

The Decision: The committee determined that since declarer had not made an oral statement of claim, his actions may be decisive. The committee believed that declarer's play of the cards in the order he did manifested his intent to make his claim based on that order of play. Playing two high trumps, an off-suit winner and then the final trump is sufficiently unnatural for it to manifest declarer's intent to base his claim on the play of the cards in that order. Had he thought his whole hand was winners, he would likely have placed all the cards down at once or placed the clubs down first and then the diamonds. Therefore the committee awarded only one of the last two tricks to North-South. Result: East-West minus 500, North-South plus 500.

Convention card reminder

Each player is required to have a convention card filled out legibly and on the table throughout a session. Both cards of a partnership must be identical and include the first and last names of each member of the partnership.

If a director determines that neither player has a substantially completed card, the partnership may play only the Standard American Yellow Card and may use only standard carding. This restriction may be lifted only at the beginning of a subsequent round after convention cards have been properly prepared and approved by the director. Further, the partnership will receive a 1/6 board matchpoint penalty for each board played, commencing with the next round and continuing until the restriction is lifted. In IMP team games, penalties shall be at the discretion of the director.

If the director determines the partnership has at least one substantially completed convention card but has not fully complied with ACBL regulations, the director may give warnings or assign such penalties as he deems to be appropriate under the circumstances.

The objective of these warnings and penalties is the encouragement of full compliance with ACBL regulations.

Bridge Today Daily - Crocodile Tears

By Matthew Granovetter

This deal from the Open and Women's Board-a-Match Team game (second qualifying session)) brought tears to the eyes of a few Souths.

If North had led a spade, the defenders would have scored the first two tricks and eventually a diamond trick to defeat 5♥. Then there would be no story. At several tables, the opening lead was the ♣3, a natural singleton lead. At one table in the women's event, Sue Weinstein (West) won the club lead in dummy, drew trumps and led the ♠A and ♠6. South played the queen under the ace, but North played the 9 on the 6, and South had to win the trick with the jack. South was endplayed, forced to lead a black suit to declarer's advantage. Making 11 tricks.

To defeat 5♥, North had to make the famous Crocodile Coup play, going up second hand with the ♦K to swallow her partner's jack. You would think in Florida that players would be on the look-out for this play, but the truth is Florida has very few crocodiles – the creatures that float around in the lagoons here are alligators!

In the Open Board-a-Match Teams, Hugh Brown (West) found a fantastic way to avoid giving his opponents the chance to execute the Crocodile. Brown won the club lead in dummy, and drew seven rounds of trump! This was the position when the last trump was led:

On the lead of the ♥5, diamonds were thrown around the table. Notice that South could not discard a spade or a club. He had been squeezed down to one diamond on that last trump. Brown then was able to cash the ◆A, extracting South's last diamond, followed by a club to the king and the ♣J, endplaying South to lead from the A-Q of spades at trick 12.

This triple-squeeze strip and endplay was beautifully handled, and, though I won't say it left South in crocodile tears, I will say South was impressed enough to show me the deal for today's Daily Bulletin.

Why he plays bridge

William Ezell of Fort Myers FL and Des Moines IA dropped by to let us know he had become a Bronze Life Master (more than 500 points). In the course of the conversation, Ezell said that he started taking a major interest in bridge when he read an article that told how bridge can keep the brain cells busy and possibly ward off Alzheimer's.

Ezell didn't start playing until he was 66 – he said he was intrigued by some people he met who played bridge. "When I played the first time, it was instant addiction."

The best way to get around – rent a car

The Marriott World Center is a terrific resort hotel and nearly ideal for an NABC, but with the golf course and development around the hotel, players will not be able to walk to nearby restaurants if they choose not to dine in any of the fine restaurants in the hotel. Minimum cab fares to restaurants will be about \$12, so with the great values available with rental

cars, we strongly urge you to rent a car and take advantage of the free parking offered by the hotel to bridge players.

For your convenience, Enterprise Rent-a-Car is located in the South Tower and is offering a 15% discount off their already low rental rates for bridge players. Stop by or contact them at house extension 85241. Hours are 8-6 on Friday, 8-2 on Saturday, 9-1 on Sunday and 8-5 Monday - Thursday.

1ST MONDAY BOARD-A-MATCH TEAMS

Lampert books

Get your limited copy of Harry Lampert's latest books – for your own library or as gifts – while quantities last. *The Fun Way to Serious Bridge* and *The Fun Way to Better Bridge* are available at the ACBL Product Store.

Baby photo winners

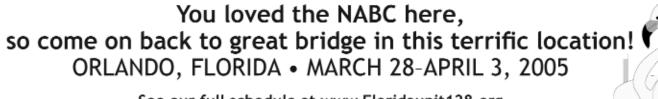

Identifying the baby photos proved to be a tough task. Randy Pettit and Carol Clifford were the winners of \$25 certificates good at any TGI Friday's in the country. They did their best, but they were able to identify only nine of the 16 photos.

So don't even think about getting them all correct. Just try your luck in the next contest and maybe you'll be a winner.

End the year in style: Do the Charleston

The Mid-Atlantic sponsored its first Christmas/ New Year's regional two years ago in Charleston, S.C., and it immediately became the ACBL's most popular holiday event. We'll be back Dec. 27 through Jan. 2.

Charleston's historic center is about a 15-minute drive from the North Charleston Embassy Suites, our host hotel. You'll have plenty of time to enjoy the warmth, charm and award-winning cuisine in the heart of an old Southern city.

Our host hotel has been sold out for several weeks, but a Hilton Garden Inn is less than two blocks away and offers a free shuttle to the convention center, which is attached to the Embassy Suites. Call (843) 308-9330 and ask for \$79 bridge rate, which includes continental breakfast.

Regional chair: Lindsey Butler (843) 881-0818, blindsey730@aol.com.
