

# Daily Bulletin

80th Fall North American Bridge Championships

**Editors: Brent Manley and Paul Linxwiler** 

## Chairman thanks players, staff as tourney concludes

When asked about his impressions of the San Francisco NABC, Tournament Chairman Bruce Blakely was proud to report "Everyone seems very happy."

Blakely himself has reason to be happy with the hugely successful tournament, in which the attendance greatly exceeded expectations. Blakely cited factors such as a good location, nice hotel, plenty of things to do within walking distance of the site and an enormous variety of dining options nearby.

The dedication of the San Francisco staff was another contributing factor to the success.

"The entire volunteer team did a fabulous job," Blakely said. "Katherine

Ewing, the registration chair, and her husband, Scott, worked day and night to get the registration packets together. Cindy Kirk, the tournament secretary, pulled her weight no matter what task she did, was also great with the registration desk. Volunteer chair Kathy Venton was super, as was partnership chair Andy Straus, IN chair Terry Terzian (we had terrific attendance in the IN games) and Virginia Aghelvi who was in charge of the volunteer hospitality.

"Special thanks go to the co-chairs Marion Robertson and her crew at the information desk and Jackie Ortiz, the entertainment chair. To all of these people, and anyone else I've forgotten to mention, thank you for a job well done," he said.

"I also want to thank the ACBL Meeting Services team led by Jeff Johnston and Wendy Sullivan. And, as usual, the tournament directors were great."

Blakely was grateful to all the players for attending and invited them back to the next NABC in San Francisco.

"See you in 2012!"

## Cohen squad narrowly leads NA Swiss quals

After Saturday's semifinal round in the Keohane North American Swiss Teams, the squad led by Ken Cohen (Cohen, Neal Satten, Rick Rowland and Janet Robertson) is the top qualifier. Cohen's score of 194 VP is just 1 VP ahead of the next squad captained by Tony Kasday (Kasday, Garey Hayden, Thorlakur Jonsson, Jon Baldursson, Bjarni Einarsson and Sigurbjorn Haraldsson) posted a 193.

Of the 80 teams in the semifinal round, 40 made the cut to today's twosession final.

The qualifying score for the final was 144.67 VP.

## Former Top 500 champ takes up new residence

Tournament regulars who have been wondering where Dennis Sorensen has been may be surprised to know that the former Barry Crane Top 500 champ is now living in Thailand.

He has been there since 2002, when he visited the Southeast Asian country on vacation and met his wife, Pennapa.

Another purpose of the trip was to scout out a potential spot for retirement, and Sorensen said that aspect of his move from Oregon has worked out very well. Sorensen says he lives very comfortably on the retirement income from his job as a math teacher in Gresham OR.

He and Pennapa and their daughter, Janjira, live in Udon Thani, about 350 miles from Bangkok. The

 $Continued\ on\ page\ 4$ 

### Strul maintains Reisinger lead

The team captained by Aubrey Strul starts play today in the Reisinger Board-a-Match teams with a carryover lead of about a quarter of a board over the James Cayne squad.

Strul enters play today with a carryover of 3.79, compared to Cayne's 3.55. Fourteen teams will play two final sessions in the Reisinger today. Bridge Base Online broadcast of the two sessions will be shown in the Yerba Buena foyer on level B2 at the Marriott.

The Strul team has led from the start. He is playing with Mike Becker, David Berkowitz, Larry Cohen, Chip Martel and Lew Stansby. Cayne's team is Michael Seamon, Alfredo Versace, Lorenzo Lauria, Fulvio Fantoni and Claudio Nunes.

Still in one piece: Han Yu Chang, center, with her bridge friends, Stephanie Hung, left, and Michelle Lee.

## 'Crash' is not her favorite convention

On Friday night, Han Yu Chang was rushing from her job in Santa Clara to play in the 299er Swiss Teams at the Fall NABC in San Francisco.

She had traveled 55 miles, and it was 10 minutes past game time. As she rushed across Mission Street near the hotel, she was struck by a car making a right turn. It knocked her to the pavement.

Her first reaction: Call someone to fill in with her partner. "I felt so helpless," she said Saturday, recalling the accident.

Continued on page 4

### San Francisco heights

With one day to go, the 2007 Fall NABC in San Francisco is on track to take over third place all-time on the fall NABC attendance list.

Through Saturday evening (not counting midnight games), the table count for the San Francisco NABC stood at 14,121.5, only 520 tables short of the attendance recorded in Orlando in 2004.

A conservative estimate for today's attendance is about 700 tables, giving San Francisco third place all-time in fall tournaments behind Las Vegas 2001 (16,818) and Orlando 1992 (14,980). With 859 tables today, the tournament could pull into second place.

The 2007 edition of the San Francisco NABC has already eclipsed previous NABCs here – 1990, with 13,239, and 1996 with 12,984.

### Goodwill message

As we prepare to leave this terrific San Francisco NABC, let's all take an extra moment to say "thank you" to our hosts. The hospitality and entertainment have been spectacular.

I look forward to see you at the Spring NABC in Detroit.

Aileen Osofsky, Chairman National Goodwill Committee Page 2 Daily Bulletin

## David's carefully thought-out play

See if you can match David Berkowitz's detailed analysis on this deal from the first qualifying session of the Reisinger Board-a-Match Teams (hands rotated).

Dlr: East Vul: E-W	<ul><li>A 3</li><li>♥ 4</li><li>♦ K 1</li></ul>	3 10 9 7 3 2	
	♣ Q 8	8 5 3

Pass	Pass	Dbl	All Pass

- (1) Precision could be short.
- (2) Minor-suit takeout.

The ♥K was led to David's ace. He played a diamond, and his left-hand opponent won the ace. Another heart tapped dummy, and the ◆K revealed the 3-1 break (LHO throwing a spade). Now what?

All David needed to do was to play clubs for one loser. David carefully came to his **AK** and led the **A4** to LHO's 7, dummy's queen and RHO's ace. RHO cashed his good trump and tapped dummy with another heart. David played a low club from dummy, and RHO plays the 2. The moment of truth had arrived.

David put in the 6!

He played RHO for A 10 9 x. His reasoning was as follows: RHO was willing to defend against  $3 \spadesuit$ . Accordingly, he probably had only three-card spade support for his partner. That meant RHO was 3=3=3=4 and LHO was 6=5=1=1. (The opponents had no Michaels bid available over the Precision  $1 \spadesuit$ ).

Good thinking. Alas, the full deal was:

As you see, this brilliant plan failed. The \$6 lost to the 10, down one. Said partner Larry Cohen: "All of my students would have brought in this club suit for only one loser. I suppose I had the wrong partner this time. The other table played our cards in 3NT undoubled down two, for a tied board."

### No calls, please

Cell phones, audible pagers or any similar communication equipment may not be operated or

operable in the playing area during a session of play at NABCs except for health-related equipment or by permission of the director-in-charge of the tournament or event.

### What a croc!

By George Jacobs

My partner, Ralph Katz, was wide awake on this deal from the first final session of the Mitchell Board-a-Match Teams. Ralph was West. I was East.

Dlr: No	rth ♠ K	. 4	
Vul: E-V	V ♥ K	QJ9	
	<b>♦</b> Q	J 6 4 2

All Pass			

Ralph led the \$\ J\$ to dummy's king. Ralph took the third round of hearts and played a diamond to dummy's queen and my king. I returned a spade, and Ralph took the next four tricks. I had to make two pitches, so I let go of a low diamond and the

After running his spades, Ralph played the \$8 to the jack, my king and declarer's ace.

Declarer then led a low club from hand. Ralph started to play low, but he stopped to think and went up with the \$Q, a Crocodile Coup to keep me from being endplayed. He could then cash the \$9 and play a diamond. That was three down and a win on the board.

Had Ralph played low, I would have had to win the 10 and give dummy a diamond trick.

### Good inference

Arnie Malasky of Longboat Key FL credited his partner, Dick Wegman of Bethesda MD with astute judgment on this deal from the second semifinal session of the Kaplan Blue Ribbon Pairs.

Malasky said his partner opened a 12-14 1NT to avoid a rebid problem, and when his partner bid 5% over South's 4%, Wegman inferred that Malasky had a very distributional two-suited hand. With his high cards working overtime, Wegman put his partner in slam. The play was trivial and the two racked up plus 1370 for 87 out of 103 matchpoints.

As you can see, North-South are down only three in 6.

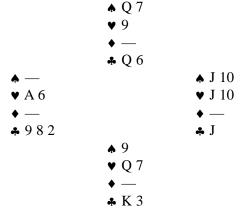

### San Francisco vice

### By Barry Rigal

The following deal occurred in the first qualifying session of the Keohane North American Swiss Teams. It was was reported by Daniel Korbel and Jonathan Steinberg, the victims of Richard Popper's expert play.

Dlr: So	outh 🛦 K	Q 7 3

T7 1 1	11	.1 - 10 - 1	1 10

Korbel started with the \$10, taken by Popper with the king in hand. He played a heart to dummy's king, then played four rounds of diamonds. A spade to the king and another spade to the ace left this position:

On the lead of the ♠9, West had to pitch a club. Now a club to the king and a club to the queen caught East in a vice squeeze. He discarded a heart, so Popper could lead dummy's ♥9 to the jack, queen and ace. The ♥7 took the 12th trick.

Korbel and Steinberg reported the deal because they wanted Popper's fine play recorded, but also so that they could confirm that despite losing 11 IMPs they won the match.

## Young players, take notice

Born in 1987 or later? Are you interested in playing in a world bridge championship next year in Beijing, China?

If so, e-mail Jason Feldman at jfeld222@yahoo.com for information about the tournament and finding partners. The e-mail address in previously published notices was incorrect.

### Masterpoint disclaimer

Scores as reported in the Daily Bulletin are subject to change because of score changes or corrections. Therefore, the masterpoint awards as shown are also subject to change.

## JUST FOR NEW PLAYERS

### Dear New Player,

Well, here you are, on the last day of your New Life Adventure. A little weary? Tired of gourmet cooking and dying for a home-cooked

meal(yeah, sure)? Feeling maybe you've had enough cards for a little while? Sounds like you got your money's worth!

I've noticed a real difference in you. No longer do you look like little bunnies,

caught in the headlights of the oncoming bus. You no longer have that Hansel and Gretel, lost-in-the-forest glaze in your eyes. You've acquired that "been there, done that" look of the old pro. You know where everything is, you fight to grab the last copy of the Daily Bulletin, you are so blasé that you no longer get to the playing area an hour early!

I actually have seen you old-timers directing new people to the restrooms. You're the ones collapsed on the sofas, and you haven't had an intelligent conversation in days about anything except a new line of play. I'll bet you don't even know who's dropped out of the presidential race this week!

If you'll remember, I warned you on day one what was going to happen to you. And look at you — an addicted member of the Brotherhood/Sisterhood.

I'm proud and I'm impressed.

But spend a few more minutes with me. As your bridge spiritual advisor and guru, I've got some parting advice. These are some of the Marti's Maxims that I have written on the walls at our studio. (The italic comments are the desperate words of my favorite partner and husband Gary.)

1. Down one is good bridge! (But not on

every deal.) If you are making all your contracts, you just plain aren't bidding enough. If you are in a competitive auction, don't sell out too cheap!

- 2. Do the math! If you can see 25-26 points between you and partner, don't stop short just because you don't like your worthless doubleton. (Count on your fingers if you have to. 12 and 12 is not game!)
- 3. Open light in third seat.(But the hand shouldn't be so light it floats!)
- 4. Bid until your nose bleeds. Eventually you'll get good at this. Meantime, think audaciously. Don't wuss out. Some day your skills will catch up with your courage. (*Please. Someone stop her before she kills again!*)
- 5 Listen to the voices in your head. They're not always wrong. Sometimes you will feel that you just simply must bid. Go ahead. Sometimes you'll fall in love with a hand for no reason that makes sense. Go with it. Do not be deterred by common sense all the time. (Maybe I can get the doctor to up her meds.)

6. Sleep with your convention card under your pillow. It will give you good dreams. (Everyone knows this is true.)

And so, off you go, wiser, wittier and the envy of everyone who stayed home. After you've caught up on your laundry and sleep, e-mail me with some thoughts and any questions you might have.

**Opening lead: ♣**K (king from A-K in supported suits)

Bidding commentary: At a different vulnerability, East might jump to 34, preemptive, after the double. Jumps by responder after a takeout double are weak. Additionally, the raise in clubs normally denies a four-card major.

**Defensive commentary:** East plays the ♣10 at trick one to show the queen. It can't be a doubleton! West leads a low club to put partner in for a hoped-for diamond return.

East wins the  $\clubsuit Q$  and returns the  $\spadesuit 10$ , which West recognizes as a doubleton because the  $\spadesuit 9$  is in the dummy. Whenever partner leads an honor and the next lower card is visible, the assumption is that partner has shortness. West wins two

diamonds and leads a third for East to ruff. The defenders have now taken the first five tricks and East exits with the  $\blacktriangle 10$ .

**Play commentary:** The ball is now in South's court. South must locate the  $\bigvee Q$  to make the contract. What does South know? South knows that West started with the A K and the A Q, plus and the A J, judging from East's lead of the 10. So, West has a total of 14 high-card points. If West has a balanced hand (likely), he can't have the A Q or he would have opened 1NT, not to mention not competing to A with 16 HCP. Ergo, East has the A Q. East probably has "something" besides the A Q to raise!

When an opening bidder has a known balanced hand and doesn't open 1NT, opener has 12-14 HCP or 18-19 HCP. As declarer, assume 12-14 unless opener makes loud noises during the bidding.

### Sorensen

Continued from page 1

population is about 150,000.

Sorensen says the pace is slow and, although he doesn't speak Thai, he has many English-speaking acquaintances because of the area's attractiveness to other retirees, including lots of ex-military. The locals call the retirees "farang," says Sorensen, 61. "There are many of them where we live."

### Han Yu Chang

Continued from page 1

Chang, whose friends call her Helen, said she was not injured badly – at least she doesn't think she was. "I'll get a checkup after the NABC," she said

As it was, she couldn't reach anyone to play with her partner, but she did make it to the game by the start of the second round, but only after signing a release for the local police, who wanted her to go to the hospital. With Chang in attendance, the team won their next three matches.

Said bridge friend Michelle Lee of San Francisco: "She was very brave."

Curiously, it was the second time this year that Chang, a circuit designer for a computer company, lost a physical confrontation with a car – and the other time was also at an NABC, last summer in Nashville. On that occasion, she was struck by an auto that emerged from an alley as she made her way on a sidewalk. In Nashville, she did go to the emergency room.

Chang, 25, has been playing bridge about five years, and she clearly has a passion for the game – and a sense of humor: "I like (bridge) better than the emergency room."

## Convention card reminder

Each player is required to have a convention card filled out legibly and on the table throughout a session. Both cards of a partnership must be identical and include the first and last names of each member of the partnership.

If a director determines that neither player has a substantially completed card, the partnership may play only the Standard American Yellow Card and may use only standard carding. This restriction may be lifted only at the beginning of a subsequent round after convention cards have been properly prepared and approved by the director. Further, the partnership will receive a 1/6 board matchpoint penalty for each board played, commencing with the next round and continuing until the restriction is lifted. In IMP team games, penalties shall be at the discretion of the director.

If the director determines the partnership has at least one substantially completed convention card but has not fully complied with ACBL regulations, the director may give warnings or assign such penalties as he deems to be appropriate under the circumstances.

The objective of these warnings and penalties is the encouragement of full compliance with ACBL regulations.

## Bid Box Alerts and Announcements

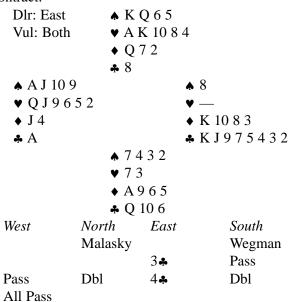

When using bid boxes, ACBL suggests that players tap the Alert strip and say "Alert" at the same time.

When making an Announcement, use the Announcement word — such as "transfer" — and tap the Alert strip at the same time.

A player who Alerts or Announces a bid should make sure his opponents are aware that an Alert or Announcement has been made.

### A 5 grows up

On this deal from the Second Friday Daylight Open Pairs, a lowly 5 came to the rescue for Arnie Malasky and Dick Wegman against a doubled contract.

East opened 3. and rebid 4. because an opening bid of 4. would have shown a strong hand with a long heart suit. Wegman started with the \$\dagger3\$, taken in dummy with the ace. Declarer played the \$\dagger4\$ J at trick two, covered by the queen, king and ace. A second spade was ruffed. Declarer entered dummy with the \$\dagger4\$ A and played the \$\dagger4\$ to the 2, 8 and 9. The \$\dagger6\$ 6 went to the 7 and 10. Declarer cashed the \$\dagger4\$K, but the queen didn't fall, and when Wegman got in with the trump queen, he had the good \$\dagger5\$ to take the setting trick as declarer had to follow with the 3. Plus 200 was good for most of the matchpoints, helping Malasky and Wegman to win the event.

### Monitoring

At this and future North American Championships, ACBL will be monitoring NABC+ events with visible, real-time cameras. The images will be recorded and will be available for later official inspection and review.

By general monitoring of the session and participants' behavior, ACBL has another source of information that may be useful in determining facts and settling issues arising from some types of ethical and behavioral complaints or actions. Please summon a director if a problem occurs at the table.

This procedure is intended to assure everyone that the playing field is level and that misbehavior will not be tolerated.

### **Entry fees**

Players must be ACBL members whose service fees or dues are current in order to compete in any of the following nationally ranked events: Nail Life Master Open Pairs, Smith Life Master Women's Pairs, Reisinger Board-a-Match Teams, Keohane North American Swiss Teams, Kaplan Blue Ribbon Pairs, Mitchell Open Board-a-Match Teams, Marsha May Sternberg Women's Board-a-Match Teams and the Senior Knockouts. The entry fees for these contests are \$18 per player per session.

Players must also be current ACBL members to play in the Mini-Blue Ribbon Pairs, Miles Non-Life Master Pairs or National 99er Pairs. The entry fee is \$16.50 per player per session.

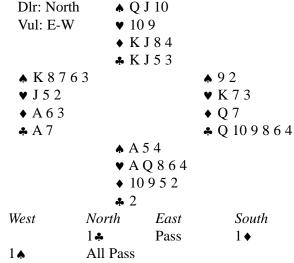

Regional championships are \$15.50 per player per session for ACBL members, \$17.50 for non-members.

All other events are \$14.50 per player per session for ACBL members, \$16.50 for non-members.

### Vital undertrick

### By Brian Senior

Board-a-Match is surely the toughest form of the game. Where one can occasionally slacken off on defense even in a pairs game and get a reasonable score despite slopping a trick, at BAM that trick could be the whole board. This one comes from the second session of the Reisinger BAM qualifying stage.

Roy Welland's 1. opening could have been as short as a doubleton, and the 1. response showed four or more hearts. Chris Willenken had a tough decision when 1. came around, but he knew that his partner had been unable to make a support double and would usually have a weak 1NT type with only two hearts, so he eventually judged to defend against vulnerable opponents.

Welland led the ♥10. Willenken won the queen and switched to his club. Jack Mizel judged correctly to go up with the ♣A and led a diamond towards the queen. Welland went in with the ♦K and led his remaining heart to the ace. He ruffed the heart return with the 10 and cashed the ♣K then played the ♣5.

It would have been easy for Willenken to err by ruffing the club, but he could be pretty certain of the distribution and correctly discarded a heart. Declarer led a spade off the dummy, and Willenken smoothly played low. Had declarer put up the ♠K and played a second round, he would have lost just two spade tricks and gone one down - a winning board as his North-South pair had made plus 110 in 3♠ at the other table. But he, too, knew the precise distribution, and if the king lost to the ace the defense would then be able to make the queen and jack separately for down two. Given North's opening bid and South's final pass, it seemed likely that North would hold the ♠A, so declarer ducked to the jack.

Alas for declarer, Welland now played his fourth club, which Willenken ruffed with the ace, and a heart through promoted the AQ for down two. Plus 200 was a win for Welland and Willenken.

### Smoking reminder

Players are reminded that smoking is not permitted anywhere within the San Francisco Marriott, including stairwells and emergency exits. Smoking is permitted outside the hotel only.

Players found to be in violation of the no-smoking policy will automatically be penalized.

### Check cashing and Bridge Bucks

Check cashing will be open Sunday from 9:30 to 10:15 a.m. in front of Yerba Buena 10. Bridge Bucks may also be purchased. Last chance before Detroit!

### **TOURNAMENT APPEALS**

In order to keep the bridge public informed of appeals results in a timely fashion, the NABC Daily Bulletin staff publishes write-ups. Every effort is

made to ensure that these reports are accurate and complete. However, before they are published in the NABC Appeals Casebook revisions may be made.

The Facts: The director was called after the play of the hand. South won the opening lead with the ace. Declarer led a low diamond toward dummy intending to enter dummy and finesse East for the king. West admittedly broke tempo. South

claimed that West's hesitation caused him to play West for a doubleton king.

The Ruling: In accordance with Law 73D and F, it was determined that West had demonstrable bridge reasons for the break in tempo. Therefore, South took inference from the hesitation at his own risk. The table result of 3NT down one, N-S minus 100 was allowed to stand.

**The Appeal:** Only the declaring side (North and South) was present.

Declarer explained he had planned on ducking a diamond and later finessing. He changed his mind after his LHO's hesitation. He judged that the only thing his LHO could legitimately have been thinking about was whether to go up with the ◆K from K-x. The committee asked whether E-W were using Smith echo and was told that they were

Declarer noted that West could know because of the 2NT opening that partner held a singleton heart, so that Smith would not be relevant.

The Decision: The committee could think of many reasons West might have a problem, even with his actual holding. While not necessary on this deal, on some hands it would be right to play the ◆J and cash the ◆Q. Even if Smith is not being used, West must wonder what significance East will attach to his card. He eventually played the 2, consistent with a suit preference signal for clubs, and it would in fact have cost a trick for his partner to shift to spades.

The committee saw no evidence that West harbored an intent to deceive. Declarer took an inference at his own risk. Therefore, the committee upheld the director's ruling to allow the table result of 3NT down one, N-S minus 100, to stand.

The appeal had little merit, but the committee did not want to assess an appeal without merit warning (AWMW) without the opportunity to interview East and West, and in particular to ask West what he was considering when he hesitated.

North found a normal raise to  $3 \, \checkmark$ , and you went on to game. How do you plan to make 10 tricks after West leads the  $\triangle Q$ ?

### Solution

**∧** A 6 5 **♥** 3 2 ♦ K 7 6 5 ♣ K 7 5 4 **♦** 9842 ♠ QJ 10 3 **♥** K 7 ♥ Q 5 4 ♦ A 8 4 3 ♦ 10 9 2 **4** 10 6 3 ♣ A 9 8 **∧** K 7 ♥ AJ 10 9 8 6 ♦ Q J ♣ Q J 2

As you have only two losers outside of trumps, the idea is to manage the trump suit for one loser. Clearly, the best plan is to take two

finesses in hearts. So, you should win the spade lead with dummy's ace and lead a trump to the jack.

West will win and return a second spade to your king. As you want to take a second heart finesse, you should try to reach dummy with one of the minor suit kings. The first attempt should be to lead the queen of diamonds and call for dummy's king once West plays low. Here the ◆K holds, and you play a trumps to the 10. After the ace of trumps draws the last trump, you concede a club and a diamond. You make two spades, five trumps, a diamond and two clubs for your contract

Notice that if you used the ♠A as an entry to take a trump finesse and then failed to play the ♠K on the first round of diamonds, the defense could hold you to nine tricks on the layout shown.

If East had take the  $\bigstar K$  with the ace and returned another spade, you would ruff with the 8 of trumps and lead the  $\bigstar 2$  intending to play dummy's king if West followed low. If the  $\bigstar K$  proved to be an entry to table, you would aim to pick up the trumps as before.

What would happen if East had begun with both minor-suit aces? Then you would not be able to reach dummy to take a second finesse in trumps and instead would have to rely on the outstanding trump honor falling under your ace of trumps as well as East being unable to give a ruff or promote a trump trick.

### Open book

Sometimes the cards that the opponents play can be very revealing. Take this deal from the first semifinal session of the Reisinger Board-a-Match Teams (hands rotated). Steve Robinson was South, playing with Peter Boyd.

Dlr: West **↑** 74 Vul: E-W **♥** 94 ♦ AKQ832 ♣ O 8 4 **▲** 10 7 6 5 ▲ A K J ◆ A Q 10 6 3 **♥** 8 5 2 ♦ J 10 7 6 4 ♣ J 10 7 6 5 3 ♠ Q 8 3 2 ♥ KJ7 **♦** 9 5 ♣ A K 9 2 West North East South 1 🗸 3NT 2♦ **Pass** All Pass

West started with the ♠K, switching to the ♠4 at trick two. Robinson went up with the ace in dummy. When he saw East discard, Robinson viewed the hand as a open book. West opened one heart, trick two had revealed that he had five diamonds, and Robinson didn't think West would lead a spade from a two-card suit, so West was marked with a void in clubs.

Accordingly, Robinson played dummy's ♣4 at trick three and, when East played low, inserted the 9. Robinson's assessment of the distribution was confirmed as West pitched a heart. Now came the ♦9. When West played the ♦10, Robinson called for a low diamond from dummy.

Now West was stuck. He got out with the  $\mathbf{\Psi}\mathbf{Q}$ , but there was nothing the defense could do. Robinson won the  $\mathbf{\Psi}\mathbf{K}$ , then played the  $\mathbf{A}\mathbf{A}$  and a club to the queen, West shedding two more hearts. Robinson cashed the  $\mathbf{\Phi}\mathbf{K}$ , then played a heart to West's bare ace. West at that point had a choice of playing on spades to give Robinson access to his  $\mathbf{\Phi}\mathbf{Q}$ ,  $\mathbf{\Psi}\mathbf{J}$  and  $\mathbf{A}\mathbf{K}$  – or play a diamond, allowing Robinson to take the marked finesse. Plus 400 was a win on the board.

### San Francisco 1996: A look back

More interesting deals from the 1996 Fall NABC in San Francisco.

### A Greek gift

Brian Glubok seemed to give declarer a trick when he led away from and ace—queen into dummy's king. But it was a Greek gift.

Ron Smith led a diamond and declarer won the king with the ace. He tried the \*Q and Smith ducked. Next came the \*10 and Smith ducked again. Declarer let it ride and Glubok won with the jack. He could have guaranteed the defeat of the contract by leading back a diamond, but he realized that declarer must be looking for the \*A.

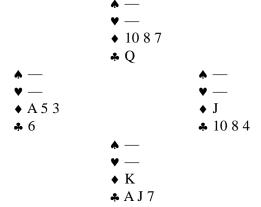

Glubock knew who had it, so he led a heart right into dummy's king. When declarer then cleared clubs, the door of the Trojan horse opened and out poured the hearts. Smith led a heart, and when the smoke cleared, declarer was down two instead of one.

### Stepping-stone to heaven

Mark Feldman is playing with Sharon Osberg in the Blue Ribbon Pairs, fresh from their success at the World Championships in Rhodes, Greece — they finished with the silver medal in the Mixed Teams. It was plays such as the following that earned them the medal. They played this deal against Geoff Hampson and Lynn Deas.

Hampson led a heart to Feldman's ace, and he played the \$\int 8\$ to the queen and Deas's king. Deas could not return a minor suit without costing the defense a trick. A trump return would have been best, but she played a heart.

Feldman ruffed and took his first good view by leading a low club from his hand. Hampson won the \*K and played a third heart. Feldman ruffed again and did well for the second time to lead a diamond to the queen. Now a heart ruff completed the dummy reversal, and Feldman played two more rounds of trumps, throwing a diamond from his hand. This was the ending, a variation of a stepping stone squeeze.

At this point, Feldman knew West had started with 3=3=4=3 or 3=3=3=4 shape. So he played the  $\clubsuit Q$ , overtaking with the ace, and cashed the  $\clubsuit J$ . If West had started with four clubs, the  $\clubsuit 7$  would have been high. West, however, discarded on the second club, so Feldman fell back on his second chance. He led the  $\spadesuit K$ , dropping the jack and took the 13th trick with the  $\spadesuit 10$  to make his contract.

### Too much pressure

On this deal, East could have played a high card early to save himself the pain of being strip-squeezed by Mark Itabashi. If that had happened, there would have been no story to tell. Itabashi was playing with Nancy Borucki.

West led the \$10. Despite lots of high-card points, the North-South hands had only nine top tricks. Somehow, Itabashi was going to have to come up with three more. Itabashi had reason to regret not rebidding 1 \( \blacktriangle \)— a suit contract at least had the benefit of ruffs in each hand.

Itabashi won the club lead with the ace and played the A and K, noting West's discard (so much for a spade contract). Next came a low heart from dummy. East could have settled matters by rising with the K, but he ducked. Itabashi put in the queen and began to get a clear picture of West's hand when West followed with the V, a likely singleton.

With two major-suit singletons, West was a heavy favorite to hold length in diamonds, so Itabashi played the ulletJ from his hand, letting it ride when West played low. When East showed out, Itabashi had a complete count of both opponents' hands.

He played a diamond to the king, cashed another spade in dummy and played the last spade to his queen, then followed with the ◆A, pitching dummy's ♣3.

East was strip-squeezed. He had to retain three hearts, or Itabashi could simply duck a heart to end up with three tricks in that suit. To hold three hearts, East had to come down to a singleton club.

Itabashi then played a club to dummy, removing East's last club, and played the  $\Psi 8$  away from the ace. East won the  $\Psi 9$ , but was forced to surrender the 11th and 12th tricks by leading from his  $\Psi K$  into dummy's  $\Psi A$  10.

### An overtrick pays off

Bruce Ferguson frequently brings good deals to the Daily Bulletin. The hero always is somebody else, never Bruce Ferguson. This time the tables are turned — one of Ferguson's opponents reported on him. It occurred in the

Open Board-a-Match Teams.

(1) Asking for more information.

Since East had doubled diamonds, West led that suit and Ferguson ruffed. He led the A and ruffed a spade. This was followed by a diamond ruff, a spade ruff and a third diamond ruff. He led a fourth spade, and when East followed, he ruffed with the jack. When West failed to overruff, Ferguson had a good idea where the queen of trumps was, but it wasn't necessarily going to be easy to pick it up.

He cashed the ♣A and decided that West's 9 was a true card, which meant that East started with three trumps to the queen. Ferguson next took this ♠A and led a heart to the ace. When he then led the good spade, East was helpless. If he ruffed, Ferguson would overruff, cash the trump king and win the last trick with the ♥K. If East discarded, Ferguson would sluff his heart. With the lead in dummy at trick 12, he would have no problem taking the last two tricks.

Ferguson took 13 tricks, and that overtrick was necessary to win the board. The opposition got to 6. at the other table and made 12 tricks.

### Duck, duck, duck!

Sometimes you win more tricks by not winning tricks — at least not right away. Eddie Wold and George Rosenkranz did their share of ducking on this deal from the Blue Ribbon Pairs.

Dlr: East	<b>A</b> 8	3 7

Rosenkranz led the \*Q to the king, and declarer shot back a second club. Rosenkranz played the jack! Wold followed with the 9 as declarer ducked in dummy to keep communications open. Rosenkranz led his last club. Declarer finessed the 8 and Wold took his 10.

Wold returned the  $\blacktriangle 10$ , and Rosenkranz ducked when declarer played the king. When declarer then put the  $\blacktriangledown K$  on the table, it was Wold's turn to duck.

Then the roof caved in for declarer. He tried a heart to the 10, but Wold won the jack and led the ♠9, Rosenkranz overtook with the jack, cashed the ♠A and led his last heart through dummy's queen. Wold took his ♥9 and ♥A. That was down three — the defense took two spades, two clubs and three hearts. Sometimes duck is better than turkey, even at Thanksgiving.

### Make plans for Detroit

I would like to personally invite my many friends and acquaintances around the country to attend the Spring NABC, March 6-16 at the Renaissance Marriott in Detroit.

Partly because of the sponsorship of Compuware Corp., which is headquartered nearby, the Detroit NABC is shaping up as a great party as well as a terrific bridge event. We have big plans for nightly food and entertainment, including live performances by two Motown groups.

Renaissance Center, which is now home to General Motors Corp., contains four excellent restaurants plus a food court.

Nearby, players will find other varied eating choices, including the very popular Greektown area, which is home to one of the city's three

Despite what you may think you know about Detroit, the downtown area is basically crime free. So come and enjoy.

If you have any questions about the tournament, restaurants, casinos or places to stay, please feel free to call or write to me.

See you in Detroit.

Marty Hirschman 248-646-3967 MBATalk@aol.com

**Crystal Mann** of Calgary AB is a new Silver Life Master, having passed 1000 masterpoints in a knockout teams. She was playing with her husband, Doug. Their teammates were Tom Nault of Calgary and Doug Hawrelak of Edmonton.

Hannah Davis of Louisville KY is now a Life Master, earning her gold card in a knockout teams. Her partner, celebrating her birthday on Saturday, was Shirley Mueller. Their teammates were Ron and Barbara Tommasini. All are from Louisville, site of the 2001 Spring NABC, of which Davis is chairperson.

### Experts who are newcomers

By Barry Rigal

On their first visit to an NABC, Argentinians Ernesto Muzzio and Alejandro Bianchedi made their mark, leading the Kaplan Blue Ribbon Pairs at one point and finishing second in the event. On this deal from the first final session, they collected nearly all the matchpoints (hands rotated).

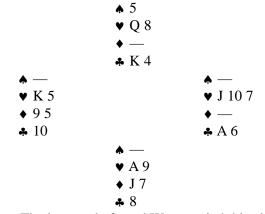

West led the \*K, ruffed by declarer, who crossed to the ♠K and finessed in hearts. The ♥A was next, followed by a heart ruff, club ruff and a heart ruff with dummy's last trump. Now declarer cashed the A, ruffed a fourth club and exited with his second and last diamond. In the two-card ending, he had the A J left over the Q-7 for 12 tricks and plus 1050.

The next deal (hands rotated) also occurred in the first final session. This time it was Muzzio at the helm.

<b>♠</b> A	K Q 10 5	
<b>♥</b> Q	8	
<b>♦</b> 10	84	
<b>♣</b> K	4 2	
		<b>♦</b> 8 4 2
		♥ J 10 7 6 4 3
2		<b>•</b> —
		♣ A 7 6 5
<b>♠</b> 7	6 3	
<b>♥</b> A	9	
<b>♦</b> A	J 7 6 3	
<b>♣</b> Q	8 3	
North	East	South
Bianched	i	Muzzio
1 ♠	Pass	1NT
2 🚓	Pass	3♠
3NT	All Pass	S
	<ul> <li>Q</li> <li>10</li> <li>★ K</li> </ul> 2 <ul> <li>7</li> <li>✓ A</li> <li>★ A</li> <li>♣ Q</li> </ul> North	<ul> <li>↑ 7 6 3</li> <li>↑ A 9</li> <li>↑ A J 7 6 3</li> <li>♣ Q 8 3</li> <li>North East</li> <li>Bianchedi</li> <li>1 ♠ Pass</li> <li>2 ♣ Pass</li> </ul>

Muzzio modestly said that the play followed very simple lines, but the end result was very attractive.

On the lead of the  $\bigstar K$  (who can blame West for that lead?), Muzzio won and led a second diamond. West took the  $\diamond Q$  and shifted to the  $\clubsuit J$ , ducked to the queen. Now the  $\triangle A$  and  $\triangle K$ revealed that the suit was breaking, so Muzzio unblocked the ♦10 and ran the spades to reach this ending:

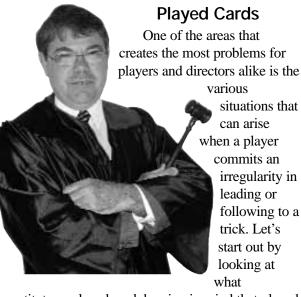

The last spade forced West to pitch his club, so a heart to the ace and a heart to the queen endplayed West into leading into the diamond tenace at the end for plus 660.

### Ruling the Game

by Mike Flader, Associate National Tournament Director

constitutes a played card, bearing in mind that played cards are defined differently depending on which player is involved. Law 45 deals with this issue.

- 1. In general, each player plays a card by detaching it from his hand and facing it on the table immediately in front of him. In the case of the opening leader, ACBL states that his card is considered to have been played when it is placed face down on the table (Law 45A).
- 2. A card is played from the dummy when declarer names the desired card, after which his partner picks it up and faces it on the table. The declarer may, if necessary, pick up the desired card himself (Law 45B). A card from dummy must be played if it has been touched by the declarer except for the purpose of arranging dummy's cards or of reaching for a card above or below the card or cards touched (Law 45C3).
- 3. A defender's card is considered to be played if held in a fashion so that it is possible for his partner to see its face (Law 45C1).
- 4. Declarer's card is considered to be played if detached from his hand and either touching or nearly touching the table or maintained in such a position as to consider that it had been played (Law 45C2).
- 5. A named or designated card must be played unless the designation was clearly inadvertent and the player who makes such a designation changes it without pause for thought.

That all sounds easy enough, but players frequently disagree on the facts, and directors are called upon to determine the facts in each case to determine whether or not a card is played. In the articles to follow, we will examine some of the criteria that have been established by the ACBL Laws Commission and other administrative bodies to deal with what can sometimes be a thorny issue.

Over the years, specific cases have arisen that have caused the ACBL to consider how Law 45 (and Law 46) is supposed to be applied. There was a famous case in 2000 in Vancouver dealing with the issue of when declarer may change a call of a card from the dummy. Since this is a family publication, I can't refer to this case by its popular name, but most players are familiar with it. Here are some of the guidelines that we as directors have been given to sort out the facts as given us by the players and make our rulings.

- 1. The opening lead is considered to have been played when the card is face down on the table. This is per law. Such a card may only be withdrawn with permission of the director, and, generally speaking, this will not be allowed unless the opening leader has been given misinformation during the auction by the declaring side.
- 2. Declarer must play any card detached from his hand and held face up touching or nearly touching the table or maintained in a position to indicate that it has been played. In making the determination as to whether or not the declarer's card is played, the director shall be guided by a directive from the ACBL Laws Commission. If declarer's card is either (1) on or nearly on the table or (2) maintained in a position as to indicate that it has been played, the director should rule that it is played. In cases of doubt, the director should rule that declarer's card is played. The fact that one or both of the defenders could see the card is not germane in making this determination.

3. A defender must play a card that his partner could have seen had he been looking. It does not matter whether or not his partner actually saw the card. In determining whether or not a defender's card was in such a position, the director may have to determine how the card was held. Opinions at the table may differ, but if both the declarer and the dummy saw the card, it is likely that the defender's partner could have seen it too. Once again, in cases of doubt, the director should rule against the player who may have played the card.

4. Finally, a player must play a card he names or otherwise designates as one he intends to play.

Law 46A says that declarer must clearly state both the suit and the rank of a card called from dummy. If declarer fails to do so, Law 46B details the consequences.

The director should be aware of the parenthetical clause in Law 46B that states that the restrictions enumerated later apply except when declarer's different intention is incontrovertible. Failure to take this segment into account may cause the director to err in making some rulings. Whether the intention was incontrovertible or not is a matter of judgment.

It is worth noting that directors need to be alert to situations where an apparent inadvertency is actually an instance of the declarer thinking ahead, i.e., calling a card to the current trick that he really intends to play to a subsequent trick. For example, declarer has led his singleton to dummy's ace-king of an off suit, intending to take a pitch before drawing trumps. Unfortunately, before playing both of dummy's high cards, he calls for a trump. This call was not inadvertent. Declarer intended the call, and should not be allowed to change it.

The idea of intent also applies to Law 45C4B, Correction of an Inadvertent Designation. Declarer is entitled to change the call of a card played from dummy, but only if he does so without pause for thought and his first call was unintended. For example, say declarer holds the A-x-x in a suit in his hand and leads low towards the dummy's Q-x, calling for the queen. He then notices that his LHO has played the king. Declarer must not be allowed to change his call no matter how quickly he changes it. His first call was not inadvertent.

The following applies to an incomplete designation of a card to be played:

- 1. If declarer calls for a suit, but not a rank, as in "play a spade," he is deemed to have called for the lowest spade.
- 2. If he calls "high" or words of like import, he is deemed to have called the highest card. In fourth seat, he is deemed to have called the lowest winning card of the suit indicated. If he says "win it" or words of like import, he is deemed to have called the lowest winning card. If he calls "low" or words of like import, he is deemed to have called the lowest card of the suit designated.
- 3. If declarer designates a rank but not a suit, in leading he is deemed to have continued the suit in which dummy won the preceding trick as long as there is a card of that rank in that suit that can be played. In all other cases, declarer must play a card from the dummy of the rank designated if he can do so. If there are two or more cards that can legally be played, declarer must designate which one was
- 4. If declarer designates a card that is not in dummy, that call is void, and declarer may designate any legal card.
- 5. If declarer indicates a play without designating either a suit or rank as by saying "play anything" or words of like import, either defender may designate the play from dummy.

### Cuebids

The Official Encyclopedia of Bridge defines a cuebid as a call made in a suit previously named by the opponents. Cuebids in the context of this article are generally not Alertable. While it's too difficult to compile an exhaustive list of all possible cuebids you might run into at clubs or tournaments, let's take a refresher look at some common examples of direct cuebids.

RHOYou 1♥ 2♥

If  $2 \checkmark$  is some form of takeout (for example, twosuited or just a very strong hand), don't Alert. Only if 2♥ shows hearts must you Alert.

> RHOYou

1 **^** 

If 2♠ is takeout, no Alert. Alert only if 2♠ shows spades.

> RHOYou 1. 2.

Again, an Alert is required only if this shows clubs. This is a little more complicated than the previous examples, however, since the 14 opening can have a variety of meanings depending on what system the opponents are using. Some examples:

- If the opponents Announce 1 as "Could be short", the 24 bid still requires no Alert unless it shows clubs. (This is also true for the analogous situation where a "short" 1 ♦ opening is followed by a 2♦ cuebid.)
- If the opponents play that 1. could be short or show a strong hand (as in Polish Club systems, for example), the 2\* bid needs no Alert unless it shows clubs.
- The exception: if 1 \* is artificial and strong (as in Precision and other "big club" systems), 2\* could easily be based on a real suit. Hence, if 2. is natural, don't Alert. If 2. shows anything else, an Alert is required.

More examples:

RHOYou 2♦ (majors) **2**♥

If 2♦ shows the majors (such as the Flannery convention), the 2♥ "cuebid" requires an Alert only if it shows hearts. Similarly, if you had instead overcalled 2, an Alert is required only if this shows spades.

> RHOYou 3♣ 2♣ (natural)

If 2\* is Precision-style (natural, showing an opening hand with five or more clubs), the 3. cuebid should be Alerted only if it shows clubs (unlikely as that may be!).

The general rule for direct cuebids, therefore, is this: an Alert is required only when the cuebid is natural and is an offer to play in that strain.

Of course there are exceptions, such as they previously mentioned case where a direct, natural 2. overcall follows a Precision 1.4 opening. Here are some more exceptions, but the pattern is fairly easy to understand:

> RHOYou 2**.** 3♣

2♣ is artificial and strong. If 3♣ is natural, no Alert is necessary. If 3♣ is anything else, Alert it.

RHOYou 2♦ (majors) 3♦

If 2♦ is Flannery-ish, your 3♦ call doesn't need an Alert if it's natural.

> RHOYou 2♦ (three-suited) 2♥, 2♠, 3♣, 3♦

If 2♦ is artificial showing any three-suited hand (such as Roman or Mini-Roman), none of the listed calls requires an Alert.

If 2♦ specifically shows short diamonds, however, a direct 3♦ (natural) needs no Alert, but the others  $(2 \lor, 2 \land \text{ or } 3 \nrightarrow)$  would if they're natural.

The exception to our previous rule, therefore, looks like this: if the opening bid is artificial, a direct cuebid doesn't need an Alert if it's natural.

Finally, here are two auctions that can cause confusion about whether an Alert is needed.

LHOPartner RHO You 1 ♦ Pass 1♥ **2**♥ or LHOPartner RHO You 1♦ Pass 1♥ 2♦

While a plurality seems to play both of these auctions as natural ( $2 \checkmark$  shows hearts,  $2 \checkmark$  shows diamonds), some do indeed play them as showing some kind of two-suited hand. In neither case is an Alert necessary.

Unless otherwise noted, strata breaks for Stratified Open and Stratified Senior events are: A (2000+), B (750-2000), C (0-750). For Strati-Flighted events, A/X are 5000+/0-5000 and play in their own game; B (1000-2000), C (500-1000) and D (0-500) play in their own game.

## See you at the 2008 Spring NABC in Detroit, March 6-16.

### **Memorials and Honorariums**

### In Memory of Charlie Dorn

Charlie Dorn taught me more than I learned from everyone else put together. During the Sixties, I would listen as long as Charlie would talk about judgment, which was often an hour or two at a time. His explanations were always lucid, logical, humorous and right.

Charlie was also the "grand old man" of bridge, even to those many years his senior. Soft spoken, he was kind, patient, gentle and understanding to everyone. We all saw that Charlie knew the worth of a person is not contingent upon bridge expertise.

To me, Charlie will always be the "grand old man" of bridge.

Grant Baze

### **Honoring Elinor Tanck**

Elinor Tanck, a Silver Life Master, is a native New Yorker now living in Sunnyvale. Elinor worked as a chemist in Silicon Valley until she retired a few years ago. She was an avid volleyball and tennis player. She still plays tennis regularly — even with a new hip! She loves the opera, traveling and gardening.

Elinor is an active volunteer in her church social activities as well as the Sunnyvale tennis club. She has been co-editor of the Kibitzer newsletter of Unit 503 (Palo Alto) for more than 25 years. She attends all board meetings and provides the consistency revolving boards need to make sure they follows unit by-laws. In addition, she is able to provide an historical perspective on past decisions. The unit is very grateful for all her years of service.

<sup>\*</sup>Members whose dues payment is current and Life Masters whose service fee payment is current.
