2008 ACBL President wants greater game publicity

Dan Morse of Houston TX will serve as ACBL president for 2008. During his one-year term, he plans to focus on introducing more of the general public to bridge through better publicity efforts at the local level.

Morse, who has represented District 16 (most of Texas and Mexico) on the Board of Directors for the past 15 years, was elected president by his fellow Board members at their summer meeting at the Nashville NABC.

"I want to expose more people to the pleasure of playing duplicate bridge," said Morse, but key to this, in his view, is a volunteer-based effort to

publicize bridge.

"Every unit and district needs to have a publicity committee," said Morse. The task of these committees would be to push news of the game —-tournament announcements, winners of recently completed events, classes on how to play, charity efforts, etc. —- in their respective local media markets.

"In other parts of the world, Europe especially, it's big news when someone wins a major event. I want that to happen here, not only for top-level games but for sectionals and regionals, as well," said Morse.

Morse's experience with European events comes from the longtime work he has performed for the World Bridge Federation (WBF). Morse has served as zonal representative to the WBF for many years, and he also holds the position of WBF honorary secretary. Morse believes that high-profile world-bridge contests benefit bridge everywhere by raising awareness of the game. He is especially excited about the upcoming World Mind Sport Games (WMSG) that will take place in Beijing next year directly following the summer Olympic games. In addition to bridge, the games will include chess, Go, draughts and Chinese chess.

A tribute to a friend

By Zia Mahmood

I first met the remarkable Shirley Pagan at the Pan American Bridge Championships in 1992 in Corpus Christi TX. Shirley was instrumental in organizing the event in addition to being the chairperson.

I have clear recollections of the tournament being run more efficiently and smoothly (not surprising when you knew Shirley) than any I had played in. Not only were the playing conditions and format superior, but the organizers took limitless pains to ensure that all the participants had a perfect experience.

But I have stronger, even fonder, memories of being befriended by Shirley and her family with an unreserved warmth and expression of Southwestern hospitality that was to continue over the years.

I later learned more about the dynamic life of this remarkable lady. Accomplished in all her

pursuits, she was a golfer, first-rate shot and successful sponsor of an Indy car racing company (Pagan Racing). She had also combined being a Life Master with the presidency of District 16 and Unit 187. She richly deserved her district's prestigious Oswald and Jim Jacoby Award.

Yet for me, her greatest asset was the way she smiled, no beamed, with joy and love to all around her. How her presence would warm the heart of even the saddest companion – and how her unreserved giving of herself in very action left *Continued on page 4*

Southern Californians romp in Mini-Blues

Two Laguna Hills players put together four solid sessions to win the Mini-Blue Ribbon Pairs by nearly two boards on Wednesday.

The winners, who led from post to post, are Patricia Menefee and Andre De Leon, regular partners who have been playing together about three years. Second went to Metin Gokcen and Sadik Arf, who earlier in the week won the Non-Life Master Pairs.

The Mini-Blue Ribbon winners met at the Dana Harbor Bridge Club, where De Leon directs regularly. They play a 2/1 game forcing system with "a few gadgets." They have won lots of regionals together but never a four-session event.

One of their secrets of success, said De Leon, is that "we play good defense together."

The two had three games in the 60% range, including 61.91% in the first final session, giving them a lead of more than 100 matchpoints on an 87 top.

Their second final session was nearly 58% — and it was their worst. Their final score of 3030.60 was well clear of the runners-up, who scored 2871.15.

Furuta, Yokoi are Blue Ribbon frontrunners

The Japanese duo of Kazuo Furuta and Hiroki Yokoi finished atop the list of qualifiers in the Kaplan Blue Ribbon Pairs after Wednesday's semifinal round. Pairing a 56.33% effort in the afternoon session with a big 71.08% in the evening, Furuta and Yokoi lead the field by one and a half boards. Their total with carryover is 4370.53 (top was 103).

In second with 4207.73 are Apolinary Kowalski of Warsaw, Poland, and Ed Wojewoda of Clovis CA. Third place is currently held by Canadians Jonathan Steinberg and Daniel Korbel with 4180.23.

Reisinger Pre-registration

Teams wishing to enter the Reisinger Board-a-Match Teams must pre-register by Thursday, Nov. 29, at 7:30 p.m.

Double trouble

Steve Love and Rich Ekstrum reported an unusual set of scores for one round in the Stratified Open Pairs on Wednesday.

Love, of Laguna Niguel CA, and Ekstrum, of Minneapolis MN, declared and made 2♥ doubled on consecutive boards against the same pair. Plus 470 twice.

Life Master news

Cherie Shimek of Sacramento is a new Life Master, thanks to her squad's performance in the Wednesday bracketed knockout teams. Her partner was Lynn Pasternak, and their teammates were Jan Levin and Nancy Fisher.

Marsha Bernstein of Houston is now a Gold Life Master, passing the 2500-point barrier in the knockout teams on Wednesday. Her partner was Sandy Lobliner, and their teammates were Elton Lipnick and Jonathan Holmes. All are from Houston.

Another new Life Master is **Martha Rosenberg** of San Francisco, who earned her gold card on Tuesday night.

Herma Altshule of Pacific Palisades CA earned her gold card playing in the Tuesday-Wednesday Bracketed Knockout Teams. Her partner was Marion Tumen, also of Pacific Palisades, and they were playing with Robert and Heidi Karriker of Norman OK. Altshule said she owes a lot to her bridge teacher, Viktor Anikovich of Los Angeles.

John Spurgeon of Cedaredge CO is a new Life Master, thanks to a team effort in the Tuesday-Wednesday KO. He was playing with Karen Renne, also of Cedaredge. Their teammates were Joan Tschirke of Denver and John Cox of Kellogg ID.

Victor Breinberg can now put a letter at the beginning of his player number. The Staten Island NY player earned his gold card in the Tuesday-Wednesday Knockout Teams, playing with Bonnie Breinberg. Their teammates were Ami and Nurit Elis of Pittsburgh PA.

Lightning doesn't strike twice

By Ellyn Batko, Deerfield IL

Lightning doesn't strike twice
But apparently it did
I can't follow suit
And I certainly can't bid

But miracles happen I'm here to attest Hang in there, Sloopy And just do your best

Rewards come in heaven
We know this is true
But how on earth I win
I haven't a clue

Back in Atlanta We were first overall Winning the Swiss That was a ball

With three other people
I never had seen
Just four for the ace
And three for the queen

And now here in Frisco
Day after day
I'm hanging, Dear Sloopy
And trying to play

Last Saturday night The BAM, we got in it Four perfect strangers At the very last minute

I was first overall With this adorable kid Lightning doesn't strike twice But apparently it did

So don't be discouraged
Don't be dismayed
If you count and stay focused
You too can play

I played a diamond to David's hand, and he played another trump. Declarer won in hand (his only entry) and took a club finesse. He was stuck in dummy and could get only two club tricks and three trump tricks. That was four down and plus 800 for us.

Our teammates also played 3 , down four, but they weren't doubled.

Notice that even though we have a 4-4 diamond fit, hearts was the best spot because we can make plus 140.

Bid Box Alerts and Announcements

When using bid boxes, ACBL suggests that players tap the Alert strip and say "Alert" at the same time.

When making an Announcement, use the Announcement word — such as "transfer" — and tap the Alert strip at the same time.

A player who Alerts or Announces a bid should make sure his opponents are aware that an Alert or Announcement has been made.

JUST FOR NEW PLAYERS

Dear New Player,

It was back in my newcomer days, and I was attending a regional in Hunt Valley MD. The tournament committee had scheduled wonderful

pre-game lectures, and that day the incomparable Edith McMullin was giving a talk, "How to Improve Your Game 50% – today!"

No way was I gonna miss that! I'd settle for a measly 5%

improvement — then or now! 50%? Wow! I settled in my seat, got out my notepad, sharpest pencil and two back-up pencils. I was ready.

I had heard Edith speak before and knew she was the best. Funny, take-no-prisoners, down-toearth, informative. I was filled with anticipation. What would it be? A bidding tip to ensure I actually got to the right contract occasionally? A way to surprise everyone by picking the best opening lead? Maybe — gasp, could it be? the secret to taking tricks on purpose when playing the contract?

But no. It was none of those. What it boiled down to was this:

"Treat your partner as if s/he was the smartest, best player in the room."

Huh? You're kidding.

"Never ask your pard 'Where is the hand you were bidding with?" "

That's gonna improve my game 50%?!

"Be on Pard's side. No one can play with three opponents at the table."

Hmmm. I started thinking. And listening. And absorbing.

Many years later, I can tell you it is the flatout, absolute truth — and the best bridge tip anyone ever gave me.

Last week, I had my once-monthly game with Elizabeth. She is on everyone's list of favorite partners, and for good reason. Not only is she a rock-solid, dependable player (although capable of occasional flights of fancy — a critical factor of success) but she is just plain nice. I'm sure she's got a temper, and I'm sure she's capable of bad moods, but I have never seen a sign of it while playing with her.

First board of the sixth round, I made one of my occasional blunders ... my mind left the room and my evil twin played the contract badly. Elizabeth, God bless her, said, "I did that exact same thing yesterday when I was playing with Carol. It didn't work then, either!" See why everyone loves her? We had a wonderful game, coming in first, but best of all, we had fun, and I felt great all afternoon. Folks, you can't always win, but you can always have fun with a marvelous partner.

Here are some partnership truths. I wish I could remember who wrote/told them to me so I could give them credit. Just know all this wisdom didn't come from

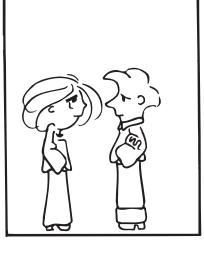

"You can't teach your partner to play...this minute, today." Even though you are, of course, the most brilliant player in the world, you can't impart all your vast knowledge and wisdom in one sitting. If there's something you want to work on with pard, write down the board number and look at it after the game. Most directors/teachers will take

a little time to referee if you need it.

"No one can learn while they're still bleeding on the carpet." Your Pard already knows she made a mistake. You don't need to reinforce it. Plus she'll be more receptive to "correction" later when

the wound is healing. Not right now. Tomorrow is good, next week is better, never is best of all.

More partnership truths tomorrow. Meanwhile, my e-mail address is mronemus@comcast.net.

Opening lead: ♠6.

Bidding commentary: South is allowed to open 1NT with a low doubleton. If South is the nervous type, he might consider putting the ♦A or ♦K in with his hearts.

North transfers to hearts and then gives partner a choice of game contracts - 3NT or 4♥ by showing a five-card heart suit with a balanced-type hand. South, with a low doubleton in hearts, has no trouble choosing.

Defensive commentary: When the ▲10 is played from dummy, East plays the 8, a count card. The third hand rule is this: If partner leads low from length and dummy plays the queen or a lower card that third hand cannot top, third hand gives count. The opening leader knows it is count because third hand normally covers dummy's card when possible.

Play commentary: As South, look ahead! To make this contract, you have to bring in the hearts. If the opponents take the second heart, where is your entry to the hearts? If you play a low spade at trick one, there is no sure dummy entry in spades to the hearts once they are established. (West can duck the **AK** and East has the *Q over the *J). However, if you win the opening lead with the **AK** (key play) and drive out the $\forall A$, you have an entry $(\land Q)$ to the hearts.

Defensive commentary #2: When declarer leads up to a strong suit in dummy missing the ace, the defender lacking the ace (West) gives count. Standard count is low from an odd number and high-low from an even number of cards. When West plays the $\vee 3$, East, seeing the $\vee 2$, knows West has three hearts (odd) and South has two. East takes the second heart, declarer's last, making it that much harder for declarer to get to dummy's hearts.

Morse sees the WMSG as a terrific opportunity: World press coverage helps local promoters get news about hometown events the media coverage they want.

"We're already doing a good job in this area, but we need to do more."

Morse is a firm believer in promoting the game to middle-aged and older audiences to tap into their time and financial resources.

"Bridge is the best game in the world for everyone, but especially empty nesters. We need to reach out to them, emphasizing that bridge is a great stimulus for the brain."

Morse is a native Houstonian and a retired pharmacist. He owned the Beechnut Professional Pharmacy in Houston for 28 years. He is married to Joan, his wife of 39 years.

"I have high hopes this year that we can make people see what a terrific game bridge is. If people will just try it, they'll get hooked. Bridge is that easy to love."

On this deal (rotated) from the second qualifying session of the Kaplan Blue Ribbon Pairs, Mel Colchamiro found a cute line of play as declarer. He was playing with partner Ruth Grant.

In fourth seat, at favorable vulnerability, Colchamiro picked up:

♦A32 **♥**AQ **♦**AQ974 **♣**A73.

After three passes, he opened 2NT (20-21 HCP). Grant transferred to hearts, and rebid 3NT, which Colchamiro passed.

West led the ♦J and this is what declarer saw:

- **♠** 10 6 5
- **♥** K 10 8 7 2
- ♦ K 5 3
- **♣** J 9
- **♠** A 3 2
- ♥ A Q
- ♦ AQ974
- ♣ A 7 3

The good news is that you didn't get a blacksuit lead. But how to proceed?

There are eight tricks on top. If diamonds are 3-2 (unlikely on the opening lead), there are 10 tricks. If diamonds are 4-1, there are nine tricks.

What about the heart suit? If hearts are 3-3, as many as 11 tricks are possible, assuming 4-1 diamonds. If the hearts are 4-2 (and the ♥J is not doubleton), there may only be nine tricks again.

Colchamiro decided that his best shot was to duck the opening lead in both hands. West would be unlikely to switch, and sure enough, West continued with the ◆10 at trick two. Colchamiro won the ace and played off the ♥A Q. When the ♥9 appeared on his left, he overtook the queen with dummy's ♥K and drove out the ♥J. East won and switched to a spade, but declarer now had 10 tricks in the bag: one spade, four hearts, four diamonds and a club.

The full deal:

▲ 10 6 5 ♥ K 10 8 7 2 ♦ K 5 3 **♣** J 9 **∧** K 8 7 4 **♠** QJ9 **♥** 9 5 ♥ J 6 4 3 ♦ J 10 8 2 **♦** 6 ♣ Q 10 5 ♣ K 8 6 4 2 **♠** A 3 2 ♥ A Q ♦ AQ974 ♣ A 7 3

Plus 430 as worth 32 out of a possible 38 matchpoints. Note that an opening spade or club lead holds declarer to eight tricks, while a blacksuit switch at trick two holds declarer to nine.

One more time

This deal from the Victor Mitchell Open Board-a-Match Teams has been written up twice so far. It is, after all, relatively unusual to play game in a 4-2 fit. It was definitely the right spot in this case.

It is shown again because of a couple of "different" adventures with the deal.

On the first, Barry Rigal writes:

What would you consider the apotheosis of matchpoint strategy? I'm not sure you could go any further than Warren Rosner and Arch McKeller, who did something I've never seen before: They played a 4-2 fit at the five level. Their auction:

Game forcing with hearts or hearts and clubs or balanced.

Talk about landing on a pinhead! 5♥ was good for 11 tricks and a win on the board.

If that's not spectacular enough, consider this from Brian Glubok and David Hoffner.

West	North	East	South

West led a trump, taken in dummy with the king. Hoffner, not content to be in a vastly superior contract, went for the gusto by playing a low spade from dummy, ducking. East won and could have held declarer to 10 tricks by playing a diamond, but he continued trumps, and with spades splitting 3-3, declarer had the biggest overkill in the tournament so far – plus 680!

Convention card reminder

Each player is required to have a convention card filled out legibly and on the table throughout a session. Both cards of a partnership must be identical and include the first and last names of each member of the partnership.

If a director determines that neither player has a substantially completed card, the partnership may play only the Standard American Yellow Card and may use only standard carding. This restriction may be lifted only at the beginning of a subsequent round after convention cards have been properly prepared and approved by the director. Further, the partnership will receive a 1/6 board matchpoint penalty for each board played, commencing with the next round and continuing until the restriction is lifted. In IMP team games, penalties shall be at the discretion of the director.

If the director determines the partnership has at least one substantially completed convention card but has not fully complied with ACBL regulations, the director may give warnings or assign such penalties as he deems to be appropriate under the circumstances.

The objective of these warnings and penalties is the encouragement of full compliance with ACBL regulations.

3NT by South is a pretty decent spot on a minor-suit lead, but South meanly led a heart from his three to the jack. Itabashi captured the ♥Q with the king and ran six spades to reach this ending:

On the play of the ♠2, everyone discarded a heart. Now came the ♥A, on which East discarded a club. Itabashi came down to two cards in each minor. What was West to keep? He elected to discard the ♠3, so Itabashi led a diamond to endplay West, who had to concede a club at the end.

In the post mortem it was clear that if West had discarded down to three diamonds, he can be endplayed in clubs to concede 11 tricks. Also, if he pitches the ◆Q, Itabashi would have an answer – he leads a diamond to the 9.

Jack Mizel and I did well to get to 4♥ - I heard stories of others getting into trouble on the deal — but the contract still had to be made.

Linda Lewis cashed the $\triangle A$, then switched to the $\lozenge 10$. Mizel covered with the jack and, after some thought, John Solodar played the queen. Mizel won the $\lozenge K$ and looked at how best to pull the trumps. From his point of view, diamonds rated to be 5-2, in which case he could not afford to lose an early round to the $\blacktriangledown K$, say by leading low to the $\blacktriangledown 10$, yet he needed to utilize the power of the 10 in case the suit was 4-2.

Mizel found the correct solution. He led a club and must have been pleased to see the king on his left. He won the ace and ran the ♥10. When that held the trick he ruffed dummy's winning ♠K to get back to hand and played ace then queen of trumps. Solodar could win the ♥K and cash the ♠A but that was all; 10 tricks for plus 420 and an excellent matchpoint score.

Mizel also showed good judgment on this deal (hands rotated):

The 2NT overcall showed a good 15 to 18 and 3♠ was a puppet to 3NT, the way to launch a minor-suit slam try. 4♠ showed a diamond single-suiter — 7-4 hands almost always belong in the seven-card suit — so Mizel was correct to treat his hand this way rather than as a minor two-suiter with longer diamonds. When he next cuebid the ♣A, I had had enough and, looking at five top tricks, closed proceedings with a jump to the top-scoring slam. This time there was nothing to the play. Plus 990 was good for another big pile of matchpoints.

West leads the K and shifts to the 6. Dummy's jack wins (unless you want to overtake it). What now?

At the table, declarer decided to draw a second trump before playing on diamonds. Not a good idea! Fred Stewart, who had shifted to that devilish $\forall 6$, won the second trump and played a club, leaving the defenders with a diamond to cash and a club trick sooner or later.

The full deal:

Kit Woolsey was full of praise for his partner's defense. Note that if Woolsey had overtaken at trick one to shift to a heart, Stewart might not have found it so easy to duck smoothly. A club continuation at trick two lets declarer ruff, finesse in diamonds, then ruff a second club and play a trump to make his contract in comfort.

4♥ went down as often as it was made, but on any other defense you would surely fancy declarer's chances.

Style points

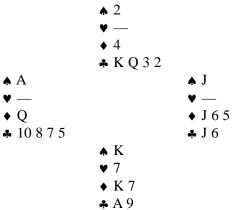

By Barry Rigal

On this deal from the Bobby Nail Life Master Pairs, Diego Brenner wasn't satisfied just to be in the top-scoring contract. He wanted more – and he got it (hands rotated).

West led a low diamond to the 10 and ace. How should declarer continue? It's clear that 12 tricks are there for the taking. Brenner realized that he needed to steal a spade trick, but even then he had no guarantee of a squeeze.

At trick two, he advanced the ♠10, and when West ducked, he went up with dummy's queen and ran six heart tricks, to reach this ending, having unblocked dummy's ♠8:

Brenner cashed the $\blacktriangledown 7$, forcing a diamond discard from West. Now the $\blacklozenge K$ would catch West in a simply squeeze, but Brenner elected to cash the top clubs to confirm the count in that suit, then he finessed the $\blacklozenge 7$ at trick 12 with confidence, knowing that West's last two cards were the $\spadesuit A$ and the $\clubsuit 10$.

TOURNAMENT APPEALS

made to ensure that these reports are accurate and complete. However, before they are published in the NABC Appeals Casebook revisions may be made.

APPEAL CASE 4

Mitchell Open Board-a-Match Teams First qualifying session

Leszek Rabiega Board: 26 **♠** Q 9 Vul: Both **♥** 8 7 5 2 Dlr: East ♦ AQJ986 ***** 3 Steven Johnson Mark Teaford **▲** KJ 10 7 **★** 8 6 3 ♥ A K Q **♥** 63 ♦ K 10 **♦** 54 **♣** K Q J 9 4 ♣ A 10 7 6 5 Gabriela Rabiega **∧** A 5 4 2 ♥ J 10 9 4 ♦ 732 ***** 82 West North East South Pass Pass 1NT(1)2 4 (2) Dbl (3) Rdbl All Pass Pass Dbl 2• (1) 15-17 HCP.

(2) Explained as clubs plus a higher-ranking suit.

(3) Stayman.

The Facts: The director was called after the hand was played. The explanation of $2 \clubsuit$ was incorrect. The actual agreement is an unspecified one-suited hand. East said that with the correct information, he would not have doubled $2 \spadesuit$.

The Ruling: It was deemed that there was Misinformation (MI). With the correct

information, it was likely that East would bid $3 \spadesuit$ over $2 \spadesuit$. West would bid 3NT. North would lead the $\spadesuit Q$. Therefore, in accordance with Laws 40C and 12C2, the result was adjusted to the most favorable result that was likely for the non-offending side and the same result for the offending side: 3NT by West, making three, E-W plus 600.

The Appeal: North asserted that had E-W arrived at a 3NT contract he would never lead the ◆Q. He also did not correct the incorrect explanation prior to the opening lead because the damage had already been done.

E-W did not try to suggest how the auction might have gone if they had been given the correct explanation to the 2♣ bid, other than stating that East would not double 2♠. The double of 2♠ was based on the assumption that West had to have diamonds given no club length or a four-card major.

The Decision: The committee concluded that the most likely auction given correct information was a forcing 3♣ bid rather than the final double by East. West would most likely respond either 3♥ or 3NT. If West bid 3♥, East might bid 3♠ followed by 3NT by West. The committee ruled that the most favorable result that was likely had the irregularity not occurred, for the non-offending side, and the most unfavorable result that was at all probable for the offending side would be 3NT making three. In accordance with Law 12C2, the results of plus 600 for E-W and minus 600 for N-S were awarded.

The committee found no merit to the appeal; therefore, an appeal without merit warning (AWMW) was imposed to N-S and the team captain. There was some discussion as to imposing a procedural penalty (PP) to N-S for failure to disclose the correct explanation prior to the opening lead, but the committee chose not to.

Yes, dear

Gustawsson had too much to consider passing the diamond preempt, and when Gunnar Andersson cuebid in response to the takeout double, Gustawsson picked his stronger major.

There would have been no story had West heeded partner's lead-directing double of $4 \spadesuit$. Instead, West started with the \spadesuit K. Gustawsson won the \spadesuit A and played a spade to his king, then a spade to the ace, noting gratefully that trumps behaved.

He played the top three clubs, pitching a diamond from dummy, then ruffed a fourth club and played a trump back to his queen.

On the fifth round of clubs, dummy's second diamond went away, and East was feeling some

pressure. A heart discard would make life simple for declarer, so one of the diamond honors had to go.

Gustawsson then ruffed a diamond with dummy's last trump, felling East's other diamond honor, and played the ♥2 from dummy's ♥Q 9 2. East was down to nothing but hearts and but didn't want to be endplayed, so the ♥2 went to Gustawsson's 8. He conceded a heart trick at the end for plus 680 and 98 out of 103 matchpoints.

Tournament terminology

Swiss Teams: an event in which a team (of four, five or six players – with four playing at a time) plays other teams in seven-, eight- or nineboard matches. Team A sits North-South at Table 1 and East-West at Table 2 while Team B sits East-West at Table 1 and North-South at Table 2. The results are compared and scored by International Match Points (IMPs).

Pairings for the first round are random. Pairings for succeeding rounds are determined by a team's win-loss record or victory point total.

International Match Points (IMPs): the most common method of scoring Swiss teams matches. Scoring example: if Team A scores plus 620 for bidding and making 4♠ on a particular deal and Team B scores only plus 170 (they didn't bid the game), the difference is 450, which converts to 10 IMPs. The IMP chart is shown on the inside of your convention card.

Victory points (VPs): a method of scoring Swiss Team matches. After the scores are compared and converted to IMPs, the IMP total is converted to Victory Points. A team's VP total may be used to determine its next opponents and its final standing.

(1) Preemptive.

West leads the AQ. How will you make 10 tricks?

Solution

As East did not open the bidding with a spade preempt, it is safe to duck the $\triangle Q$. Suppose East overtakes with the $\triangle K$ and shifts to a diamond. When the full deal is

A 7 3 ▼ 7 5 4 3 2 ◆ Q 6 ♣ 10 8 7 A Q J 9 4 ▼ — ◆ K J 10 8 4 2 ♣ A J 3 A 6 2 ▼ A K Q J 9 8

On the bidding, you should place West with the $\blacklozenge K$ and rise with the $\blacklozenge A$. Then, after drawing trumps, you should play a spade to the ace and ruff dummy's last spade.

♦ A 5

♣ K Q 9

Your next move will be to play the ◆5. West will prevent dummy's ◆Q from scoring a trick by rising with his king, but he will then find himself endplayed, forced to lead a club or give away a ruff-and-discard. Either way, all you will lose is one spade, one diamond and one club!

Second in the Mini-Blue Ribbon Pairs: Metin Gokcen and Sadik Arf.

Jack be nimble

On this deal from the Compact Knockout Teams on Sunday, West had a chance to make a nifty defensive play, but it didn't work out. Lowell Andrews reported the deal.

South played in 1NT after opening 14, with a 14 overcall by West and a negative double from North.

West led the ♥10 to the 4, 5 and king. Declarer played to the ♣K, then to the ace. Feeling that clubs weren't breaking, South led to the ♥Q. East took the ace and pushed a spade through. Declarer ducked to West's ♠10. West thought for a bit and got out with the ♦3. Declarer wasn't buying, however. He put up dummy's ♦Q and played a second round of the suit. West had three diamonds tricks but had to lead a spade at the end. That was plus 90 for declarer. Can you see the solution? West must exit with the ♦J, paving the way for partner to get in with the ♦10 for another spade play.

Masterpoint info

Masterpoints are the unit which measures bridge achievement in competition. Masterpoints are awarded at ACBL clubs and tournaments in amounts proportional to the size and classification of the event and the rating of the club or

- Black points: awarded at club games. Some special club games award red, gold or silver
- **Red points:** awarded for section placements at regional tournaments and NABCs. Also awarded at clubs for special events such as the qualifying rounds of the North American Open Pairs and the Grand National Teams.
- Gold points: awarded for section firsts and overall placing in regionally rated events that have no upper masterpoint restrictions.
- **Platinum points:** awarded for NABC+ events.

Gold points are also awarded for sectional firsts and overall placing in regional events of two or more sessions that have a masterpoint limit of 750 or more points.

One gold point is awarded to section winners in the annual ACBL Instant Matchpoint Game in sections of seven or more tables.

In addition, new players may now win gold points in their own NABC events: .50 gold in the National 49er Pairs at the Spring NABC, 1.50 gold in the National 199er Pairs at the Summer NABC and 1.00 gold in the National 99er Pairs at the Fall NABC (the remainder of the award is in red points).

A major source of gold points is the Bracketed Knockout Teams. The overall awards for the top brackets are all gold while the lower brackets may receive a percentage of gold points and the remainder in red points.

• Silver points: awarded for sectional firsts and overall placing at sectional tournaments. Also awarded at Sectional Tournaments at Clubs

Barry Crane Top 500 race: This trophy is presented to the ACBL player who wins the most masterpoints during a calendar year. Originally the McKenney Trophy, it was put into play by William E. McKenney, ACBL executive secretary. It was known as the McKenney Trophy from 1937

The list was expanded to include the top 500 players in 1982 and called the Top 500 from 1982 to 1985. It was renamed the Barry Crane Top 500 in 1986.

Crane, who was murdered in July 1985, was ACBL's top masterpoint holder at that time and was acknowledged by his peers to be unequaled as a masterpoint winner and a matchpoint player.

Mini-McKenney races: In 1974 the ACBL Board of Directors voted to recognize masterpoint achievements among player below the rank of Life Master. The Bridge Bulletin recognizes leaders ACBL-wide. At the unit level, winners in each category receive recognition and special medallions.

All points won during a calendar year are counted in these races.

Ace of Clubs contests: This competition was created in 1984 to recognize achievement at the club level. Winners are recognized at the unit level as well as ACBL-wide.

Points won only at the club level -- excluding the North American Open Pairs, the Grand National Teams and Sectional Tournaments at Clubs -- are counted in these races.

Masterpoint races: ACBL recognizes the players who win the most masterpoints in their categories during the calendar year. The categories include 300-500, 500-1000, 1000-2500, 2500-5000, 5000-7500, 7500-10,000, 10,000-plus, Youth, Junior, Sectional (points won only at sectional tournaments during the year), Senior, Online and Richmond Trophy (Canada).

Mid-Atlantic: George and the gators

Here's where to play your first two regionals of 2008

Williamsburg, VA, Jan. 14-20, the Marriott, 50 Kingsmill Road, 757-220-2500. A town steeped in history, and where George Washington slept around. Take a nice midwinter break in a relaxed and pleasant atmosphere.

Chair: Wyatt Mapp, mappowell@yahoo.com, 757-678-7255.

Hilton Head, SG, Feb. 11-17, Marriott Beach & Golf Resort, 843-686-8400. A hint of spring in the Mid-Atlantic. The Low Country Classic draws the game's top players -- and plenty more. Our hosts ask one favor: Please do not feed the alligators.

678-7255. **Co-chair:** Lowry Miller, djmiller45@hotmail.com, 843-757-4505.

Memorials and Honorariums

Honoring Gene Simpson

Gene Simpson is a bridge professional who has done more for the game of duplicate bridge — first in the Los Angeles area and now in the Bay Area — than just about anyone. As a native of Virginia and a graduate of Virginia Tech, he is a true "southern gentleman" both at the table and in his everyday life.

This year, he passed the 25,000-masterpoint milestone. He has won four national championships since the early Eighties, and he has over 400 regional wins. Gene was on the winning

Senior team at the 2000 Transnational Teams in the world championships in Bermuda.

Gene qualified for the Olympic trials in the half mile in 1960. He learned to play bridge in 1964 and managed to keep up a business selling stocks while being a full-time bridge professional. Gene never hesitates to compliment his partner's good play, and with his warm smile, Gene is a pleasure to play against whether matched against new players or top-flight stars.

In Memory of Mike Kessler

Mike Kessler was a man of many passions. Among these were his family, politics and playing bridge. His passion for bridge extended throughout his whole family. Mike began playing in his 30s and played well into his 80s. He loved the game and became a Life Master at age 50. He was known for being very compelling. Mike also collected donations from fellow players for causes dear to his heart. The San Francisco staff appreciates you joining us in playing this game in remembrance of Mike Kessler.
