Ledeen grabs Senior Swiss crown

Truscott USPC
Senior Swiss
Teams
champions:
non-playing
captain Beta
Nahapetian,
Benito Garozzo,
Lea Dupont,
Karen Allison
and Mike Ledeen.

The foursome of Michael Ledeen of Chevy Chase MD, Karen Allison of Las Vegas, and Benito Garozzo and Lea Dupont of Palm Beach FL topped the field in the Truscott/U.S. Playing Card Senior Swiss Teams, posting a total of 127.18 Victory Points to win the two-day event.

In second with 124 VPs were Tom Rutledge of Charleston SC, Bill Wisdom of Salisbury NC, and Jerry Helms and Robert Bitterman of Charlotte NC.

The winners qualified 20-25th in the opening round, but stormed to the front in the two-session final.

This was the first NABC victory for captain

Ledeen. His best previous finish was second in the Keohane North American Swiss Teams. His teammates have each won previous NABC titles, (and Garozzo, of course, has multiple world titles to his credit), but this is the first time any have won this particular event.

Attendance through Tuesday evening: 8323 Tables

Gunnell, Brady lead Wernher Pairs

The Florida-based duo of Brian Gunnell and John Brady led the qualifiers in yesterday's opening round of the Wernher Open Pairs. With a 59.32% game in the afternoon session and a 62.85% in the evening, Gunnel and Brady finished

with 1207.13 to lead by less than half a board. In second with 1193 are Nicholas L'Ecuyer and Nikolay Demirev.

Of the 248 pairs that entered the event, 130 made the cut to today's two-session final.

Martels prove bridge and marriage can mix

By Karen Walker

Anyone who has ever played bridge with a spouse or "significant other" knows the special challenges of juggling a bridge partnership and a personal relationship. Many couples handle both well and have long records of tournament successes. Others have only slightly better rapport than John and Myrtle Bennett.

One married couple who seems to know the secret is Chip and Jan Martel, who won the Grand National Teams, Championship Flight, at this tournament. It was the first win in this event for Jan and a record-breaking eighth GNT championship for Chip.

The Martels were married in 1982, the year of Chip's first GNT win. The format back then included a round of zonal playoffs to determine the teams that would advance to the NABC, and the playoff happened to be the day after their wedding. The newlyweds had barely said, "I do" before they were on a plane to Los Angeles for the zonal match.

Chip and Jan began playing together in the *Continued on page 4*

Two high seeds fall in Spingold's first full day

The team captained by James Cayne, seeded No. 3 in the Spingold Knockout Teams, is now on the sidelines after losing 141-140 to a California squad captained by Mike Levinson.

Levinson, seeded No. 62, is playing with Paul McDaniels, Andrew Gumperz and Michael Crawford.

They took an early lead against Cayne and built an 18-IMP lead at halftime, but Cayne came back to go ahead 118-111 with a quarter to go. Levinson won the final set 30-12 to advance.

Defending champs ousted from Wagar

The top-seeded squad in the Wagar Women's Knockout Teams was eliminated from play in yesterday's quarterfinal round. The team of Lynn Baker, Karen McCallum, Lynn Deas, Beth Palmer, Irina Levitina, Kerri Sanborn and Sam Dinkin npc, the defending champions and U.S. representative to the upcoming Venice Cup in Sao Paulo, lost 179-144 to the No. 8 seed of Lynne Schaefer, Susan Miller, Bronia Jenkins, Kyoko Shimamura, Martha Katz and Ellasue Chaitt.

Schaefer will face No. 4 Lisa Berkowitz's squad in the semifinal round.

The other semifinal bracket features the team captained by Geeske Joel against Shawn Quinn's squad.

Many top seeds exit Mini-Spin 1

In round-of-32 action in the Mini-Spingold Knockout Teams, the Nos. 2, 3, 4, 5, 9 seeds were among those defeated yesterday. Some highlights:

The No. 2 seed led by Chuck Kreuger lost 118-99 to the No. 31 team, the California-based squad captained by Robert Roman.

Robert Glickman's No. 3 seed trailed the entire match against their No. 30 opponents from Massachusetts, led by Brian Duran. Glickman charged in the last set, but fell short by 1 IMP: 108-107.

The No. 4 team captained by James Melville, a previous winner of the event, fell 104-88 to the No. 29 squad led by Gary Donner.

Nos. 1, 2 seeds out in Mini-Spin II

In Tuesday's round of 16 in the Mini-Spingold Knockout Teams II, the No.1 squad led by Alex Lovejoy tied the No. 16 captained by Victor Hsu, 131-131. IN the playoff, however, Hsu prevailed 32-0 to advance.

Dana Berkowitz's No. 2 squad was walloped by Peter Boyd-Bowman's No. 15 team 233-124.

Eric Hendrickson's No. 10 squad staged the only comeback of the round. Trailing by 31 IMPs after the first quarter, they tied No. 7 Kenneth Hopke's team by the end of the thirds set, and went on to win 96-76.

Life Master News

Billie Kathleen Brown of Evansville IN soon will be the proud owner of a new gold card, having become a Life Master playing in a compact knockout teams at the Summer NABC.

Two other Evansville players helped Brown earn her rank change: partner was Bev Nikolajewski and teammate Nancy Gaunt. Their fourth was Mary Ann Bond of Fargo ND.

Allan Tushman of West Bloomfield MI crossed the 1000-point barrier and is now a Silver Life Master. He went over in the knockout teams, playing with Bernie Weiss (his partner) and Lillian Range, both of New Orleans, and Julius Rosenfield of River Ridge LA.

Susan Appel Bass of Chicago is now a Life Master, having earned her gold card in the Monday-Tuesday bracketed knockouts, playing with Ellen Gabriel, also of Chicago; Joyce Joseph of Glencoe IL and Debbie Thomas-Howie of Toronto.

Masterpoint disclaimer

Scores as reported in the Daily Bulletin are subject to change because of score changes or corrections. Therefore, the masterpoint awards as shown are also subject to change.

ACBL bans electronic devices in national events

The ACBL Board of Directors approved a comprehensive ban on electronic devices for all national level events, but not regional or Intermediate Newcomer contests:

Electronic devices, excluding health related equipment, capable of sending or receiving communication, including but not limited to, headphones, earphones, cellular phones and minicomputers: (1) shall not be allowed in the playing areas, adjacent hallways, restrooms or accessible break areas; and (2) shall not be used during a session.

These restrictions shall apply to all pairs, team members, captains, coaches, recorders and kibitzers and shall apply throughout any actual playing session or segment.

A violation of this policy shall result in a disciplinary penalty of one full board (or 12 IMPs at that form of scoring) for the first offense. A second offense shall result in disqualification from the event for the pair/team.

Kibitzers violating this policy shall be removed from the playing area for the remainder of the session.

Participants in the following contests will be reminded not to approach the playing area with a personal electronic device in their possession, even if the device is turned off: all flights of the Grand National Teams, the von Zedtwitz, Bruce and Young Life Master Pairs, the Spingold Knockout Teams, both Mini-Spingolds, the Wagar Women's Knockout Teams, the Truscott/USPC Senior Swiss Teams, the Wernher Open Pairs, the NABC+ Fast Pairs, the Mixed Board-a-Match Teams, the Open Swiss Teams and the National 199er Pairs.

JUST FOR NEW PLAYERS

Takeout doubles and overcalls

By Leslie Shafer

You're getting ready to open, but your RHO opens the bidding first. If you choose to enter

this auction, you are no longer the opener. You can 1) make a takeout double, 2) overcall in a good five-card or longer suit or 3) overcall 1NT.

a takeout double with any opening hand. This is far from the truth. A takeout doubler must be short in the opponent's opening bid suit; have three or four cards in all the unbid suits; and have high-card strength equivalent to an opening hand. The doubler is asking his partner to name the suit, so the doubler usually ends up being the dummy. This is why we allow a takeout doubler to count shortness in his evaluation of strength. It might be 10 HCP with a singleton in RHO's bid suit!

2. Overcall a good five-card (or longer) suit. We'd prefer you to have a decent looking suit with a few honors in it. After all, if partner ends up as opening leader, he'll be leading your bid suit. The uglier your suit, the more HCPs you will need as a backup. Remember, be careful what you ask for because sometimes you get it.

One-Level Overcall Requirements: Just a good five-card suit is enough.

Two-Level Overcall Requirements: Good five-card suit and opening hand strength.

3. Overcalling 1NT. Usually 16-18 points (although an excellent 15-count might sway me),

balanced distribution and a stopper in your opponent's opening bid suit. Opening 1NT does not promise a stopper in every suit; however, overcalling 1NT definitely requires a stopper in their suit.

So what happens if you don't have the proper hand to do 1, 2 or 3 above? Pass. Yes, I hear you muttering "But ... but ... I have 14 HCP, I have to do something with this hand!" No, you don't. You would always open with that hand, but there is only one opener per deal and RHO has already opened. Players who push with the wrong shape just because they have an opening hand are actually not trusting their partner to re-open the auction if it's dying out at a low level. It's an insult. The only reason they keep playing with you is because they don't know how badly they've been insulted.

I hear you continuing to mutter "But I know

he won't come in. I have to bid because I know he won't." Okay, so maybe your partner has a blind spot. Maybe over lunch or dinner you discuss it with him (definitely not in the middle of a game). Tell him what you need him to do and why it will help your partnership's results. Partner needs a chance to do his job and quit making you do it for him. Besides, one day you'll be fortunate enough to play with a more advanced player, and if you continue with these

SPINGLETON!

insulting practices, they'll refuse to play with you again.

Opening lead: *7.

Bidding commentary: South's jump rebid of $3 \checkmark$ is not forcing. It shows six or seven hearts with 9-11 HCP. North has a minimum opening bid, but he has three wonderful cards for South, two aces and the \checkmark Q, a card worth its weight in gold facing serious length. North has a no-brainer raise to $4 \checkmark$. Aces and a fitting honor(s) in partner's long suit(s) are just what the doctor ordered.

Defensive commentary: When there are three bid suits, lead the unbid suit if no other lead stands out.

Play commentary: Counting tricks, South

appears to have nine: six hearts, two clubs and one diamond. An extra trick or two might be secured by ruffing clubs in dummy.

Counting losers, South has two spade losers and two possible club losers. Nothing can be done about the spade losers, but the club losers can be ruffed in dummy.

Are there problems? There are always problems. If the first club is ruffed low and East overruffs and returns a trump, South winds up losing four tricks: two spades, the overruff and eventually a club.

To avoid this embarrassment, declarer should ruff the third club with the ΨQ and the fourth club with the $\Psi 8$. If the fourth club is overruffed

with the jack, South still has 10 tricks: six hearts, one diamond, two clubs and one club ruff in dummy.

Sometimes with two losers to ruff, it is right to ruff the first one high and the second one low, particularly if there is a danger of an early overruff.

Martels

Continued from page 1

GNT about 10 years ago and placed second in 2006. They've won two other national titles as partners and are the only married couple to have won both the GNT and the North American Pairs (1988). Their system is a natural two-over-one structure with a weak 1NT opener, Flannery openings and what Chip calls "mainstream" gadgets. He says their bidding style is fairly aggressive.

Chip, who grew up in Urbana IL, is a computer science professor at the University of California Davis campus. He says it's sometimes difficult to fit bridge into his work schedule, but the NABC dates usually match up well with university breaks, so he rarely misses a big tournament. He also plays in the team trials and a few regionals a year, plus an occasional sectional when he and regular partner Lew Stansby want to get in some extra practice.

Originally from Chicago, Jan is a retired attorney who is now chief operating officer of the United States Bridge Federation. She organizes the ACBL team trials to choose international representatives and created the USBF web site (www.usbf.org). She also sets up the vugraph broadcasts on Bridge Base Online and works as a tableside operator, entering all the bids and plays.

The Martels have a long history of giving back to the game. Chip is a former coach of the U.S. Junior team and currently acts as a mentor and coach for Junior pairs who are practicing online. Besides her volunteer work for USBF, Jan is also involved with ACBL youth programs. She was in charge of the Youth Trials at this tournament and was often interrupted during the GNT event to handle details.

Chip and Jan each have multiple national championships and Chip has five world titles. They're widely regarded as two of the nicest people in the bridge world, so it's no surprise that they're so compatible at the bridge table. Still, they experience the same highs and lows as other married couples who play as partners.

"Playing with a spouse can be difficult because you have so much invested in the relationship," says Jan. "It heightens the need to be 'perfect', even though we all know it's unfair to expect that from any partner."

Chip agrees. "We really get along well away from the table, so we don't feel as much stress as some couples might," said Chip.

They admit that they do have disagreements about each other's bridge decisions. "Chip is a great partner ... most of the time," said Jan. "On the few occasions when he's yelled at me, I know it's because he thinks we're doing well."

Chip offers a good-natured rebuttal: "The part about the yelling could be a bit of an exaggeration. Between a husband and wife, just a raised eyebrow can sometimes be interpreted as a 'yell'."

Jan says that's why she prefers playing behind screens when Chip is her partner. "I don't want to see or even feel those little expressions from the other side of the table," she laughs.

The Martels are looking forward to more opportunities to play as partners after Chip retires in a few years. Until then, they plan to keep playing together in the Grand National Teams and rooting for each other when they enter events with other partners.

Their advice for other bridge-playing couples:

"When there are outside frictions in a relationship, a bridge argument can be the last straw," said Chip. "It's important to go into a session feeling good about each other so you can handle the strain of the inevitable disagreements and bad results."

"You have to keep reminding yourself that your partner is not just your husband, but your best friend. It sounds corny, but it's so true," says Jan.

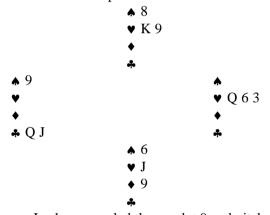

In search of an overtrick

Elliott Sternlicht of New York City reported on a nice bit of declarer play by his partner, Alan Lechner, also of New York City. Lechner, South, made an overtrick in $4 \, \Psi$ on this deal from the Daylight Open Pairs (hands rotated).

The opening lead of the $\blacktriangle J$ went to the $\blacktriangle 3$, king and ace. Lechner led a club to dummy's $\clubsuit A$, then the $\blacklozenge 10$ to his queen and West's ace. West exited with a spade to the queen, and Lechner now cashed the $\clubsuit K$ and $\blacklozenge K$ and ruffed a diamond in dummy.

A club from dummy now gave East an uncomfortable choice. He pitched the ◆J, South ruffed with the ♥4 and led a heart to dummy's ace. He then led dummy's last club and East pitched again (the ♠4), while Lechner ruffed with the ♥8. The end position was:

Lechner now led the good ♦9 and pitched dummy's ♠8. East had to ruff and lead into dummy's ♥K9 to give Lechner his 11th trick.

Jon Sveindal is a regular commentator on BBO (he also happens to be a top-class player) and he was involved in a couple of interesting deals during the course of the Life Master Pairs.

The first, from the second semifinal session saw him face off against another Scandinavian star, Sweden's Peter Fredin, fresh from winning the European Open Pairs Championship.

When North missed the opportunity to collect an easy 500 by doubling 3. South naturally took the push to 3. Sensing blood, West doubled. (In Europe, *The Fredin Double*, which can be based

on anything from a trump stack to a void, is already legendary.)

West led a club and declarer won with the king and played a spade to the ace, West dropping the king. Declarer crossed to dummy with a club and played a spade to the 9, 10 and jack. West cashed the ♠Q, but was then awkwardly placed. He cashed the ♥A and exited with a heart to declarer's queen. Confident that West was 3=3=2=5, declarer played a diamond to dummy's queen. East could win, but then had to play a red suit, to his considerable disadvantage. As you might imagine, plus 530 was a complete top.

On this deal from the second session of the final, Jon posed a problem for the defenders, which they failed to solve:

When South overcalled, North found an excellent way to get his hand over, and on another day it might have led to a good slam being reached. South's modest collection meant that declarer's target was simply to try and find a way to make an overtrick.

West led the $\clubsuit6$, and declarer won with the ace, crossed to dummy with a trump and played the $\blacklozenge J$.

From East's point of view, playing the king would be a big mistake if declarer held ◆A-x and when he played the nine (upside down), West won with the queen.

Now the spotlight was on West. Imagining that East held ◆98x, it seemed essential to switch to a spade, trying to set up a trick in that suit before declarer could establish a trick in diamonds. That gave declarer the extra trick he was looking for along with nearly all the matchpoints.

Just in case you think East-West should have got this right, when Zia played the contract in identical fashion, his opponents also failed to solve the problem, which is not often the case when your names are Jeff and Eric.

Convention card notice

Each player must have an ACBL convention card filled out and on the table. Please note that other types of convention cards, such as the WBF convention card or homemade cards that do not sufficiently resemble the ACBL convention card, are not acceptable substitutes.

Goodwill Message

Have you said "thank you" to a caddy during this NABC? The caddies pick up slips each round

during pair games and move boards during team games — despite players' best efforts to hide the slips and the boards!

A word of thanks will brighten their day, and yours, too.

broadcast of the women's trials on Bridge Base Online in May, I discovered that the Senior trials were scheduled to be held at the JW Marriot Las Vegas, five miles from my home. I called Jan George, a longtime friend and occasional partner, to see if she was interested in playing. Jan agreed that it would be fun, if a bit expensive, but for various reasons, everyone we tried to line up as teammates declined.

Given that we couldn't find teammates, I contacted Jan Martel and volunteered to be a vugraph operator for the trials. Saturday morning, July 4, fewer than 48 hours from the start, I got a call from Roberta Epstein, a good friend and a fine player. A team had been forced to withdraw when its captain had been hospitalized. Would we be interested in filling in with Roberta and her husband Mark? The only downside was that Jan and I hadn't played in some time, but we were excited to be in.

When I started playing duplicate in 1962, there were no bracketed, flighted or stratified events and no Swiss teams. You played against everyone, and besting an expert made a great story and perhaps a fraction of a masterpoint.

One of my greatest memories was having Edgar Kaplan say to me after the second half of a knockout match, "Congratulations and good luck in the next round. I can't imagine that our teammates could have matched your results." In fact, we lost by about 5 IMPs, but his graciousness was something I have always treasured.

The world-class players we faced in the trials displayed that same characteristics. We were the lowest seed, and I was the least-accomplished player on the team, but everyone was friendly and treated us with respect. If lesser players had the same good manners, the ACBL would probably retain a lot more members.

Although we had a slim lead at the half in our first match and were within 15 IMPs early in the second half of our second match, we were knocked out on Tuesday. Congratulations to USA1 (Dan Morse, Bobby Wolff, John Solodar, Paul Swanson, Fred Hamilton and Arnold Fisher) and to USA2 (Carolyn Lynch, Mike Passell, Mark Lair, David Berkowitz, John Sutherlin and Danny Gerstman).

Condolences to the Meltzer, Kasle and Schwartz teams, who were knocked out by 1 IMP, 1 IMP and 4 IMPs, respectively.

Special kudos to Neil Chambers and John Schermer, who were double-dummy perfect against us. There was some great bridge, and I thoroughly enjoyed being involved both as a player and vugraph operator.

Cayne was playing with Michael Seamon, Italian world champions Alfredo Versace-Lorenzo Lauria and Polish stars Krzysztof Martens-Krzysztof Jassem.

The other high seed to fall was No. 9 Jim Mahaffey, who saw a 20-IMP lead after three quarters disappear as the Barry Rigal squad outscored them 54-18 in the last set.

Rigal is playing with Robert and Shane Blanchard, Jeff Aker, Glenn Milgrim and Alex Ornstein. Mahaffey played with Peter Weichsel, Sam Lev, Jacek Pszczola, Fu Zhong and Jie Zhao.

Other top seeds had it easy, although the Nick Nickell squad trailed at the half against Moorthy Kirubakara but won the third quarter 60-6 and the fourth quarter 39-3.

World Transnational **Open Teams**

Even if you didn't qualify in a team trials, you can play in the world championships scheduled this year for Sao Paulo, Brazil.

The World Transnational Open Teams will take place during the second week of the tournament, which runs from Aug. 29 to Sept. 12. The Transnational teams will begin on Monday, Sept. 7. The format will be Swiss teams, 10-board matches for 15 qualifying rounds. The knockout phase, starting with quarterfinals, will begin Thursday, Sept. 10. The event will conclude on Saturday, Sept. 12.

Players in good standing with their national bridge organizations are eligible to participate. There are no country quotas, and teams may be made up of players from any countries.

Registration will be open through the start of the tournament, subject to availability. Players eliminated from the Bermuda Bowl, Venice Cup or Senior Teams will be eligible to play in the TNOT.

Entries may be sent to The World Bridge Federation, 40, rue François 1er, 75008 Paris – France. You may also e-mail cfrancin@worldbridgefed.com.

A walk on the Wagar side

Mark Horton

The inspiration for our title comes from the 1956 novel by Nelson Algren, A Walk on the Wild Side. It is most often quoted as the source for Algren's "three rules of life," one of which is "Never play cards with a man called Doc."

As far as I am aware, none of the players featured in this report from the first-round match between Jackson and Caley is called Doc, but it is fair to say that from time to time I might have benefited from the arrival of a medicinal brandy.

The deals come from the second set, which began with Caley ahead 58-20 IMPs.

When East bid $3 \spadesuit$, she was showing hearts and spades, but for some reason West forgot, leading to a hopeless slam. It cost 13 IMPs.

It's not so easy to reach a slam after an opening $2 \clubsuit$, especially $6 \spadesuit$, but there is one very easy route if East decides to open at the one level. After $1 \checkmark - 1NT$; $3 \checkmark - 4 \checkmark$, East can use the grand slam force and then settle for $6 \spadesuit$.

Of course, on a club lead, slam is 50% as declarer has to finesse, but South tried the ace of hearts and a heart and declarer was soon claiming, plus 980 and 10 IMPs to Jackson.

I recall that many years ago, Bridge Magazine ran a series of articles by Alan Hiron on the meaning of 5♠ in this type of situation. The clue here was that if West had held a heart control, she would have been able to bid it over 3NT.

If you presented the South hand as a lead problem, I guess the majority would vote for a spade, while a few would opt for the ♦Q. Either would have worked better than South's actual choice of the \$9. Declarer took three rounds of the suit, discarding her losing diamonds, and played a spade, North went in with the ace (if she plays low and South wins the trick with the queen and returns a spade, North can win and play a club, ruffed and overruffed, but then declarer ruffs the spade exit with dummy's jack and survives) and played a club, ruffed and overruffed. South exited with a spade and declarer won, cashed the ♥A, ruffed a spade with the ♥J, ruffed a diamond and claimed the rest for plus 450 and 12 IMPs.

Notice that if the position of the $\mathbf{\nabla} \mathbf{Q}$ and $\mathbf{\nabla} \mathbf{10}$ had been reversed, declarer's line of play would have been deservedly punished, as North would have overruffed and played a club, promoting a trump trick for South.

2NT also proved to be easy enough. Declarer won the second spade and played the ♦A and a diamond. East cashed a spade and then switched to a club. Declarer won with the ace, cleared the diamonds, and when East played another club she put up the king for plus 150 and an IMP.

Notice that 3NT can be made. After winning with the AA, declarer plays a low diamond to the jack. East wins and can cash two spades, but declarer wins the next trick, cashes the top clubs, crosses to dummy with a club and takes diamond finesse. There is still an entry to the South hand that overcomes the possible blockage in diamonds.

Cary lost the half 55-32, but still led by 15 IMPs, 90-75.

After some thought, West leads a fourthhighest ♦6. You play low from dummy and East follows with the $\diamond 2$ and you win the ace. Given that West has a void in spades, what is the best plan to make your contract? Specifically, will your plan cope with East having an original 7=3=1=2 distribution?

Solution

If East has two or three diamonds, the play will be straightforward. Simply cross to dummy with a trump to the 10 and lead the $\diamond Q$. If East produces the king, you will ruff and cross back to dummy with a trump to the king and attempt to throw two spade losers on diamond winners. So, under these circumstances, the contract will succeed as long as East at least one club and no more than two trumps.

The contract will also succeed under similar constraints on East's distribution when West has the • K. West will win the trick and, as no return can hurt you, you will make 11 tricks: seven in trumps, at least two in diamonds and two in clubs.

The trouble with this plan occurs when East has a singleton diamond and three trumps, as when this is the full deal:

♦863

- **♥** K 10 ♦ QJ1084 ♣ J 10 2 ♠ A K Q J 10 4 2 **♥** 7 4 3 ♦ K 9 7 6 5 3 **♦** 2 ♣ Q 9 8 6 5 4
 - **4** 7 3
 - **♦** 975 ♥ AQJ9852
 - ♦ A ♣ A K

East will discard a club on the second round of diamonds. West will win the trick with the ♦K and exit with a club. When you cross to dummy with a trump, East will ruff the third round of diamonds, leaving you with two spade losers and only 10 tricks.

The plan that makes the contract on this layout is ingenious. At trick two, you must cash the A, then cross to dummy with a trump to the 10 and lead the \diamond Q.

Suppose first that East ruffs. After overruffing, you will draw East's last trump when you cross back to dummy to the ♥K. Next you will lead the lead the ♦J and discard the ♣K from hand.

If West takes this with the $\blacklozenge K$, as long as you have kept the $\diamond 8$, a diamond return will give dummy two tricks. So West will win and play a club. If it is a low one, the \$10 wins and you can claim. If he plays the $\mathbb{A}Q$, you will discard a spade, leaving West with no winning option.

A variant comes when West ducks the ◆K. Then you will continue with the \$\ J\$ and discard a spade from hand, forcing West to win the Q. He will have to continue with the $\bigstar K$ to avoid immediate surrender, but you will counter by throwing another spade from hand. Then he will have to give the lead to dummy for your 11th

When East correctly discards on the second heart, declarer follows the general idea already outlined, throwing the **&**K. If West takes the trick, he is endplayed into leading a club next, and how to cope with any eventuality has been discussed in the previous paragraph. You will make seven trumps, two diamonds, the A and the two minorsuit winners left in dummy.

If West ducks the $\diamond Q$, you continue with the ♣J. If East does not ruff this, West wins and faces the unsolvable dilemmas already discussed. If East does ruff the ♦J, you will overruff and cross to dummy with a trump to lead the *J, which gives West no winning option.

This plan makes the contract whenever the straightforward play does, but it fails when East began with a 7=3=1=2 shape and a doubleton AQ, but as that occurs only two times in seven, the recommended approach should be adopted as the overwhelming favorite.

Monitoring

At this and future North American Championships, ACBL will be monitoring NABC+ events with visible, real-time cameras. The images will be recorded and will be available for later official inspection and review.

By general monitoring of the session and participants' behavior, ACBL has another source of information that may be useful in determining facts and settling issues arising from some types of ethical and behavioral complaints or actions. Please summon a director if a problem occurs at the table.

This procedure is intended to assure everyone that the playing field is level and that misbehavior will not be tolerated.

NABC Insider 6

The Insider was walking through the Marriott Ballroom the other day at game time and noticed that at 7:33 the game was underway. Our tournament staff does an amazing job of running these NABCs. In the Summer, Sol and Doug run the whole tournament with assistance from directors from all over North America. When you consider they do not know who will be playing until they actually show up to buy an entry, it is quite a feat to have almost 300 tables in one room seated and playing less than three minutes after the posted start time. Sol and Doug juggle a staff of 60-plus, 10 or more playing rooms, 1000 standing tables and make it look easy. The Services crew makes sure everything is ready to play; the money guys dole out Bridge Bucks; the other support staff support; the caddies get the supplies in place and keep the boards and scores moving; the hotel supplies thousands of chairs and about a billion gallons of water; the directors keep the game moving, settle disputes, post the scores and do a myriad of other things to keep things running smoothly; the Bulletin Boys report the results. To the untrained eye – and the Supreme C claims the Insider's eye is as untrained as any – it is truly an amazing thing. Hotel people comment that they have never seen anything like it. Players from other parts of the world tell us that the staff accomplishes things that would not even be considered elsewhere. Give the directors an extra smile and an additional "Thanks" today – they are working incredibly hard to give you the best experience possible.

The Insider has reports that the table count in Washington will exceed expectations – you can always tell when things are going well when the attendance box appears on the Bulletin cover this early in the tournament. The Supreme C sends word down that he is happy. Boss Baum was spotted at the bridge table yesterday. These are all good things, made possible by your support of the game, the ACBL and this NABC. The Insider hopes you are having a great time and that you keep playing through the final session on Sunday. Thank you for coming.

TOURNAMENT APPEALS

APPEAL CASE 4

♣ 5 4 2 West North East South 1 + (1)Pass 1 **v** 1NT (2) Pass $3 \spadesuit (3)$ Dbl Pass Pass Pass

- (1) Two or more clubs.
- (2) Strong.
- (3) After a 1NT opening or a direct 1NT overcall, minor suit Stayman.

Final contract: 3♠ doubled by South.**Opening lead:** ♠K.

Table result: Made three, N-S plus 530. Director ruling: At the table: 3NT by West, making three, E-W plus 600. On screening: 3 \(\) doubled by South making three, N-S plus 530.

Committee ruling: 3♠ doubled by South making three, N-S plus 530.

The Facts: The director was called at the end of the auction. Before he doubled 3. West asked South the meaning of 1NT and received the response that it was strong. He asked North what 3♠ was and got the response "no agreement."

The partnership had an agreement that 3♠ was minor suit Stayman and a strong game force over a 1NT opening and also (perhaps) over 1NT in direct seat, but had not discussed this auction.

East stated that he would have bid 2. over 1NT if he had known that the 1NT was takeout.

The Ruling: The director judged that there was misinformation and per Laws 21B1(a) and 12 adjusted the result to 3NT by West making three, E-W plus 600.

The Appeal: In screening, N-S produced identical pre-printed convention cards that showed that a 1NT overcall by an unpassed hand was strong and that by a passed hand showed the other two suits. Therefore, the screening director changed the ruling back to the table result. E-W appealed that decision.

E-W felt that their opponent's accident had robbed them of the chance for a normal result. They did not understand why South would bid 3. over 1NT when over a strong 1NT that call would be both minors and forcing.

South meant 3♠ as invitational - he did not think that it could be minor-suit Stayman after clubs have been bid.

N-S is an occasional partnership. They had not discussed this sequence in their pre-session discussion. North had simply forgotten their agreement. In most partnerships, North plays 1NT in this sequence as unusual.

The committee discovered that North and South had prepared their convention cards separately, but both of them had correctly completed the section regarding "Sandwich" notrump.

South did not believe they were playing "system on" over a "Sandwich" notrump as opposed to a direct 1NT overcall.

The Decision: Where there is a potential conflict between a mistaken bid and a mistaken explanation, the laws instruct the director and committee to assume misinformation unless there is clear evidence to the contrary. Here there was such evidence. The partnership had clearly completed their convention cards in identical fashion.

The committee had the option of assuming that despite their identical cards that they were not playing 1NT as strong but that seemed unreasonable.

The next question to address was whether South's 3 hbid (which appeared odd in the context of the partnership's methods) when coupled with the 1NT bid suggested that South might have been expecting partner to have a two-suiter. It decided that South's rationale for bidding 3 \(\bar{\hat{A}} \) to show an invitational hand, as expressed to the committee, made sense. The committee might not agree with South's valuation but they could understand his thought process.

Since the committee could find no reason to adjust the score, it next looked at the question of procedural penalties. It addressed the regulations in force at this event. There were no special conditions for this event.

While each partnership is expected to know its own methods, the committee concluded that N-S had a bidding accident and got lucky, but had committed no infraction.

The committee sympathized with E-W, but it could see no reason to adjust the score or award a procedural penalty. The table result of 3 doubled by South making three, N-S plus 530 was reinstated for both pairs.

The appeal was considered to have merit. **DIC:** Henry Cukoff

Committee Members: Aaron Silverstein (chair), Eugene Kales, Ed Lazarus, Abby Reich and Barry Rigal

Convention card reminder

Each player is required to have a convention card filled out legibly and on the table throughout a session. Both cards of a partnership must be identical and include the first and last names of each member of the partnership.

If a director determines that neither player has a substantially completed card, the partnership may play only the ACBL Yellow Card and may use only standard carding. This restriction may be lifted only at the beginning of a subsequent round after convention cards have been properly prepared and approved by the director. Further, the partnership will receive a 1/6 board matchpoint penalty for each board played, commencing with the next round and continuing until the restriction is lifted. In IMP team games, penalties shall be at the discretion of the director.

If the director determines the partnership has at least one substantially completed convention card but has not fully complied with ACBL regulations, the director may give warnings or assign such penalties as he deems to be appropriate under the circumstances.

The objective of these warnings and penalties is the encouragement of full compliance with ACBL regulations.

Both tables did the right thing in the auction on this deal from the Senior Swiss, but a slight difference in the declarer's trick-two tactics earned the John Swanson team a game swing.

The North-South pairs at each table did well to land in 3NT after North opened 1 • and East overcalled 2 •. At least that game had chances!

When Rich Oshlag was East, his wife Mary led the ♣9. Declarer won dummy's ♣A and advanced the ♥Q. Rich ducked, won the next heart and cashed the ♦A and ♣K, then led his other diamond. Down one.

At the other table, declarer Sid Brownstein won the A and played a low diamond from dummy at once. Can you blame East for ducking? I can't, and now the diamond blockage meant the defenders could cash only four of their five tricks.

The action at our table was undistinguished on this deal from the second semifinal session of the Life Master Pairs. It involved an accident in counting high-card points, which landed my partner, East, in a contract of 3.

On a diamond lead, East merely crossruffed, eschewing the heart finesse. After cashing the red aces and ruffing spades in his hand, declarer came down to a two-card ending that saw North left with the \$8 2 and South with the \$5 4. Dummy had the \$K, the only trump left for declarer's side.

At this point, North, Walter Johnson, announced that he planned to unblock his \$8 and accomplish the feat of winning trick 13 with the \$2. As dummy, I leaned over and checked Doug Simson's hand (South) and told Walter, "Not on my watch!" With the powerful \$5 4, Simson had to overtake Johnson's \$2 at trick 13. So close ...

At the other table, Roy Welland was North, and in an atypical flight of fancy (yeah, right ...), he opened the North cards with a natural 1.

Nobody saw any reason to disturb this, so it became the final contract.

East led the ♦A, and the play unfolded similarly to the line at our table. East gave his partner a diamond ruff and West led a heart to the queen for another ruff. Then ♥A, a fourth diamond ruffed by dummy and overruffed by West, spade ruff, heart ruff, spade ruff, heart ruffed in dummy and over-ruffed, spade ruff. East now cashed the ♣A and Welland, who was down to the ♣8 2, took advantage of the opportunity to unblock his ♣8. Finally, the mighty ♣2 came into its own to win trick 13.

Bid Box Alerts and Announcements

When using bid boxes, ACBL suggests that players tap the Alert strip and say "Alert" at the same time.

When making an announcement, use the announcement word —- such as "transfer" —- and tap the Alert strip at the same time.

A player who Alerts or announces a bid should make sure his opponents are aware that an Alert or announcement has been made.

Summer NABC 2002 a look back

Here are some more outstanding deals that were played at the NABC in Washington seven years ago.

Haste makes waste

By Henry Bethe

It is usually fruitless to ask an expert how to bid a freak hand, but occasionally one occurs on which the right actions can be demonstrated. One thing about bidding freaks scientifically is that is usually pays to take things slowly so that the entire picture can come out.

In a knockout team game, you hold:

— ♥AJ432 ♦AKJ8643 ♣A.

Your side is not vulnerable, the opponents are, and the auction starts (at both tables) pass by partner and pass. What would you open? Even though the hand qualifies both on honor strength and playing strength, 2♣ is probably wrong because you will have to rebid $3 \spadesuit$ and then $4 \heartsuit$, and you are at a high level without much information.

Indeed, at both tables this hand opened $1 \spadesuit$. The next hand overcalled $1 \clubsuit$, partner bid $2 \clubsuit$ and right-hand opponent passed. At both tables, this hand bid 2♥ and LHO bid 2♠, pass, pass back to

This auction is quite revealing. Partner has shown 10 or more points, but did not bid 2NT, did not double 2♠ and did not rebid 3♣. So, partner should have some length and some high-card strength where you want it, namely in the red suits. Also, not surprisingly, partner doesn't have real diamond support, but doesn't have four hearts either. Given all this, what would you bid?

At the other table they chose 4♥, which ended

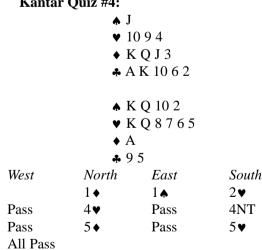

At our teammates' table, this hand chose $3 \heartsuit$, however, which drew a raise to 4♥. That left the strong hand in a position to offer a choice of slams by bidding $6 \blacklozenge$. Partner took the preference to $6 \blacktriangledown$ holding:

♦J53 **♥**KQ5 **♦**75 **♣**KJ1053.

Notice the effect of going slower and giving yourself more time to find out relevant information. Also, notice the gain from having it be your bid when the auction reached $4 \, \Psi$.

Actually, 6♦ is a better contract, but when hearts were 3-2 and diamonds were not 4-0 offside, 6♥ also made.

West leads the ♠9. East wins the ♠A and returns a spade, West playing the 3. Plan the play.

Kantar's answer:

The danger is that East will win the first heart and lead a third spade, allowing West to make the ♥J. There is no recourse if West has ♥J 3 2, but as least you can protect against J–x.

↓ J
↓ 10 9 4
♠ K Q J 3
♣ A K 10 6 2
♠ 9 3

♠ K Q 8 7 6 5
♠ A
♣ 9 5

Cash the \blacklozenge A at trick three, enter dummy with a club and discard both remaining spades on the diamonds. Now lead a heart. If East rises and returns a spade, ruff high and cash the remaining high heart, hoping to drop the jack. This play loses if East has \blacktriangledown A J x and is smart enough to play the ace immediately. You can't have everything.

Insured by Meckwell

It must be nice to have Jeff Meckstroth and Eric Rodwell as teammates. Most of us can only imagine the sense of security that it imparts to the other members of the squad. The following deals are from the Grand National Teams:

Dlr: East	★ A	. Q J 8	
Vul: N-S	S ♥ J	10 5	
	♦ Ç	6	
	* (985	
▲ 10 9 7	5 4 2		∧ K 3

1 ^	2 ^	3♦	4♥
All Pass			

West leads the A and switches to a diamond. You play low from dummy and East inserts the jack. You win the ace and decide to go all out to make the contract by taking the spade finesse in order to use the A for a diamond discard.

Unfortunately, East wins the **A**K, gives West a club ruff, wins the diamond return and plays another club.

So, you're down three. Feel bad? Don't. You just won 11 IMPs. How? At the other table, your insurance — the boys from Meckwell — defended the same contract in the same manner, but they decided to double, so they were plus 800.

The next deal, you hold as West:

AAJ10754 **♥**1043 **♦**63 **♣**43.

The bidding goes 1♣ on your left, pass from partner, 1♠ on your right. You decide to exercise restraint and pass. LHO rebids 1♥, partner passes again and RHO bids 1♠, Alerted as an artificial force. Now, lets' say you decide to yield to temptation and double — just to help partner out in case he's on lead, mind you, because he needs all the help he can get.

But things take an unpleasant turn, as LHO redoubles and this is passed back to you. You sheepishly pass and the opponents proceed to make nine tricks without breaking a sweat. Here's the full layout:

Non-material squeeze — part 2

By Barry Rigal

Because the Daily Bulletin has already featured one non-material squeeze, here's a second. Ian Boyd had his chance, but blew his opportunity. In the spirit of true contrition, here is his penance for the Daily Bulletin.

Boyd was South. On the auction shown, Boyd got the lead of the \$9\$ which he won in hand.

Because West appeared to have five or more spades to the A–K–10–9 and one heart, the clubs might be expected to split. Boyd played for this and went down, even though East produced the *J 10 on the first two rounds of the suit.

If instead of cashing all the clubs you take the ace and king and then run diamonds to finish in dummy, West has to keep two clubs and thus either has to let go his heart (in which case he gets endplayed with either black suit) or to pitch a spade winner. Then, declarer simply plays a low heart. East can win and play a spade through, but because the defense only has three spades to cash, declarer takes the last two tricks.

Triple squeeze without the count

By Alan Truscott

Mark Molson took full advantage when his opponents failed to find the optimum defense on this deal: Dlr: South **♠** A K 7

West led a club to East's ace, and East switched to his singleton spade, won in dummy with the king. Molson found out about the diamond situation when he cashed the ◆K. He

switched to a heart, and East was surprised to win the trick with the 6. Another club would have been best for the defense at this point, but East returned a trump. Molson took his ◆ A and gave up another heart to East. He fired back another trump to dummy's 10, and Molson ruffed a heart. Declarer ruffed a club leaving this position:

Molson led the ♦Q, and what could West do? He couldn't throw a spade — both spades would be good. He couldn't throw a heart — North's ♥10 would be good. His only hope was to ditch the ♣K. But Molson was ready for that — he led dummy's heart to West's queen, and West had to lead away from this ♠Q 10 to give Molson plus 670 on the board. West had been caught in a triple squeeze without the count.

This was worth 13 IMPs when Molson's teammates made 3 at the other table.

THANKS TO OUR SPONSORS

LAMBDA BRIDGE CLUB OF WASHINGTON WEDNESDAY-FRIDAY SIDE GAME SERIES

The Lambda Bridge Club (LBC) of Washington is sponsoring the Side Game Series

July 29-July 31. The LBC was originally organized to provide an opportunity for gay and lesbian bridge players in the DC area to play in a hospitable environment, and membership is still predominantly from the LGBT community.

Duplicate games are scheduled at 7:30 pm on the second, fourth and (when applicable) fifth Wednesday of each month on Capitol Hill. For more information, visit www.lambdabridge.org
