**Editors: Brent Manley and Paul Linxwiler** 

## Demirev and L'Ecuyer champs in Wernher Open Pairs

Nikolay Demirev of Arlington Heights IL and Nicolas L'Ecuyer of Montreal QC put together two strong final sessions – 58% in the afternoon and 61.36% in the evening – to win the Wernher Open Pairs.

Their score of 2168.91 was about two-thirds of a board ahead of the second-place pair, Alan Kleist of Cheverly MD and Tim Crank of Cincinnati OH. Top on a board was 64.

Demirev and L'Ecuyer won their first championship as partners – the Lebhar IMP Pairs – at the Houston NABC in March.

It was the fifth North American championship for Demirev, who placed second in the von

# Bridge will be center of attention in Philadelphia in October 2010

A few months ago, ACBL and United States Bridge Federation officials combined forces to attract a world bridge championship to American soil. The opportunity was there because the 2010 World Bridge Series scheduled for St. Petersburg, and transnational, meaning players from different countries can play together.

All play will be behind screens, and WBF masterpoints will be awarded to participants. There will be an ACBL regional tournament running concurrent with the world championships. The tournament will also feature a daily vugraph show with expert commentators plus a Daily Bulletin.

## Quinn, Berkowitz in Wagar final

The original No. 2 seed, captained by Shawn Quinn, will face the No. 4, Lisa Berkowitz, in the final round of the Wagar Women's Knockout Teams today.

Playing with Quinn are Renee Mancuso, Pam Wittes, Cheri Bjerkan, Rozanne Pollack and Peggy Sutherlin. They beat the team captained by Geeske Joel 100-86 in Wednesday's semifinal round.

The Berkowitz team had an easy time with the Lynne Schaeffer squad, winning 197-102.

Berkowitz is playing with Joann Glasson, Linda Lewis, Val Covalciuc, Betty Ann Kennedy and Cindy Bernstein.

You can watch the evening sessions on live vugraph with commentary in the Thurgood Marshall Room on the mezzanine level of the Marriott.

## Nos. 5 and 6 out of Spingold Knockout

Two more high seeds are out of the Spingold Knockout Teams as No. 5 Steve Garner and No. 6 Martin Fleisher fell in the round of 32.

Garner and the John Schermer (No. 28) were tied after 64 deals at 129. Schermer (Neil Chambers, Michael Polowan, Jacob Morgan, George Mittelman and Robert Lebi) won the eight-board playoff 28-14.

Fleisher was ahead of the French team led by Romain Zaleski 121-102 but suffered a 46-14 loss in the fourth quarter. Zaleski is playing with Jean Quantain, Albert Faigenbaum, Dominique Pilon, Franck Multon and Marc Bompis.

In other action, No. 1 Carolyn Lynch had a scare against No. 32 Victor Markowicz, winning 113-110. It was close match throughout, as Lynch held a 14-IMP lead with a quarter to go, holding on as Markowicz won the final set 42-31.

## Big seeds drop in Mini-Spin 1 & 2

It was not a good day for the higher-ranked seeds in the **Mini-Spingold I (0-5000) Knockout Teams**, as the Nos. 1, 2, 4, 6 and 8 seeds all bit the dust.

Roselyn Tuekolsky's top-seeded team was defeated by Lorraine Cable's crew 203-97. Robert Roman's No. 2 team lost 139-92 to Steven Shaye's squad. Gary Donner (No. 4) and his team was mangled 240-44 by Morrie Kleinplatz and Co.

Russia, had fallen through.

Bill Pollack

The dream has become a reality as the 2010 world championships, a truly "open" tournament, is scheduled for Philadelphia Oct. 1-16 at the downtown Marriott Hotel.

USBF President Bill Pollack says he can't wait.

"We have been made to feel really welcome in Philadelphia," Pollack says. "We chose the city because we won't be just another convention."

Unlike other world championships, there is no qualification for participants. All events are open

The playing schedule has a wide variety of events, from the Mixed, Open, Women's, Senior and IMP pairs, the Rosenblum (open teams), McConnell (women's teams) and Mixed Teams. The schedule is more "European," meaning play ends early enough for participants to enjoy a leisurely dinner.

The WBF also notes that it is likely the tournament will feature a World Youth Bridge Team championship.

Pollack says another city was in the running for the tournament, but city officials in Philadelphia, in particular Mayor Michael Nutter, have made it clear the tournament will be a big deal for the city. Pollack says the city plans to erect banners along major streets during the two

The quarterfinal round will be played today.

In the Mini-Spingold II (0-1500) Knockout Teams, the No.2 seed led by Peter Boyd-Bowman got the boot from Eric Hendrickson's squad, 184-101. Michael Berard's No. 3 team exited the event after losing 122-102 to Julie Zucker's team. No. 4 Jennifer Gu and her squad lost to David Grabiner's team 128-114.

In the semifinal, Victor Hsu's team will face Grabiner, while Zucker will face Hendrickson.

When playing a suit contract, you should get a count of your losers as soon as the dummy is tabled. If your loser count is too high and your contract is in jeopardy, you must find a way to get rid of enough

losers so that you can make the contract. I suggest you use the **T3 Formula** 

#### T1 = Trump 'em!

If you can arrange to ruff one or more losers in the dummy, you will be performing a miracle: turning losers into winners sounds very much like turning water into wine. Using this method might mean you have to delay drawing trumps. Usually, in a 5-3 fit (dummy holding three-card trump support), you will not be able to pull trumps and still have enough left to ruff all your losers. Get the ruffing done first, then pull trumps. You may hear some of my local students at this NABC chanting "Shortness in the Dumm-ee!" Ruffing in the long trump side (usually that's the declarer) does not gain you anything except maybe control of the lead. Look for ruffing in the short trump side, not the long trump side.

#### **T2** = **Toss** 'em!

With a lopsided suit that has an extra winner in dummy, use it to toss a loser from the declarer's side. Two synonymous terms for this technique are sluffing and pitching.

#### T3 = Take a Finesse!

It's not a coincidence that this is the last of the Ts. Experts hate to finesse because, in general, it only works half of the time. The first two Ts above (trumping and tossing) take priority. Although I try to avoid finesses, many times the first two Ts aren't possible. Most newcomers and intermediate players see the finesse first and are so darned proud of just recognizing it, that they feel obliged to see if it works.

If you do have to rely upon a finesse to make

lead toward them. Will you ever lead a wish card? Yes, but only when holding three touching wish cards (e.g., Q-J-10) opposite a higher honor (the ace). Note that the touching wish cards don't need to be in the same hand. The real question should be: If I lead the wish card, would I be happy to see the next opponent cover it? If the answer is yes, then it's probably the correct play. It also depends on how many tricks you need from that suit. Run through it mentally before actually doing it. Keep in mind there are no rewind controls at your disposal if you change your mind mid-play.

> Dummy ♣ Q 6 2

**A** 8 3

Leading the AQ from dummy, would you be happy if RHO covered with the AK? You'd just get the one trick you started with! A better play would be to lead the A3 toward the queen, hoping LHO had the missing king. He could take it now or later, but your AQ would be good, giving you two club tricks instead of one.

> Dummy ♣Q J 10

Declarer A 8 3

If you led the \*Q from the dummy, would you be happy to see RHO cover with the king? Absolutely! Now your \*J and \*10 are promoted, giving you all three club tricks.

least five spades in the South hand. South, with the next thing to a 2\* opening, jumps to game, worrying slightly about missing a slam! Ha, ha!

Play commentary: When a queen is led through a king in dummy up to a known strong hand, it is as sure as death and taxes that the ace lies over the king. As declarer, play low from dummy and play low again if the suit is continued. You are hoping third hand has A-x. **Defensive commentary:** After cashing three diamonds, and assuming East winds up on lead, East shifts to the &J. If West winds up on lead, he shifts to the  $\mathbf{A}$ K. Play commentary #2: South has lost three tricks and needs to find East with the ♥K to make the contract. As it is likely that East has more than two hearts, declarer must plan on taking two heart finesses. Translation: Two dummy entries are needed. They are there - if declarer is willing to take a risk. Declarer must lead a low spade to the eight, hoping West has the AJ. Success! Now the  $\mathbf{v}$ K still has be with East. It is! Declarer can finesse hearts twice and make the contract. The point is that it is worth a risk to go down an extra trick if the reward is making your contract. Play to make!

He said local players Danny and JoAnn Sprung, along with Craig Robinson, who represents District 4 on the ACBL Board of Directors, have played key roles in the planning for the big tournament.

Bob Hamman and Chris Compton, Pollack says, have played major roles in fundraising for the event, and the ACBL "did a great job" of helping pick out the site.

"We got extremely attractive room rates," Pollack says, "and reduced prices for food and parking. You can walk to many of the restaurants from the host hotel. This will be a great players' tournament. We are expecting a big turnout, so I'm telling everyone to hold the dates."

The original No. 56 seed, captained by Barry Rigal, followed their upset of the Jim Mahaffey team with a 123-98 win over the Robert Hampton team.

## Life Master News

**Peggy Ware** of Denver CO is now a Gold Life Master, having gone past 2500 masterpoints by reaching the round of eight in the 0-5000 Mini-Spingold.

**David Olson** of Owings Mill MD became a Bronze Life Master by placing third overall in the Monday Daylight Open Pairs. He was playing with Jim Olson.

**Margaret Joyner** of Niceville FL earned her gold card in the compact knockout teams.

**Robert Krueger** of Laurel MD is thanking his partner and teammates for helping him earn his gold card in the bracketed knockout teams. He was playing with his wife, Priscilla. Their teammates were Walter Mitnick of Owings Mills MD and David Ruppert of Baltimore.

Another new LM is **Nancy Paul** of Vero Beach FL, who won bracket 7 of her knockout teams to reach the coveted goal.

Late Wednesday, **Murat Berk** of Potomac MD dropped by the Daily Bulletin office to report that although his team had lost in the Mini-Spingold II, the payoff for fifth-through-eighth was enough to make him a Life Master. His partner was Mike Berard of Glenn Dale MD. Their teammates were Peter van Zijl, Ellicott City MD, and Richard Wissing, Columbia MD. Earlier in the week, the same team, with Juan Pardo of Silver Spring MD as a fifth, played in the Grand National Teams. It was unknown at the time, but Pardo made Life Master over the weekend.

## Succeed by misguessing

On this deal from the second final session of the von Zedtwitz Life Master Pairs, your best chance for your contract is to misguess the key suit (hands rotated).

You play  $4 \diamond$  on a highly competitive auction and receive the lead of the  $\blacklozenge J$ . East meanly wins the  $\blacklozenge A$  to play a low spade. You foolishly misguess. West wins your  $\blacklozenge J$  with the queen and returns a low spade, apparently not expecting to be able to cash the  $\blacklozenge K$ . East falls from grace after winning the  $\blacklozenge A$  to play a third spade. How can South have four spades and not have bid them?

You pitch your heart loser and reflect that East's re-raise with only three hearts must imply short diamonds. So you lead the  $\blacklozenge$ K, run the jack and live happily ever after.

Later, you reflect on the fact that if you have guessed spades correctly, you would have been very tempted to lead the  $\blacklozenge K$  and a diamond to the ace. Now when you try to run the clubs, West ruffs in and cashes his major winners for down one!

## Monitoring

At this and future North American Championships, ACBL will be monitoring NABC+ events with visible, real-time cameras. The images will be recorded and will be available for later official inspection and review.

By general monitoring of the session and participants' behavior, ACBL has another source of information that may be useful in determining facts and settling issues arising from some types of ethical and behavioral complaints or actions. Please summon a director if a problem occurs at the table.

This procedure is intended to assure everyone that the playing field is level and that misbehavior will not be tolerated.

## Wagar vugraph tonight

The final two sets of the Wagar Women's Knockout Teams will be shown on live vugraph with commentary tonight in the Thurgood Marshall Room on the mezzanine level at the Marriott.

At the table, we defended 3\* doubled for plus 800, so we were not tested to play 3NT. When Michael Rosenberg told me that play was "interesting," we sat down, expecting hard work, and we were right. Play 3NT on a club lead to the jack and queen.

Let's look at simple lines. If you play the  $\diamond A$  and a second diamond, East will win and play a low club back – and you are dead. If you duck a diamond at trick two, West wins and again a club is ducked. Your best bet is to unblock spades and lead a third club. East cashes out the clubs and exits with a heart. Whichever hand you win in, you have no timing for a squeeze.

The winning line is to return a club at trick two. The defense must duck (winning and shifting to a heart exposes West to a throw-in with the fourth spade to give you a third heart trick. Declarer crosses to the A and plays a third club. East wins and cashes a fourth club in this position:

🛦 K Q 10

If East cashes a fifth club, West will eventually be thrown in with hearts to lead spades. If West keep his  $\checkmark 2$  to keep from being thrown in, declarer can cash his spades and throw West in with a spade to concede the ninth trick in hearts.

The play is actually far more complex, but this is the gist of the salient details.

## Convention card reminder

Each player is required to have a convention card filled out legibly and on the table throughout a session. Both cards of a partnership must be identical and include the first and last names of each member of the partnership. If a director determines that neither player has a substantially completed card, the partnership may play only the ACBL Yellow Card and may use only standard carding. This restriction may be lifted only at the beginning of a subsequent round after convention cards have been properly prepared and approved by the director. Further, the partnership will receive a 1/6 board matchpoint penalty for each board played, commencing with the next round and continuing until the restriction is lifted. In IMP team games, penalties shall be at the discretion of the director.

Are you curious about who has placed first or second in past North American Bridge Championship events? You can put your curiosity to rest by using a new search feature that is now available on the ACBL web site. This new feature allows you the ability to search either by event or last name.

Go to the ACBL web site home page at www.acbl.org and click "NABC Winners' Directory," located on the left-hand side of the page, to start taking advantage of this new feature. Commentators will include Judi Radin, Kerri Sanborn, George Jacobs and other luminaries.

Vugraph will resume on Saturday with the semifinal round of the Spingold Knockout Teams (evening only) and all sessions on Sunday.

If the director determines the partnership has at least one substantially completed convention card but has not fully complied with ACBL regulations, the director may give warnings or assign such penalties as he deems to be appropriate under the circumstances.

The objective of these warnings and penalties is the encouragement of full compliance with ACBL regulations.

## Duck – so no dinner! By Barry Rigal

An English idiom is "duck or no dinner," meaning "all or nothing." The Australians say "Sydney or the bush."

In our four-way Spingold Knockout Teams match, it was Steve Bloom who produced the duck, and it was we who had no dinner. His play won the match for his team, and so we got no dinner because we had to prepare for our evening match.

<ul> <li>♦ 9 5</li> <li>♥ A 8 4 2</li> <li>♦ A 9 5 3</li> <li>♥ K 7 4</li> </ul>

Bloom reached 3NT as South after West had bid hearts. The lead of the  $\forall K$  put him in a perilous spot, but East's ♥J was a welcome sight. Bloom ducked the  $\mathbf{v}$ K, then the  $\mathbf{v}$ Q, East discarding a low spade. West then shifted to the ♣9, ducked all around.

Now Bloom played for West to be 2=6=2=3, with a diamond honor. He cashed his clubs and spades, went to the A and had reached this ending.

North promised four-card support and a singleton somewhere for his pre-emptive bid of  $4 \bigstar$ , and you gambled on a making the small slam. How do you plan to make 12 tricks after West leads the  $\mathbf{A}$  K and partner produces quite a favorable dummy? Both opponents will follow to the first round of trumps.

#### **Solution**

It may be tempting to crossruff for 12 tricks, but you would need a miraculous lie of the unseen cards for that line to succeed. Instead, you should aim to set up dummy's club suit. Suppose the full deal is:

	▲ J 10 8 2
	♥ 6
	♦ 7
	<b>A</b> 9 8 6 5 4 3
<b>♦</b> 973	♠ 6

After winning the first trick with the  $\blacklozenge$ A, you should draw one round of trumps with the ace. Once both defenders follow, you must abandon trumps for the moment and play a club to the ace. After ruffing the second round of clubs with the king of trumps, you cross back to dummy with a trump to the 10 to ruff another club with the AQ. The fact that West has only one club on the given deal makes ruffing clubs with high trumps essential.

Next you play your remaining trump to dummy's jack, drawing West's last trump. Dummy will now hold **A** 8 and **A** 9 8 6 5 and you will concede a club to East's king. You will ruff whichever red suit he returns with dummy's remaining trump and claim the contract as dummy's remaining cards are three club winners.

Another point to consider is that your contract was for 12 rather than 13 tricks. As you were told that the trumps were not 4-0, this plan catered to clubs being 4-1. (If they were 3-2 you would have made all of the tricks on the recommended line.)

## NABC Insider 7

Yesterday was another great day at the Summer 2009 NABC. One of the main reasons was the continued incredible efforts of the local committee. From the Krals in I/N land to the Rodneys behind the Registration Desk, from Carole & Hope partnering away to Barb's entertainment, they have all spent months planning. And they have been executing long hours since we all arrived. Helene & Ron put together one of the best restaurant guides ever, and Adrienne recruited about 2078 volunteers. Cecily organized a great tour program. Barbara has all the local information at her fingertips. Kathryn and Lucy are checking the prize lists. And all the other chairs, volunteers and (in many cases) spouses are doing the job bridge players expect from the Washington NABC team.

The Insider has worked with a few tournament chairs during his tenure with ACBL, but the cochairs in Washington rank in a class at the top. Margot has information not only on this NABC, but also the last two or three held here as well. When she moved into the hotel, it took a separate bell cart just to deliver her library of 213 binders. Fred has been her co-chair this time around. Although he didn't bring quite the collection of binders, he did bring his vast knowledge, organizational skills and good cheer. Everything that is good about the tournament (everything away from the bridge table, anyway – see yesterday's Insider) is a result of the hard work by this great team captained by Margot and Fred.

The foreign dignitaries have checked out, leaving behind two elevators that we sure appreciate at game time. Although the Insider misses the daily motorcade, he is happy to have the hill back in the sole possession of bridge players. (The leading candidate at this time for hill re-naming is "Oh No, not the Hill!" as in once you finish lunch, your next thought is "Oh No, not the Hill.") The Insider also regained control of a couple of meeting rooms, so there will be screens spread throughout the building today. Check out the Youth NABC supplement put together by the Bulletin Boys. The Youth NABC is being held in the Thurgood Marshall Ballroom, so stick your head in and see how much these kids are enjoying the game. And check out the final of the Wagar tonight in the Vugraph Theater.

Bloom ducked a diamond to West, who was endplayed to concede the rest. East, with 5=1=3=4shape, might have done better to pitch a club at trick two. Declarer might now duck a spade, not a club, imagining West to be 3=6=2=2, and that would be fatal.

## Entries

All North American championships with no upper masterpoint limitation: \$20

(Note: only ACBL members are eligible to play in NABC+ events.)

Other North American championships: \$17 (Note: only ACBL members are eligible to play *in these events.*)

Regional championships: \$16 for ACBL members, \$18 for all others

All other events: \$15 for ACBL members, \$17 for all others.

Final contract: 5♦ doubled by West. Opening lead: ♥A Table result: Made five, E-W plus 750. Director ruling: 3NT by West down two, E-W

**Committee ruling:** 5♦ doubled by West, E-W plus 750.

**The Facts:** The director was called at the end of the auction and again after the play was completed. West hesitated before bidding 3NT, and North hesitated before passing 3NT. East said he bid 5.4 because he judged that North's hesitation implied a strong side suit.

**The Ruling:** The director judged that the 5**♣** bid was demonstrably suggested by West's hesitation and that pass was a logical alternative (Law 16).

Per Law 12C1(e), the result was adjusted to 3NT by West down two, E-W minus 200 for both pairs.

**The Appeal:** E-W appealed the director's decision. South was the only player who did not attend the hearing.

East said that after a 30- to 40-second hesitation by North, it became clear to him that North had a second suit to lead. That authorized information made it more likely to be correct to bid 5. Partner must have the  $\bigstar K$ , so North's spades are weak and he must have a strong side suit.

N-S said that if that was the case it would suggest a pull to a slam try or 4. Also, East might pass 3NT at matchpoints. If partner can win the opening lead and had the A, you would score better in 3NT.

The committee determined that West's hesitation was between 10 and 20 seconds.

**The Decision:** The committee judged that, after North's hesitation over 3NT, pass was not a logical alternative. With the East hand's distribution (3=1=1=8) and all of the bidding, it was clear to pull. Therefore, the table result of  $5 \blacklozenge$  doubled by West making five, E-W plus 750 was reinstated for both pairs.

## School Bridge LEAGUE: Schools Use Cards to Increase Skills

OLL CUE

BRIDGE LEAGUE

It's a whole new "deal" when it comes to playing cards at school as teachers discover the brain- and skills-building power of the game of bridge.

Fueling this in-school card craze is the School Bridge LEAGUE – a division of The LEAGUE – created through funding from bridge enthusiasts and business leaders Bill Gates and Warren Buffett.

"The game of bridge is full of strategy and tactics," says Paula Alford-Johnson, Manager School Bridge LEAGUE. "It is part science, math, logic, reason and all fun. Plus bridge builds bridges as it embodies cooperation and team problem solving – and is linked to higher test

## Welcome to DC!

Here we are for our second Youth NABC. Make plans for fun, fun, fun!

Last year's director, Nancy Watkins, is back with us and she's already spotted several familiar faces from last year's event. Our adult NABC players have commented that they love seeing some young faces in the crowd. Many of you have come in early to sightsee and play a few warm-up games of bridge and I have heard nothing but compliments.

Today we'll kick off with a welcome to the tournament and the presentation of the first class of Youth Ambassadors and your elected Youth Advocate.

On Friday wear you're favorite bridge tee shirt for the videographer who is going to join us for the next two days. You'll see them around filming, talking to parents and young players and catching the fun and excitement of the Youth NABC. We are hoping a few of you might even try out the piano in the playing area for him and show him we're not just about cards.

Also, on Friday morning many of the ACBL Juniors, some top-ranked players and ACBL members from foreign countries have promised to show up and answer your bridge questions or just talk to you about what the bridge world is like at their level and in their countries.

On Saturday morning, Astronaut Greg Johnson, who we met in Houston, has a presentation just for you, and he will be back Saturday night to award the Sportsmanship trophy.

We hope all of you will take these opportunities to make friends and really get to know your fellow *Continued on page 2* 

Jim and Mimi Maier, Youth NABC sponsors.

## Sponsor profile: Baron Barclay Bridge Supply

Jim Maier has played cards for a long time, and over the years he came to know a lot of bridge players, including Randy Baron, founder of the company that eventually became Baron Barclay Bridge Supply.

In 1990, Maier helped Baron expand his Louisville KY-based bridge supply company by buying Barclay Bridge Supplies, located in the New York City area.

Maier's wife, Mimi, had worked for Baron for about a year before the partnership began, and about three years ago, Maier bought out Baron. "Randy wanted to do something else," Maier says. The Maiers signed on as sponsors for the Youth NABC to help promote their business, but mainly, he says, "because we would like to see another generation of people become crazy about the game."

Maier is not a bridge expert, but he knows good books when he sees them – and enjoys traveling to NABCs to set up shop. "I like the bridge world," he says. "It's nice to have a business that revolves around other people having a good time."

## Things You Should Know for the Youth NABC

#### scores."

So, what's a kid to do if you want to play but don't know how? Ask your teacher, of course. Thanks to School Bridge LEAGUE, everyone – kids and teachers alike – can learn to play and reap the brain-building benefits of bridge.

To get started, visit the School Bridge LEAGUE web site at www.schoolbridgeleague.org. Once there, teachers can register their class (for FREE) and order a "Bridge in a Box" learning kit. Also available are FREE, downloadable teaching units, links to lesson plans (coded to state educational standards) on how to incorporate bridge into existing curriculum as well as, tournament information, teacher training workshop information, news from schools nationwide and more.

School Bridge LEAGUE, for the second year, is proud to again be a sponsor of the Youth North American Bridge Championships. "We are thrilled to continue our sponsorship of this championship tournament as it unites students from all walks of life in a game that's not only fun, but proven to enhance the critical thinking skills that are so important to helping kids succeed in school and in life," says Ms. Alford-Johnson.

Also, again this year, School Bridge LEAGUE will be offering its "Teaching Critical Thinking Through Bridge" Workshop during the Youth NABC Tournament. This workshop training session teaches teachers how to play the game of Bridge and introduce it to their students. The multi-day day workshop is conducted by educators as well as ACBL members. It is designed for non-bridge playing teachers (4th through 8th grades) to provide the fundamentals of bridge and the classroom techniques to teach young people (students) how to play the game of bridge. By learning the game, and teaching it to their students, classroom teachers can give their students a decided edge in the learning process. This workshop has been successful in assisting teachers in bringing the game of bridge into the classroom! So please sign up and join us in Washington, DC.

School Bridge LEAGUE would also like to announce their 1st Annual School Bridge LEAGUE Tri-State (NY, NJ, CT) Interscholastic Tournament. This inaugural tournament will be on Saturday, August 8, 2009 at the Manhattan Bridge Club in New York City. We are inviting all of you to participate! If you are interested in having your students participate please contact paula@schoolbridgeleague.org ASAP for additional information.

School Bridge LEAGUE was formed to introduce the game of bridge to children and teachers in schools nationwide. It provides all the resources necessary for them to learn to play, hosting six virtual tournaments a year, along with an interactive web site. To date, more than 400 students in 65 schools are actively involved in the program. School Bridge LEAGUE is open to every school everywhere and is a division of The LEAGUE - formed to empower young people to "do good" by getting in the game of giving and making a positive difference in their communities. The LEAGUE and School Bridge LEAGUE are simple to join. To find out more, visit www.schoolbridgeleague.org or www.theleague.org.

Gabe is a part-time magician and a full-time college student who enjoys playing bridge on occasion. A graduate of Thomas Jefferson High School for Science and Technology, and currently a psychology major at Washington University in St. Louis, Gabe tries to put his knowledge and experience with the human mind to use in his magic. Be sure to stick around after the afternoon session of bridge. You may find some of his magic to be completely mind-warping.

Friday and Saturday, 10 a.m. to Noon

This class is designed for those who are new to bridge. Students will learn the basic concepts of the game, including value of suits and cards, basic hand evaluation, bidding as an auction, trump suit versus Notrump hands and how the play proceeds around the table. Newcomers will be playing bridge before they realize it!

The instructor, Lois Geer, specializes in teaching beginners and keeps the class relaxed and fun. Check the Daily Bulletin for class location.

## Bridge for Parents -Advance Your Game

Friday and Saturday, 10 a.m. to Noon This class is for those who know the basics of the game and want to improve their skills. The focus will be on play of the hand by declarer. We will discuss the importance of making a plan before playing to trick one. Students will learn to think in terms of counting winners and losers, recognizing and avoiding the danger hand and when to draw or not to draw trumps. Participants will play hands designed to reinforce the concepts and let them use their growing knowledge.

The instructor, Shawn Stringer, teaches this class regularly at local sectionals and regionals, and she loves to see her students improving their games. Check the Daily Bulletin for class location.

All Pass

An unusual squeeze developed on this deal from the second session of the Saturday A/X Pairs (board #29, hands rotated). My partner was Richard Reizman.

To my 1NT contract, West led the ♥J to the queen and king. East switched to the  $\blacklozenge$ 7, ducked to the jack, and West exited with the \$8 to the king and ace.

I led the  $\forall 8$ , which held the trick, and then the ▲J, not covered. My reasoning was that West, who had chosen dummy's suit for his opening lead, probably did so because he did not want to lead from his honors in the unbid suits.

Next, I cashed dummy's three good hearts and  $\bigstar$ K, noting East's drop of the  $\bigstar$ 10. The position at trick nine was:

¥

÷

I led dummy's club to my &Q and West was forced to either give up his spade guard or bare down to the singleton  $\blacklozenge$  A. He chose to discard the  $\diamond Q$ , which allowed me to exit with the  $\diamond K$ .

At trick 12, West had to lead a spade into my A8, but because dummy had the A9, I was blocked from winning the second spade in my hand. However, West had been forced to give up his diamond queen, so dummy's  $\blacklozenge 10$  took the last trick. Making 10 tricks was good for 23 of 25 matchpoints.

## THANKS TO OUR SPONSORS

#### LAMBDA BRIDGE CLUB OF WASHINGTON WEDNESDAY-FRIDAY SIDE GAME SERIES

The Lambda Bridge Club (LBC) of Washington is sponsoring the Side Game Series July 29-July 31. The LBC was originally organized to provide an opportunity for gay and lesbian bridge players in the DC area to play in a hospitable environment, and membership is still predominantly from the LGBT community.

Duplicate games are scheduled at 7:30 pm on the second, fourth and (when applicable) fifth Wednesday of each month on Capitol Hill. For more information, visit www.lambdabridge.org

#### **RICHMOND BRIDGE ASSOCIATION** THURSDAY-FRIDAY BRACKETED KO

Thanks so much to the Richmond Bridge Association (Unit 109) for supporting the NABC.

In addition to this named game, the Richmond Bridge Association has donated delicious homemade pies for a reception in honor of the youth who are playing the second-ever Youth NABC starting today, and their parents and siblings.
